# Section 1 • Introduction

During the 2023-24 academic year, the Association will sponsor 90 national championships – 42 for men, 45 for women and three for both men and women. Of the men’s championships, three are National Collegiate Championships, 13 are Division I championships, 12 are Division II championships and 14 are Division III championships. Of the women’s championships, six are National Collegiate Championships, 12 are Division I championships, 13 are Division II championships and 14 are Division III championships. The combined men’s and women’s championships are National Collegiate Championships.

The Pre-Championship Manual will serve as a resource for institutions to prepare for the championship. This manual is divided into three sections: General Administrative Guidelines, Sport-Specific Information and Appendixes.

Sections one through nine apply to policies applicable to all 90 championships, while the remaining sections are sport specific.

## Section 2 • Championship Core Statement

The championships and alliances staff strives to administer competition in a fair, safe, equitable and sportsmanlike manner so that the experience of the student-athlete is paramount.

This is attained by:

**Ensuring** student-athletes’ optimal experience.

**Executing** championship events reflecting appropriate quality and values to/for stakeholders – student-athletes, coaches, administrators, member institutions, sport committees, fans, broadcast partners and corporate champions/partners.

**Coordinating** all aspects of the championship in an efficient, effective manner through common operating policies and practices, using internal and external resources.

**Integrating** championships with broadcast and corporate relationships in a manner that maintains the integrity of the championship.

**Assuring** effective management of the business aspects of the operation.

**Enhancing** the assets of the NCAA and their value by collaborating with internal and external expertise to achieve heightened exposure (e.g., community programs, fan events, banquets, anniversaries).

## Section 3 • Conduct

### Section 3•1 Certification of Eligibility/Availability

*[Reference: Certification of Eligibility/Availability in Bylaws 12, 13, 14, 15, 16, 20.2.4, 31.2.1.7.1, 31.2.1.7.1.2 and 31.2.2 in the NCAA Division I Manual, Bylaws 7.3.1.5 and 18.2.1.1 in the NCAA Division II Manual and Division II Championships Committee Policy and Bylaws 31.2.1.5, 31.2.1.5.2, and 31.2.2 in the NCAA Division III Manual.]*

Only student-athletes eligible under Bylaws 12, 13, 14, 15 and 16 may compete in NCAA championships. Member institutions are required to certify the eligibility of their student-athletes before the beginning of each academic year and to withhold ineligible student-athletes from all intercollegiate competition.

Member institutions are reminded to notify the NCAA national office before the selection date for each championship of any student-athlete who may have participated in regular-season competition but subsequently is determined to be ineligible or unavailable for NCAA championship competition.

#### DISCOVERY OF INELIGIBILITY OF A STUDENT-ATHLETE AFTER SELECTION

If an institution fails to report an ineligible student-athlete and the omission is not discovered until after the institution is selected to participate in the championship, necessitating the institution's withdrawal from the championship, that withdrawal shall be considered as one of the years of ineligibility, provided another institution participates in the championship in place of the disqualified institution. If the discovery of the ineligible student-athlete occurs so near the beginning of the championship that the governing sport committee does not have a reasonable period of time to replace the disqualified institution in the bracket, that fact shall be taken into consideration in determining the number of years the disqualified institution shall be ineligible to participate.

### Section 3•2 Drug Testing

As part of preparation and planning to participate in championship events, member institutions are reminded and encouraged to review all applicable policy and legislative requirements pertaining to banned substances, drug testing and related eligibility requirements with their student-athletes. Student-athletes who compete in NCAA championships may be subjected to drug tests in accordance with legislation and may be determined to be ineligible as a result thereof. Only student-athletes who have consented in writing to such testing are initially eligible for these championships; and thereafter, student-athletes who are tested shall remain eligible only if they test negative.

### Section 3•3 Honesty and Sportsmanship

Individuals employed by (or associated with) a member institution to administer, conduct or coach intercollegiate athletics and all participating student-athletes shall act with honesty and sportsmanship at all times so that intercollegiate athletics as a whole, their institutions and they, as individuals, shall represent the honor and dignity of fair play and the generally recognized high standards associated with wholesome competitive sports.

### Section 3•4 Misconduct/Failure to Adhere to Policies

---

#### MISCONDUCT

Misconduct in an NCAA championship is any act of dishonesty, unsportsmanlike conduct, unprofessional behavior or breach of law, occurring from the time the championship field is announced through the end of the championship, that discredits the event or intercollegiate athletics. Each games committee shall hold an administrative meeting with the representatives of participating institutions to review and explain the policies related to misconduct.

#### FAILURE TO ADHERE TO POLICIES AND PROCEDURES

A governing sport committee may assess a financial penalty against an institution for failure of any of its representatives to adhere to the policies and procedures governing the administration of the competition. This includes, but is not limited to, failure to comply with the procedures and deadlines for submitting scores, score sheets, schedules, rosters and entry/march-in forms for qualification and other materials necessary for the efficient administration of the competition.

[Click here](#) to see the full misconduct/failure to adhere to policies and procedures online.

### Section 3•5 Sports Wagering Policy

---

Sports wagering includes placing, accepting or soliciting a wager (on a staff member's or student-athlete's own behalf or on the behalf of others) of any type with any individual or organization on any intercollegiate, amateur or professional team or contest. Examples of sports wagering include, but are not limited to, the use of a bookmaker or parlay card; internet sports wagering; mobile betting; auctions in which bids are placed on teams, individuals or contests; and pools or fantasy leagues in which an entry fee is required and there is an opportunity to win a prize.

The current NCAA legislation against sports wagering prohibits NCAA student-athletes, member institutions' athletics staff and non-athletics staff with athletics responsibilities, and conference office staff from participating in sports wagering activities or providing information to individuals involved in or associated with any type of sports wagering activities concerning intercollegiate, amateur or professional athletics practice or competition in a sport in which the NCAA conducts championship competition, in bowl subdivision football and in emerging sports for women.

A wager is any agreement in which an individual or entity agrees to give up an item of value (e.g., cash, shirt, dinner) in exchange for the possibility of gaining another item of value.

#### STUDENT-ATHLETES

A student-athlete found in violation of the prohibition against knowingly participating in any sports wagering activities or providing information to individuals involved in or associated with any type of sports wagering activity that involves intercollegiate, amateur or professional athletics competition shall be ineligible for further intercollegiate competition, subject to appeal to the Committee on Student-Athlete Reinstatement for restoration of eligibility.

#### POSTSEASON

In championships in which a bracket format is used, student-athletes, coaches and administrators may not participate in bracket competitions where there is both a required entry fee and an opportunity to win a prize. Student-athletes and administrators may participate under current NCAA rules in bracket contests where there is no entry fee but a possibility of winning a prize. Some NCAA member schools, however, have chosen to ban student-athletes from participating in these types of bracket contests.

#### HOSTING OPPORTUNITIES

It is permissible for NCAA championships to be conducted at locations in states that permit sports wagering.

### Section 3•6 Student-Athlete Experience Survey

---

During the NCAA championships, the student-athlete experience is paramount. NCAA staff and hosts dedicate themselves to planning the best experiences for all involved. As part of our commitment to getting better, following the championship, participants will receive a survey to provide feedback on their experience and input on how championships

can be improved for future NCAA student-athletes. Institutional administrators and coaches will receive an email containing a link to the survey and will be asked to forward the survey to student-athletes. Additionally, this survey will be accessible via QR code found on the back of NCAA-issued championship credentials.

We also understand that sometimes certain circumstances or conditions occurring during the events may require real-time consideration. When this is the case, student-athletes may reach out to their site representative or NCAA national office staff on-site.

## Section 4 • Elite 90™ Award

The Elite 90 award was created to recognize the true essence of student-athletes by honoring individuals who have reached the pinnacle of competition at the national championship level in their sport, while also achieving the highest academic standard among their peers. The award is presented in every sport, every division, and goes to the student-athlete who has the highest cumulative grade-point average of all student-athletes competing at the finals site. One student-athlete per championship will receive the award, and the announcement of the winner will be made at the finals site.

Institutions that wish to nominate a student-athlete must do so through an online nomination process. For more information or to access the online form and submit a nomination, [click here](#).

## Section 5 • Fan Travel

Through support from Marriott International as the Official Hotel Partner of the NCAA, NCAA championships are pleased to provide easy and affordable accommodations for family and fans to follow their favorite student-athlete(s) and team(s) as they participate in NCAA championships competition. Travel arrangements completed through Marriott and NCAA Travel help support NCAA student-athletes. Please direct your fans to [NCAA.com/travel](https://www.ncaa.com/travel) to search and book online hotel reservations.

## Section 6 • Health and Safety

As part of preparation and planning to host and/or participate in championship events, member institutions are reminded and encouraged to review all applicable health and safety policy and legislative requirements and guidance including, among others, those relating to concussion management, catastrophic injury prevention, inclement weather and independent medical care. These requirements and related information can be found in applicable division manuals, sports playing rules and the materials located on the [NCAA Sport Science Institute website](#). In addition, a summary of some of the key health and safety considerations related to traveling to championship events can be found in the [NCAA's Guidance for Medical Care and Coverage for Student-Athletes at Away Events](#).

## Section 7 • Logo Policy

*[Reference: Bylaws 12.5.4, 31.1.7 and 31.1.8 in the NCAA Division I Manual, Bylaw 12.5.4 in the NCAA Division II Manual and Bylaw 12.5.3 in the NCAA Division III Manual .]*

A student-athlete may use athletics equipment or wear athletics apparel that bears the trademark or logo of an athletics equipment or apparel manufacturer or distributor in athletics competition and pre- and postgame activities (e.g., celebrations on the court, pre- or postgame press conferences), provided the following criteria are met:

1. Athletics equipment (e.g., shoes, helmets, baseball bats and gloves, batting or golf gloves, hockey and lacrosse sticks, goggles and skis) shall bear only the manufacturer's normal label or trademark, as it is used on all such items for sale to the general public; and

## GENERAL ADMINISTRATIVE GUIDELINES

2. The student-athlete's institution's official uniform (including numbered racing bibs and warmups) and all other items of apparel (e.g., socks, head bands, T-shirts, wrist bands, visors or hats, swim caps and towels) shall bear only a single manufacturer's or distributor's normal label or trademark (regardless of the visibility of the label or trademark), not to exceed 2-1/4 square inches in area (rectangle, square, parallelogram) including any additional material (e.g., patch) surrounding the normal trademark or logo. The student-athlete's institution's official uniform and all other items of apparel shall not bear a design element similar to the manufacturer's trademark/logo that is in addition to another trademark/logo that is contrary to the size restriction.

## Section 8 • Research

In order to avoid inappropriate and unnecessary participant distraction and disruption of championship events, it is expected any data collection or other research efforts conducted at or during championship events will be coordinated through the national office, with notice and a description of any research proposal to be submitted to the NCAA research staff at least six weeks before the championships event begins.

## Section 9 • Travel Party

Please refer to the NCAA travel policies for all information regarding transportation and per diem expenses. NCAA Travel policies are updated annually and can be found online [here](#). Please reference Appendix A of the travel policies for reimbursable travel party numbers. The travel policies supersede all other documents.

## Section 10 • Division III

### Section 10•1 Division III Philosophy

The Division III championships philosophy is to field the most competitive teams within a regular-season philosophy that emphasizes regional competition and minimizes missed class time; and to provide representation in NCAA championship competition by allocating berths to eligible conferences, independent institutions and at-large teams.

### Section 10•2 Commencement Conflicts

*[Reference: Bylaw 31.1.4.5 in the NCAA Division III Manual.]*

If an institution's commencement conflicts with participation in the championship, it shall inform the NCAA championship manager in writing one week before the selection date for the governing sport committee to consider an accommodation and a change to the championship schedule.

The following guidelines apply to commencement requests:

- Applies to team sports only.
- The governing sport committee, in consultation with participating institutions, may reschedule the game on the nearest possible date.
- Does not apply to predetermined finals sites.
- The governing sport committee shall make a good-faith effort to accommodate participating institutions in non-predetermined preliminary-round contests with multiple teams participating at the same site.

## Section 10•3 Gameday the DIII Way

---

Division III promotes an atmosphere that is a respectful and engaging educational environment through athletics, for everyone through Gameday the DIII Way. Gameday the DIII Way establishes an expectation for championship hosts, coaches, student-athletes and spectators to focus on the common standards of safety, responsiveness, dignity and experience while participating or attending a championship event. We ask that each participant and attendee be personally accountable for their actions and do their part to ensure this event is a positive reflection of Gameday the DIII Way.

## Section 10•4 Religious Conflicts

---

*[Reference: Bylaws 31.1.4.1 and 31.1.4.2 in the NCAA Division III Manual.]*

**Institutional Policy.** If a participating institution has a written policy against competition on a particular day for religious reasons, it shall inform the NCAA national office before May 1 of the preceding academic year to be excused from competing on that day. The notification shall be valid for a period of two years. The championship schedule shall be adjusted to accommodate that institution, and such adjustment shall not require its team or an individual competitor to compete before the time originally scheduled.

**Individual Championships.** In individual championships, a student-athlete must compete according to the institution's policy regarding Sunday competition (i.e., if the institution has no policy against Sunday competition, the student-athlete shall compete Sunday if required by the schedule).

## Section 2•3 Selections Information

[Reference Bylaws 31.01.2, 31.01.3 and 31.3 in the NCAA Division III Manual.]

### ALLOCATION OF BERTHS

As required by the selection principles, the following berths have been allocated for the 2023 championship: Pool A - 42, Pool B - 1 and Pool C - 21. (Note: The number of berths for Pools B and C may be adjusted based on sponsorship numbers at the time of selections.) Pool A includes the conferences that have been awarded automatic qualification. Pool B includes independent institutions and institutions from conferences that do not meet the automatic-qualification criteria. Pool C includes those Pool A institutions that do not receive their conference's automatic bid and the remaining teams in Pool B. There will be no predetermined regional allocations for Pool B or Pool C and no maximum or minimum number of berths from one region. A regional summary of the institutions in each pool is included in [Appendix B](#).

The Division III Women's Volleyball Committee will select teams from Pools B and C on a national basis using regional selection criteria. The committee will select teams in Pools B and C based on the criteria listed in this section.

### AUTOMATIC QUALIFICATION

[Reference: Bylaw 31.3.3 in the NCAA Division III Manual.]

The 42 conferences that have been granted automatic-qualification privileges for the 2023 championship are:

### REGIONAL COMPETITION

Per Bylaw 31.3.4.3, all members of a conference will be placed in the same region for evaluation purposes, unless the Championships Committee has granted an exception. For the exceptions, members of these conferences shall be placed in their natural geographic regions for evaluation purposes.

### SCHEDULING REQUIREMENTS

Institutions must play at least 70% of their scheduled competition against in-region, Division III institutions to be considered for selection to NCAA championships. Institutions unable to meet this requirement may request a waiver for selection consideration.

The Division III Championships Committee will review all waiver requests. Information required as part of the waiver process includes proposed schedules, schedules from the past two seasons, a summary of scheduling challenges the institution is facing and proposed solutions. In addition, an institution may include any other historical information illustrating difficulty in scheduling at least 70% of its contests against in-region Division III institutions.

Competition is countable only when the teams played are varsity intercollegiate teams of four-year, degree-granting institutions that conduct a majority of their competition in that team sport against varsity intercollegiate teams (see Constitution 3.2.4.4) of United States four-year, degree-granting institutions. Competition against service teams, professional teams, semiprofessional teams, amateur teams, two-year colleges and club teams shall be excluded.

### Section 2•4 Selection Criteria

#### PRIMARY CRITERIA

The primary criteria emphasize Division III competition (all contests leading up to NCAA championships); all criteria listed will be evaluated (not listed in priority order).

- Won-lost percentage against Division III opponents.
- Division III head-to-head competition.
- Results versus common Division III opponents.
- Results versus ranked Division III teams as established by the final ranking and the ranking preceding the final ranking.
  - Conference postseason contests are included.
  - Contests versus provisional and reclassifying members in their third and fourth years shall count in the primary criteria. Provisional and reclassifying members shall remain ineligible for rankings and selections.
- Division III strength of schedule.
  - Opponents' Winning Percentage (OWP).
  - Opponents' Opponents' Winning Percentage (OOWP).
    - See [Appendix C](#) for an explanation of OWP and OOWP calculations. Strength of schedule will be weighted 2/3 OWP and 1/3 OOWP.

#### SECONDARY CRITERIA

If the evaluation of the primary criteria does not result in a decision, the secondary criteria will be reviewed. All the criteria listed will be evaluated (not listed in priority order). The secondary criteria introduce results against opponents from other classifications (i.e., NAIA, NCAA Divisions I and II).

- Non-Division III won-lost percentage.
- Results versus common non-Division III opponents.
- Won-lost percentage during the last 25% of the season.
- Division III nonconference strength of schedule.

Additionally, input is provided by regional advisory committees for consideration by the Division III Women's Volleyball Committee. Coaches' polls and/or any other outside polls or rankings are not used by the Women's Volleyball Committee for ranking or selection purposes.

#### PAIRINGS

After all 64 teams have been selected, teams will be grouped in clusters according to natural geographic proximity. A team may be moved to balance the bracket if geographic proximity is maintained. Teams should be paired and eligible sites should be selected according to geographic proximity (within 500 miles).

Teams may be seeded on a regional basis using the selection criteria. However, geographic proximity takes precedence over seeding.

Teams from the same conference will not be paired to play each other in the first contest of the regional tournament as long as geographic proximity is maintained.

After regional competition concludes, results from regionals will be added to the score-reporting system, and the committee will use the updated information to evaluate and rank the eight teams advancing to the finals site. The committee will then pair the teams according to traditional bracketing principles (No. 1 vs. No. 8, No. 2 vs. No. 7, etc.).

## Section 2•5 Site Selection

### PROSPECTIVE HOSTS

Any institution interested in hosting regional competition of the 2023 NCAA Division III Women's Volleyball Championship must submit a proposed budget, respond to sport-specific questions (if applicable) and ensure that the institution's key contacts and facility information are complete and current in the Championships Bid and Profile System.

### CHAMPIONSHIPS BID AND PROFILE SYSTEM

The Championships Bid and Profile System can be accessed at [championships.ncaa.org](https://championships.ncaa.org). In order to submit a bid, locate the desired championship in the "Championships Available for Bidding" section and select "Start Bid." The deadline to submit all bid materials for hosting preliminary rounds for this championship is 5 p.m. Eastern time Nov. 3.

In addition to projected ticket sales (if applicable) and game expenses, prospective hosts should include the following when completing a proposed budget:

- Committee/site representative lodging;
- Game officials lodging;
- State and city taxes/fees; and
- Ticket and facility fees.

Per diem, mileage and baggage fees for committee members and site representatives will be paid by the NCAA, not the host institution. Referees and line judges will be reimbursed via RefQuest for their game fees, per diem, mileage and baggage fees.

### FACILITY PROFILE

Institutions interested in hosting regional competition of the Division III Women's Volleyball Championship must add (or ensure accuracy of) facility information for the applicable competition venue. This information is located at [championships.ncaa.org](https://championships.ncaa.org). Any supporting information (e.g., facility diagrams or pictures) may be uploaded and attached to that facility's profile. This information will be made available to the sport committee to aid in its deliberations regarding prospective host sites.

### KEY CONTACTS

Each institution should list and then maintain its key contacts associated with each sport and the institution. Contact information can be updated via the Championships Bid and Profile System at [championships.ncaa.org](https://championships.ncaa.org).

### SAFETY AND SECURITY PLAN

Based on a review of current and future championships competition venues, discussions with safety and security experts, and their own expertise and knowledge, the NCAA has established a Safety and Security Advisory Group to develop a compilation of Best Practices for NCAA championships. We urge each competition venue to take these Best Practices into account when developing its safety and security program. As part of your bid, please submit a safety and security plan for your venue that includes the NCAA Championships Safety and Security Team contact information form, located in Appendix A of the Best Practices document.

The best practices for venue safety and security, along with the safety and security contact form, are located at: [ncaa.org/sites/default/files/Best\\_Practices\\_for\\_Venue\\_Safety\\_and\\_Security.pdf](https://ncaa.org/sites/default/files/Best_Practices_for_Venue_Safety_and_Security.pdf)

### CONTACT INFORMATION

If you have any questions regarding the bid process, please email Ryan Richardson at [rrichardson@ncaa.org](mailto:rrichardson@ncaa.org) or [championshipbid@ncaa.org](mailto:championshipbid@ncaa.org).

### FINAL FINANCIAL REPORT

*[Reference: Bylaw 31.4 in the NCAA Division III Manual.]*

A final financial report from each championship site must be submitted via the Championships Bid and Profile System under the "budget" tab not later than 60 days after the event.

## Appendix C • OWP and OOWP Calculation Explanation

### Strength of Schedule Calculation

The strength of schedule is made up of two factors: the opponents' winning percentage (OWP) and the opponents' opponents' winning percentage (OOWP).

**Opponents' Winning Percentage.** Take each opponent's won-lost record against other Division III teams (excluding the results against the team in question); add all wins and all losses to get the cumulative won-lost record that is used to determine the opponents' winning percentage.

**To Calculate.** Team A's schedule is as follows:

Opponent	Record	vs. Team A	Wins	Losses	
Team B	21-7	1-0	20	7	
Team C	14-11	0-1	14	10	
Team D	9-14	0-1	9	13	
Team E	8-17	0-1	8	16	
Team F	19-8	1-0	18	8	
<b>Totals:</b>			69	54	$69 \div (69 + 54) =$ <b>.561 (OWP)</b>

**Opponents' Opponents' Winning Percentage (OOWP).** The strength of each opponent's schedule is measured by taking all of their opponents' won-lost records and finding the winning percentage based on the total opponents' opponents' won-lost record. This recognizes the fact that two opponents with similar won-lost records may have played far different schedules (in terms of strength of opponents).

**To Calculate.** Using the total opponents' won-lost record for Teams B, C, D, E and F (Team A's opponents), perform the same calculation as the OWP.

	Opponents' Wins	Opponents' Losses	
Team B	35	75	
Team C	63	40	
Team D	55	55	
Team E	75	37	
Team F	44	60	
<b>Totals:</b>	272	267	$272 \div (272 + 267) =$ <b>.505 (OOWP)</b>

It is important to note that the OOWP will support the OWP (i.e., if Teams A and C have the same OWP of .561; Team A has an OOWP of .505 and Team C has an OOWP of .456; it would indicate Team A has the stronger strength of schedule).

**Strength of Schedule Calculation.** To calculate the strength of schedule, add two-thirds of the OWP to one-third of the OOWP. Team A's strength of schedule calculation is as follows:

	Value	Weight	SOS Value
<b>OWP</b>	.561	.667	.374
<b>OOWP</b>	.505	.333	.168
<b>Strength of Schedule</b>			<b>.542</b>
