REMINDER

ADMINISTRATOR HOTEL ROOM

One additional hotel room (subject to availability and no guarantee that the room will be located at the team hotel) from the NCAA room block, separate from the qualifier formula used to allocate hotel rooms, will be made available to the institution administrator. The room request must be made through this site.

ADMINISTRATOR CREDENTIALS

One complimentary administrator credential will be provided to each institution that has a qualifier. This credential must be for your director of athletics or person who has oversight for the wrestling program at your institution.

1. A maximum of two (2) additional administrator credentials may be purchased for \$200 each. **NO** additional hotel rooms are guaranteed for these two credentials.
2. These administrator credentials will allow access to the facility and the back-of-house areas only, but not the competition mats. This credential will be provided only to the appropriate person listed in the registration portal. The administrator credential provides seating opportunities within the participant seating sections.
3. In lieu of requesting a credential, a ticket may be purchased through your institution's block, but will not be permitted on the event level.
4. Administrator credentials may be obtained at the team registration at U.S. Bank Stadium. Administrators will need to show a business card and photo identification to prove identity.

SUPPORT STAFF CREDENTIALS

Regardless of the number of qualifiers, each institution will have the opportunity to purchase up to two (2) additional support staff (i.e., director of operations, strength coach, nutritionist, team manager, etc.) credentials for \$200 each. Each institution must verify the members of its coaching and support staff. Support staff credentials will **NOT** have access to competition mats.
