Introduction

Information in this document applies to finals site competition.

INTRODUCTION

This manual outlines the responsibilities of an institution/conference hosting the NCAA Division I Wrestling championships. It is essential that each host institution/conference staff become familiar with the information and policies included in this manual.

The NCAA considers this hosting opportunity a partnership between the host institution/conference, competition site, committee and the NCAA. The primary objective of each individual involved in the administration of the championship shall be to provide a memorable championship experience for each participating student-athlete, coach, institutional staff member and championship attendee.

DEFINITIONS

Championship: Postseason competition conducted by the NCAA in a particular sport, in which eligible student-athletes and teams of active member institutions compete to determine the division champion (or National Collegiate champion in sports that do not have a separate division championship) in that sport.

Governing Sports Committee: The NCAA membership committee responsible for developing policies and procedures governing the administration and conduct of the championship under its jurisdiction, subject to the approval of the applicable division’s governance structure and the requirements, standards and conditions prescribed by NCAA Bylaw 31.

Host Institution/Conference: An active NCAA member institution and/or conference selected to serve as host for a championship. The host shall administer the finances of an NCAA championship in accordance with the institutional/conference championship budget, as submitted during the selection process and approved by the governing sports committee.

Local Organizing Committee: A local organization formed in the city where a member institution/conference proposes to host an NCAA championship, to provide to the NCAA services and assistance in connection with the various activities related to the championship. The host institution/conference must be a part of the leadership of the LOC.

NCAA Championships Administrator: The staff member(s) representing the NCAA championships and alliances staff assigned to serve as administrator(s) for a championship.

Role of Governing Sports Committee
The NCAA’s core purpose, values and envisioned future provide the framework for all actions in the committee’s administration of the championship and its stewardship of the game. Within the framework and spirit of its charge, the governing sports committee will balance the principle of student-athlete well-being with its efforts to maximize exposure for intercollegiate athletics and
revenues from the championship through policies and activities that are subject to the final authority of the NCAA Division I Board of Directors.

**Role of Host Institution/Conference**
The support, commitment and involvement of the host institution/conference, its key staff members and local media are essential elements in hosting a successful NCAA championship.

The host institution/conference is the local entity responsible for making arrangements for the competition. By submitting a bid, each host institution/conference has agreed to provide services and assistance in connection with the various activities related to the championship.

The responsibilities of the host institution/conference are defined herein. The games management, media and marketing activities associated with the competition are to be administered and approved by the NCAA staff on behalf of the governing sport committee.

The host institution/conference will work in collaboration with the NCAA staff to ensure that the mission of the championship is preserved. The NCAA believes that the most successful host institutions/conferences are those that emphasize service, communication, promotion and marketing of the event, and fiscal responsibility.

**Role of NCAA**
The NCAA championships and alliances staff, working in conjunction with the NCAA sport committees and other NCAA groups, will lead the planning efforts, management and execution of all NCAA championships. The NCAA will oversee all aspects of the championship and its related activities, including facility operations and space allocations, hotel accommodations, media and team operations, hospitality functions and social events, pre- and post-event entertainment, fan and sponsor events, television programming, youth events, as well as many other aspects.

The NCAA will work closely with the host institution/conference, competition venue and local organizing committee to ensure that the championship provides a positive and rewarding experience for student-athletes and fans.
# NCAA Division I Wrestling Committee Roster

The NCAA Division I Wrestling Championships is under the control, direction and supervision of the NCAA Division I Wrestling Committee, subject to such requirements, standards and conditions as may be prescribed by the Association’s bylaws and NCAA Executive Committee.

Alcoholic Beverages.

Alcoholic beverages (beer, wine, malt beverages or other alcoholic beverages with similar alcohol by volume content – i.e., ciders, seltzers, etc.) may be sold and dispensed at NCAA division I championship and ancillary events, provided that the host, venue, and/or concessionaire:

• Comply with, and certifies in writing the compliance with, the NCAA Championship and Ancillary Event Alcohol Sales Policy, as amended by the NCAA from time to time, which addresses such matters as:
  
  o Permissible types of alcoholic beverages;
  o Eligibility for the sale and distribution of alcoholic beverages;
  o Indemnity, warranty, and insurance obligations; and
  o Verification

• Agree to (i) keep and maintain, or cause its designated vendor or concessionaire to keep and maintain, complete and accurate records of all (a) alcohol-related incidents (e.g., expulsions, arrests) and (b) sales transactions related to the sale of concessions at the NCAA Championship and related ancillary events, including gross revenue, cost of goods, allocable overhead, and applicable taxes; (ii) no later than sixty (60) days after the conclusion of the event, provide the NCAA with a report setting forth in reasonable detail such information, together with the corresponding dates of transaction, including (a) alcohol-related revenue generated on each day of the event, (b) the direct cost of selling alcohol at the event (including the cost of goods), and (c) the indirect cost of selling alcohol at the event (including overhead and increased security needs at the event venue site); and (iii) permit the books, records, and accounts of host, venue, and vendor/concessionaire pertaining to the sale of concessions at the event to be inspected, audited, and copied by NCAA or its agents at any time during normal business hours upon giving reasonable notice to host, venue, and vendor/concessionaire.

• Agree to pay the NCAA an amount of twenty percent (20%) of the gross revenue generated from the sale of alcohol during the event (and any approved ancillary events), less the pro rata applicable sales tax and credit card fees (without deduction of any operating, costs of goods, indirect, or other expenses, such as overhead, marketing, fulfillment, general & administrative, interest, or other expenses), with such agreement to be reflected in a written agreement between the NCAA and the applicable parties (host, venue, and/or concessionaire) executed prior to, or simultaneously with, the NCAA’s official selection of the host for the applicable championship.

Tobacco Products.

Tobacco products shall not be advertised, sold or dispensed at any championship event
sponsored by or administered by the NCAA. Smoking is not permitted anywhere in the venue.

SECTION 2 – Americans with Disabilities Act

The Americans with Disabilities Act requires that public establishments offer equal access and services to people who are physically and mentally challenged. The host institution/conference is required to confirm that each facility in which an NCAA championship or ancillary event occurs is in compliance with the Act by the various facilities hosting NCAA championship events. The host institution/conference is responsible for determining if the competition site will be in compliance as of the dates of the championship. If the host institution/conference becomes aware that a competition site hosting an NCAA championship event will not be in compliance, it shall immediately notify the NCAA national office staff member with responsibility for the event in order to discuss the issue.

SECTION 3 – Awards

Champions Locker Room Program.

The NCAA has partnered with select NCAA licensees to celebrate the national champions of each of the 90 NCAA championships. Each team champion shall receive a national champions T-shirt and hat to commemorate the experience of winning a national title. Listed below is a summary of steps that should be followed when implementing the locker room program at all final championship sites.

- The product is for team champions only. Individual weight-class championships are not a part of the locker room distribution.
- Please remove all hangtags and stickers (if needed) on the merchandise before being distributed.
- The merchandise should be distributed to the winning team only immediately after the handshake (if applicable) as soon as the contest has officially concluded. Extra product (if any) should be given to the team’s equipment manager, coach or team administrator.
- All winning team inquiries about obtaining additional locker room product should be directed to Event 1 for T-shirts (jared.hunt@hanes.com) or Top of the World for hats (npokorny@towlicensed.com). Please contact David Clendenin, associate director of licensing, at the NCAA national office should you have any questions, 317-917-6496.

Championship Awards.

The NCAA shall provide all awards for participation in an NCAA championship. The championship manager will provide a manifest of the awards being shipped to your site. You should inventory each box and award ensuring the appropriate quantity and label for the event.

The championship manager will also describe how the awards will be distributed during the
championship event.

No additional awards, unless otherwise approved by the championship’s manager, should be presented to the student-athletes and coaches of the participating teams.

MTM, Inc., the NCAA national office awards supplier, will send official NCAA awards to the tournament manager approximately two weeks prior to the championship. When the awards arrive, the tournament manager should inventory all awards to be sure they are undamaged, are correctly inscribed and are in the appropriate quantities. The awards boxes should then be re-taped, closed and secured in a limited-access area.

No additional awards, unless otherwise approved by the championship’s manager, should be presented to the student-athletes and coaches of the participating teams.

The NCAA Elite 90 award was created to recognize the true essence of the student-athlete by honoring the individual who has reached the pinnacle of competition at the national championship level in their sport, while also achieving the highest academic standard among their peers. The Elite 90 award is presented to the student-athlete with the highest cumulative grade-point average participating at the finals site for each of the NCAA’s championships. Award winners must meet certain criteria including being a sophomore or above, participating in their sport for at least two years at their school, being an active member of their team, and being a designated member of the squad size at their championship. The member institution is responsible for submitting its student-athlete that has the highest GPA and meets all other requirements. The NCAA championships media coordination and statistics staff and the NCAA academic and membership affairs staff will determine the winner of this award for each championship and provide the name of the recipient to the NCAA championships administrator as well as the local host shortly before the championship begins. The winner’s name should not be released to the public until after they are publicly recognized. If appropriate, the championship manager can share the information with the coach of the winning student-athlete to make sure of that person’s attendance. However, they should not inform the student-athlete. Mark or another member of the NCAA media coordination staff will typically send a template of a release and the logo to the sports information director of the winner’s institution the morning of the announcement to allow them time to prepare. In addition, the information will be given to the NCAA social media staff in order for them to prepare a graphic which will post shortly after the announcement.

Each championship should provide an appropriate forum to adequately recognize and celebrate this award winner among their peers and fans of the championship. In addition, information about this award winner may be included in local press releases about the championship and in public address and/or video board announcements during the championship.

**Award presentation**

When determining the most appropriate time to present the Elite 90 award, the NCAA and host
staff should evaluate the time and venue which will create the greatest impact and amount of exposure for the award winner while also appropriately honoring and celebrating their accomplishments. The presentation should be semi-formal in nature and not be rushed or overshadowed by other presentations or events surrounding it. The award winner should be visible, the announcement clearly audible and the award presentation should receive the full attention and respect of all of those in attendance. The standard award script is listed below:

At this time, we would like to present the Elite 90 Award. This award was instituted to recognize the true essence of the student-athlete by honoring the individual who has reached the pinnacle of competition at the national championship level in their sport, while also achieving the highest academic standard among his or her peers. The Elite 90 is presented to the student-athlete with the highest cumulative grade-point average participating at the finals site for each of the NCAA’s 90 championships.

The recipient of the Elite 90 Award for Division I Wrestling with a GPA of X.XXX in (major), is (student-athlete and institution).

Press release
On the day of/or prior to the winner of the Elite 90 award publicly recognized, the NCAA media coordination staff will send out a template of a standard press release to the sports information director of the winner’s institution and to the NCAA championships manager. For selected championships, a press release will be written by a member of the communications or media coordination staff and be provided to national media by the NCAA public relations. If appropriate, this press release may also be provided to the host for distribution to local media.

Social Media
The NCAA twitter account will promote the 90 winners after the on-site announcement has been made. Mark Bedics will work with the social media staff to make sure they have the appropriate information, including photo to make the graphic and the timing of when to post.

For more information on the Elite 90 award winners, log on to NCAA.com/elite90.

Participant Awards.

Participation awards are permissible (one per participant) as long as they meet the conditions outlined in Bylaws 16.1.4.2 and 16.1.4.3 and are provided by the NCAA selected student-athlete participation awards licensee. The NCAA championships and alliances group will be responsible for selecting the participation awards that will be provided. The NCAA championship manager will work with the participating institutions regarding delivery of mementos after championship competition. Participant awards will not be distributed at the site of the championship(s).

Awards Ceremony.

In the sport of wrestling, the awards ceremony is an integral part of the championships. An awards stand is necessary and should be constructed in the event a stand is not available. No specific dimensions are suggested as they may vary with its location, the facility, etc. The cost of
this stand is the responsibility of the host institution. The stand should bear the championships logo and identify the weight class (i.e., 125, 133, etc.). Each position one through eight is to be identified (e.g., The individual weight class awards will be presented following the 133 lbs. match (e.g., 125 lbs.); 133 lbs. awards after 141 lbs. match, etc. The 197 and heavyweight and team awards will be presented following the conclusion of all wrestling.). The weight class order may be changed at the discretion of the wrestling committee and broadcast partner, thus the awards ceremony order would also change.

Place finishers in each weight class are to assemble in an area of the arena away from the spectators with easy access to the floor, beginning at the conclusion of the 125 lbs. match. The wrestlers are to be lined up in the order in which they will stand on the awards platform. After leaving the awards stand, the champion is presented the framed bracket. When student-athletes are receiving awards, they must wear their official school warm-up. No extra equipment (e.g., hats, jewelry, signs, etc.) may be worn or carried at the awards ceremony. The wrestlers are required to stay on the stand for pictures and are asked to turn around, if appropriate, for recognition by all spectators. Please note that the awards ceremony procedure may be modified prior to the championships due to television demands.

The team awards are presented on the raised championships mat. The individual awards for the final two contested weight classes will be presented, followed by the team awards. The chair of the wrestling committee shall present the team awards. Only the awards presenters and recipients should be allowed on the raised mat. Depending on the available space, media photographers may also be arranged on the raised platform for team award photos.

Please note, National Champion teams will receive a gold mini-trophy and watch as an award.

SECTION 4 – Championship Merchandise/Licensing

Administration.

The NCAA licensing department has oversight for the event merchandising program at all rounds and sites of NCAA championships. All licensing and merchandising questions should be directed to David Clendenin (317-917-6496; dclendenin@ncaa.org).

Availability.

An online ordering system will be available to participating institutions interested in ordering Event 1, Inc. merchandise in advance of the championship. Orders will be shipped by Event 1 directly to the participating institution’s campus.

General Policies.

The NCAA retains the exclusive right to sell souvenir products at all rounds and sites of the 90 National Collegiate Championships; host institutions/conferences and sponsoring agencies for all
NCAA championships are required to sell items provided by the official NCAA event souvenir merchandiser. The official NCAA event souvenir merchandiser is Event 1.

Event 1, Inc. will enter into an agreement with the official vendor of the host institution/conference or sponsoring agency and will supply merchandise and inventory reconciliation forms to the official vendor. The official vendor of the host institution/conference or sponsoring agency at the site of the championship(s) is responsible for complete retail vending accountability, including full responsibility for inventory. When the requirements listed below are met, the host institution/conference will receive a 20% commission fee for providing these services. The 20% commission fee will be from net sales, which is defined as gross sales minus taxes and credit card fees. The following is a list of the requirements that must be met to qualify for the 20% commission fee:

c. Immediate notification (within 24 hours of receipt) to Event 1, Inc. of any discrepancies in initial inventory counts. Non-notification will represent host or vendor acceptance of initial inventory provided by Event 1, Inc.

d. Total management, control, and accountability of the merchandise. If goods are lost, stolen or damaged, those goods are the responsibility of the host institution/conference or vendor.

e. At the conclusion of the event, everything sent must be returned to Event 1 within two days of the conclusion of the event.

k. The remaining inventory forwarded to Event 1, Inc., or the next event site as determined by event 1, Inc., within two days of the conclusion.

l. Having met each of the above requirements, Event 1, Inc. will pay to the host institution/conference, sponsoring agency or its assigned vendor, a commission equal to 20% of sales net of taxes and credit card service fees. The host institutions will keep commissions earned and the remaining money owed to Event 1 must be sent within 7 days of the conclusion of the event.

The host institution/conference may not sell or allow for sale any merchandise that infringes upon the exclusive rights of Event 1, Inc.

**Institutional Merchandise.** A buy-out option can be made with Event 1/NCAA when the host institution/conference wants to sell merchandise that features the host mark or logo at the NCAA competition. This can only be done when the host institution/conference agrees to purchase the entire product that Event 1 provides. The host institution/conference will receive a 20% commission fee of net sales, gross sales minus credit card fees and taxes, on product supplied by Event 1. The host institution or official vendor will provide the NCAA 15% of sales (net of taxes and credit card service fees) of all non-NCAA championship merchandise. The quantity of NCAA merchandise available for sale shall not be less than a comparable shipment to a comparable site of the previous year’s championship.

**Reordering Process.** The host institution/conference may contact Event 1 to place an order for additional merchandise during the event. The concessionaire must contact Event 1 no later than the conclusion of each day to evaluate inventory levels. The more time Event 1 has to react to the request, the better the chance a reorder can be processed and shipped in a timely manner. Event 1 cannot guarantee that additional merchandise will be available.

**Event 1 will provide an event manual, which will include the contact information for the event coordinator assigned to the event as well as additional merchandising guidelines.**
SECTION 5 – Championships Marketing

Contacts.

The host institution/LOC should designate a marketing contact or marketing team for the championship. This person should be familiar with marketing strategies that have worked in the community where the championship will be held to sell tickets and drive attendance. It is the primary responsibility of the marketing contact to work closely with the NCAA Championships Marketing contacts to create and implement the championship marketing plan. While many host institutions may have a marketing contact in the athletic department, this individual may also be from the local organizing committee, convention and visitor’s bureau, sports commission or a combination thereof. Contact information for the designated marketing contact(s) should be submitted through the Key Contact portion of the Host Reporting System.

Expectations.

- Know the marketing budget. The NCAA championship tournament manager on your campus or the NCAA Tournament Operations point person can communicate your marketing budget.

- Develop marketing goals. The primary focus should be driving ticket sales and ancillary event attendance at the championship.

- Map out the timeframe to market the championship.

- Determine how to best use the marketing materials provided by the NCAA.

- Establish grassroots initiatives to implement in your local and regional communities.

- Explore opportunities with traditional media (print, radio and television) in your area.

Marketing Plan.

Host institutions/conferences shall establish a marketing plan in coordination with the NCAA Championship Marketing contacts. All marketing plans, marketing budgets and collateral must be approved by the NCAA Championship Marketing contacts prior to implementation.

Social Media Guidelines.

NCAA Social Media Guidelines for Championship Hosts
Updated 02/15/20

The official NCAA social media pages and official hashtags can be found here: bit.ly/NCAASocialAccounts.

Host Promotion of Championships
Most hosts already have an established presence in social media. Examples are school, LOC, Sports Corporation, venue or city pages/accounts. These pages/accounts are all acceptable places to promote the hosting of an NCAA championship through the use of marketing messages and products supplied from the NCAA (links, web banners, flyers, etc.). The NCAA also promotes the championships (and the host involvement) on the appropriate NCAA social media pages/accounts. If the championship does not have an official NCAA page on a social media site, a host is not permitted to create a page for it. The NCAA will make efforts to promote this championship on the other established pages/accounts, as necessary. Collaboration is encouraged through the use of cross-posting on Facebook (@ linking within text to drive fans to each other’s pages) and mentions on Twitter (@ links to show coordination in posts). In addition to collaboration, idea-sharing is also encouraged and can be coordinated through the Championships Associate Director of Social Media, cdion@ncaa.org.

REMINDER:
A host should not create a social media account or page (Facebook page, Twitter feed, Instagram, Snapchat, Tumblr account, etc.) solely devoted to promoting an NCAA championship. These pages become outdated, distract fans from established pages and fracture the NCAA message.

Please send direct questions to Chris Dion, cdion@ncaa.org, or send ideas or news to the general box, socialmedia@ncaa.org.

**Applicable Marketing Bylaws.**

**NCAA Division I Bylaws - Pertaining to NCAA Championship Promotions**

In the event the venue has food and beverage branding that is competitive with the NCAA’s official corporate partner, such branding shall be covered at the venue or LOC’s expense.

The NCAA and its designated representatives shall have the right to bring in a restaurant and/or food/beverage category partner(s) (i.e., official NCAA sponsor in the restaurant service, food and/or beverage categories) that will have the ability to distribute and/or sell any size or type of
food or beverage. The restaurant, food and/or beverage category partners will not be subject to any sampling restrictions and will retain the revenue from their sales.

The NCAA and its designees shall have no obligation to make any payments to the venue or its concessionaire or any third parties regarding sampling or NCAA restaurant, food and/or beverage category partner sales, or other sales or giveaway by the NCAA or its sponsors or other designees. For clarity, this clause shall apply to the primary NCAA fan festival venue and all adjacent and related areas.

a. **Senior Event Coordinator.** The selected venue shall provide one person to serve as the primary point of contact for the NCAA and/or their designated NCAA fan festival production agency. This person’s responsibilities may include, but are not limited to: regular conference calls with the NCAA and the NCAA fan festival production agency, procuring local permits and approvals, arranging local labor, arranging advance shipping options, providing food and beverage vendors, recommending best uses of available space and developing security plans. Primary oversight of the NCAA fan festival will be handled by the NCAA and its designated production agency, however, the venue’s senior event coordinator will play an important role in shaping the event to meet the unique needs and opportunities of the facility.

b. **Local Production Manager.** The local organizing committee shall provide one person to serve as the primary point of contact for the NCAA and/or their designated fan festival production agency and to serve as a local production manager for the fan festival. This person’s responsibilities may include, but are not limited to: procuring the appropriate space, regular conference calls with the NCAA and the fan festival production agency, providing local celebrities and entertainment options, coordinating host displays, coordinating transportation and/or signage guiding fans to the event, and serving as the primary conduit of fan festival information to and from the local organizing committee and host facility. 4. **Merchandising.** The NCAA, or its designee, shall have the exclusive right to market and sell products licensed by the NCAA and will administer all souvenir merchandising within the contracted space. The NCAA and its designee shall have no obligation to make any payments
to the venue or its concessionaire or any third party regarding merchandising or other products.

5. Advertising.

a. No promotional, public relations, political, marketing, sponsorship, advertising or similar activity shall take place at the NCAA fan festival venue area during the time the venue is leased to the NCAA without the express written advance approval of the NCAA. 6. Promotions and Community Awareness. The LOC, at its expense, shall work in cooperation with the NCAA and/or its designees to market and promote the event in the local community through a comprehensive cross platform marketing, public relations, digital and media campaign. All LOC promotional efforts shall be subject to the NCAA’s advance review and approval, which may be granted or withheld in its sole discretion.

7. Parking. The NCAA requires complimentary space for visitor, staff, contractor and delivery parking.

a. Tractor-trailer and Box Truck Space. Space for several tractor-trailers and box trucks to load-in, load-out and, if necessary, park will be provided at the facility at no cost to the NCAA. Since certain tractor-trailers and box trucks may be used as part of a permanent

Additionally, the NCAA shall determine in its sole discretion whether alcohol will be sold or distributed at ancillary events. The venue, LOC and/or caterer shall be responsible for any permits unless otherwise directed by the NCAA.

10. **Content Rights.** The NCAA and/or its designee shall have the exclusive rights to produce, capture, reproduce, display, broadcast and otherwise use and distribute all images, photographs, data, footage, information and other content on and of the venue from the NCAA fan festival and all other related events (Content) on all existing and future media outlets and platforms, including, but not limited to television, radio, Internet and mobile/wireless (and the NCAA and its designees shall not be required to pay any fees or other compensation to the venue, the LOC or any other parties with respect to the Content). The NCAA and its designee shall have the sole right and authority to designate usage of all radio and Internet broadcast, television and other media broadcast space and press locations and work areas. Except to the extent otherwise expressly agreed in writing by the NCAA, the venues and the LOC shall have no license or other rights in or to any Content, and to the extent any Content rights vest in the venue or LOC (e.g., via operation of law), the venue and LOC agree to assign all such rights throughout the world to the NCAA in perpetuity.

11. **Public Performance License.** The venue shall secure and maintain in place at its cost all music public performance licenses, permits and/or ordinance exemptions necessary to cover all music performed or otherwise played at the venue.
12. **Weapons/Firearms.** The venue and LOC shall ensure that subject to applicable law, the NCAA shall be permitted to prohibit the possession of firearms, guns or weapons of any kind and remove anyone from the venue who fails to comply with such prohibition. NCAA and its designees will be permitted to post signage and other written communications, and make related verbal communications, at each entry or exit point of the venue for the purpose of informing patrons and other individuals that firearms are not permitted in the venue.

### Logos.

The NCAA owns and controls all rights and interests in its name, logo, seal, trademarks and service marks. Use of these marks is prohibited without advance written approval by the NCAA. Host institutions/conferences should review information outlined in NCAA Bylaw 31.6.1. Only official NCAA Corporate Champions/Partners (CC/Ps) and licensees are permitted to use NCAA marks and logos in commercial advertising and promotions, unless written approval is provided by NCAA Marketing. All and any proposed commercial advertising and promotions, if not by a CC/Ps, must be reviewed by NCAA Marketing staff prior to approval and production.

### Student-Athlete Grocery Card.

A banquet or informal social (for coaches and student-athletes) has been eliminated for the NCAA Division I Wrestling Championships. This event has been replaced with grocery store gift cards and/or food items that will be provided to the head coach at registration. The value of the grocery gift card and/or food items for each qualifier should be $20 – $30. These gift cards must be used during the week of the championships at a local grocery store that is in close proximity to the team hotels. The maximum per person limit is $30 (including taxes and gratuity). Any unused balances on any issued grocery gift cards should be reflected on the final financial report.

### In-Venue Entertainment.

NCAA championship hosts are encouraged to explore in-venue entertainment options during the championship to keep fans engaged, excited and to enhance the atmosphere for both the fans and student-athletes. Various potential areas of in-venue entertainment and the guidelines associated with them are discussed below. Please discuss any forms of in-venue entertainment you would recommend with your NCAA staff game presentation contact for suggestions and approval.

#### Break in Action Contests or Promotions

Hosts should consider continuing regular season halftime/quarter break/timeout contests and promotions or creating new, unbiased or non-sponsored versions of these promotions to use during NCAA championships. Entertainment can also include local performance groups or youth scrimmages. Guidelines and ideas for consideration:

- Must not include any commercial recognition (unless approved/provided by an NCAA corporate champion, partner or official equipment supplier and signed off by a member of the NCAA Corporate Relations staff).
- Must be appropriate and in good taste.
• Must fit safely within given time constraints with no chance of interfering with the competition.
• Must not negatively impact the championship playing surface in anyway.
• No links or resemblance to gambling.
• Participants must be randomly selected.
• No bias toward or against any participating team.
• Campus and venue rules must be considered when developing the contest or promotion.
• NCAA championship merchandise purchased by the host (e.g., extra volunteer apparel, committee or contributor gifts, items or certificates purchased from Event 1) make good prizes for these contests as prizes with commercial recognition would not be permitted.

**National Anthem Singers**
Hosts are encouraged to explore their resources to bring in local, regional or even nationally recognized celebrities or groups to sing the national anthem (e.g., state beauty pageant winners, recording artists with strong local ties, famous local choir groups or bands). Guidelines and ideas for consideration:
- Local groups or personal contacts who could provide this service at no cost are recommended.
- No bias toward or against any participating team (e.g., performers should not wear the apparel of a participating team).
- A brief description and “thank you” for the performing group or individual may be incorporated into the script, but no commercial recognition, sponsorship, sales or recruitment messages should be included.
- Anthem should take two minutes or less to perform, however please build extra time into the script for introduction and placement of the color guard (if applicable), and introduction/applause for the performer.

**Enhanced Team Introductions**
Examples of this could include: using special music or video introductions provided by each team, smoke machines or on-field fireworks, inflatable tunnels, youth athletes forming a tunnel or holding hands with student-athletes as they are introduced, local or school bands playing, etc. Guidelines and ideas for consideration:
- Must be appropriate and in good taste.
- Must fit safely within given time constraints with no chance of interfering with the competition.
- No bias toward or against any participating team and should be equally executed for all participating teams.
- Should be discussed with the NCAA game presentation contact in advance.

**Musical Entertainment**
Participating school bands will be scheduled into the overall championship presentation when they are available. When they are not, the host institution marching band, other school bands or local bands may be appropriate for entertainment during pre-game, halftime or other breaks in the action or for greeting fans in the stadium entrance or other congregating area.

**Affiliated Award Recognitions**
If appropriate, national award winners for the given sport who are in attendance but not competing at the time of the scheduled recognition may be awarded on field during NCAA championships (e.g., Elite 90 award winner, coaches’ association player of the year winner, coach of the year, etc.). Please consult with the NCAA game presentation contact to determine appropriateness.

**Military Involvement**

The NCAA is supportive of inviting the military to participate at NCAA championships if their involvement enhances the championship experience for student-athletes and fans while at the same time honoring the military in an appropriate and unobtrusive manner. At many NCAA championships, local or national military groups have been arranged by the host to perform pre-game, during halftime or other breaks in the action. These performances have included, but are not limited to: national anthem performances (military singer, instrumentalist or band), color guard, presentation of large flags, fly-overs, parachute teams, precision drill teams, eagle releases around the national anthem, reunions of troops returning from overseas with their families, honorary recognitions, etc. Please discuss any forms of military involvement which you would recommend with your NCAA game presentation contact for approval.

**Guidelines**

- Involvement from military groups often requires substantial government paperwork. Fly-overs and parachute jumps will also require FAA approval to be handled by the host. Please allow adequate lead team to coordinate.
- Involvement from national touring military groups such as the Air Force Wings of Blue or Army Golden Knights may require costs of travel such as hotel rooms, per diems, rental vehicles and even air travel if a military transport cannot be arranged.
- Host connections with local military bases may be more cost-effective in arranging military involvement.
- No messages about military recruitment should be incorporated into on-field performances.
- General messages paying tribute to all military personnel and thanking the particular military unit which has performed are encouraged (e.g., “Ladies and gentlemen let’s give a big round of applause for tonight’s performance from the United States Air Force Heartland of America Band… and for all of the American service men and women who they proudly represent.”).
- Request for any type of presence on-site (e.g. booth space, interactive elements, inflatables, giveaway items or space within an NCAA fan festival) is not permitted unless discussed with your NCAA game presentation contact who would in turn discuss with the NCAA corporate relationships team.
- Campus and venue rules must be considered when developing the presentation.
- All performing or volunteering military groups should be provided complimentary access to watch the championship before or after their presentation if possible. Please discuss this with your NCAA game presentation contact.
- When several military groups are in attendance and recognized during one game/session of a multi-day championship, you may want to consider a theme night “Military Appreciation Day/Night.” This should be discussed with your NCAA game presentation contact. Marketing should also be involved if you do a theme night.

**Public Address and Text Board Scripts.**
The public address announcer scripts allow game management to keep the flow of the championship moving through the communication of important information to those in attendance. Communicate with your NCAA championship liaison, NCAA game presentation contact and VWSE personnel to secure a PA script and run of show for the championship you are hosting.

**Video Boards.**

The NCAA will provide video board content to sites that have such capabilities. The video board content is important to the overall championship experience for student-athletes and those in attendance.

Questions related to video board content logistics should be directed to:

Fred Bowen – Senior Producer  
Van Wagner Sports & Entertainment, Inc.  
Telephone: 574-807-5287  
Email: bowen@vwbsn.com

**Electronic Messages.** No host or venue specific electronic messaging or video board advertising may be displayed during NCAA championships, other than those messages promoting the championship and information provided by the NCAA and Turner/CBS. This includes promotion of upcoming events at the championship site. All messages must be approved in advance by the championship staff liaison.

**SECTION 7 – Commercialism/Contributors**

**Space Requirements.**

**Activation of Corporate Champion and Corporate Partner Program.** The NCAA may request/require that certain areas of the competition site be made available for use by NCAA Corporate Champions or Corporate Partners (CC/Ps) for the purpose of marketing/promotional events/activities. If such requests are made, the host institution will provide requested space or similar accommodations.

**Local Organizing Committee Hospitality.** If approved by the NCAA, the Local Organizing Committee (LOC) has the option to host specified events during the championship. Commercial identification of any kind at any LOC function is prohibited unless specifically approved by the NCAA. The NCAA must approve all uses of NCAA logos, names, or other graphics (including school logos). The LOC shall submit detailed proposals (e.g. location, date, time, food and beverage, entertainment, budget), to the NCAA for review and approval at least 60 days in advance of the event. Any such events conducted are conducted at the LOC’s expense.
**Other Functions.** To enhance the experience for participating institutions, fans, and alumni during NCAA championships, the NCAA (in conjunction with a third-party agency) may facilitate an official hospitality program in or outside of the competition site.

---

### Premiums Guidelines.

Competition Venue shall provide to the NCAA a set of guidelines, similar to those outlined below, that identify items that are not permitted in the venue no fewer than 120 days prior to the first NCAA championship related event. The NCAA will then utilize and share that information with its NCAA Corporate Champions and Corporate Partners.

- **Laser Pointers.** No Laser pointers of any kind.

- **Noisemakers.** Artificial noisemakers of any kind including but not limited to, air horns, electronic instruments, inflatable noisemakers, etc. are not permissible. Facility personnel are responsible for confiscating prohibited items at the entrance points or removing such items from the facility. Megaphones may be used for voice amplification, but they shall not be used as a distraction.

- **Promotional Items.** Promotional items (e.g., cups, shakers, flags, etc.) with commercial slogans or identification are not allowed on the premises. Items such as newspapers, handbills, flyers, memorabilia, t-shirts, caps, etc., except products sold/distributed by the NCAA or its agents, may not be distributed on the premises.

- **Signs, Flags, Banners.** Large signs, flags or banners are not permissible. It is the facility personnel’s responsibility to confiscate all prohibited articles. Items that can be held by one individual, reflect good sportsmanship and do not block the view of other ticketed patrons may be permitted. In no case may a sign, flag or banner be affixed to the facility.

- **Video Camera/Still Camera Policies.** Ticketed patrons shall not bring video equipment into the facility on game days. Still cameras with a lens no longer than four inches are permissible on any day.

---

### Apparel.

The NCAA will coordinate ordering and production of the apparel through the NCAA volunteer apparel program. MainGate has been selected as the official NCAA volunteer apparel provider for all 2020-21 championships.

---

### NCAA Corporate Champions and Partners Program.

The NCAA Corporate Champions and Corporate Partners Program (i.e., corporate sponsors of the NCAA), managed by the NCAA along with Turner and CBS Sports, authorizes the exclusive rights to license NCAA trademarks, tickets and taglines in commercial promotions with respect to the NCAA championships.
The host shall not solicit or permit involvement by any corporations or entities whose products may be in competition with any of the NCAA corporate champions or corporate partners. All proposed commercial involvement must receive prior approval of the NCAA.

NCAA Corporate Champions and Corporate Partners are dedicated to emphasizing the role of athletics in higher education, support all 90 NCAA Championships and are granted a wide variety of benefits, including certain category exclusivity around use of NCAA logos, trademarks, designations and championship tickets.

For more information and a current list of corporate champions and partners, please click on the following link: NCAA Corporate Champions & Partners

**Local Contributor Program.**

Currently, local non-CCP corporate entities are not permitted to utilize the NCAA’s registered marks, logos, tickets, name or references to the championship in a promotional/commercial manner. If a host institution/conference has an interest in using value-in-kind contributors, the contributor plan must be approved in advance by the NCAA Corporate Relationships staff. The LOC is permitted to involve a local contributor in the championship only as a sponsor of LOC activities or as a ticket package purchaser (pending NCAA approval of said local entities and approval of the arrangement).

Local contributors may only be referred to as “local contributors of the LOC”. Local contributors may not use the word “official”, “official sponsor of”, or “corporate champion/partner” in any manner. Local contributors will not receive any in-venue or on-site recognition/branding/exposure, with the exception of small signage in private hospitality locations; in the souvenir (print or digital) game program, and/or additional digital advertisement space. In being recognized, these local contributors must be referenced as supporters of the local organizing committee, and not of the NCAA. Any recognition, branding and/or exposure creative must be submitted to the NCAA Corporate Relationships staff for review and approval.

Local contributors may be provided an opportunity to purchase an advertisement in the souvenir game program, provided the corporation is not a competitor of any NCAA Corporate Champion. All advertisements must be submitted to the NCAA Corporate Relationships staff for advance approval. As noted above, local contributors who purchase an NCAA-approved ticket package may not receive recognition of any kind without the advanced approval of the NCAA staff.

**NCAA Trademarks.**

NOTE: These general guidelines do not include merchandise designs. All product designs must be submitted through the NCAA’s licensing program administered by the Collegiate Licensing Company. Inquiries should be directed to the NCAA licensing staff. Click here for more information about the NCAA licensing program.

1. ALL uses of NCAA trademarks or logos must be submitted to the NCAA for approval.
2. Click here for the most current list of NCAA licensed or owned trademarks.

3. Downloads of NCAA logos may be obtained through the NCAA Digital Library.

4. The NCAA's position on inclusion of ® and ™ marks is first and most prominent use. The location of the trademark and how it is used is the primary factor in determining if a trademark symbol should be included in text. If the protected logo location is prominent and the primary focus on the page or product design, an ® or ™ in the text is not necessary. However, if the logo location is placed lower on the page or is secondary to the message being delivered, an ® or ™ in the text or header (first use only) should be inserted.

In the case of NCAA Women’s Final Four, an ® is required after NCAA and after Women’s Final Four. The NCAA owns "NCAA" and "Women’s Final Four", but "NCAA Women's Final Four" is not a registered mark in itself: NCAA® Women’s Final Four®.

To further expand, if the NCAA primary logo, which displays the registered mark, is used in a prominent position; NCAA Women's Final Four would require an r-ball only after the Four because the NCAA has already been identified as a registered mark. NCAA Women’s Final Four®.

5. In radio and television advertising, NCAA should only be pronounced as N-C-A-A or N-C-double-A. It should not be referenced as “N-C-two-A” or in any other fashion.

6. Official names cannot be changed or abbreviated unless specifically trademarked (Final 4, F4).

7. There may be no registration of or use of NCAA marks within Internet domain names unless advance approval from the NCAA is secured and ownership of the URL is maintained by the NCAA. Such use of NCAA marks in Internet directories is prohibited; however, members may use an NCAA mark within a member URL, provided such NCAA mark does not appear in the domain name portion of the URL. By way of example, members may use the following URL: www.memberx.edu/ncaa.

**Identification of commercially-named venues on NCAA materials**

- For the purposes of providing information about and promoting the location of an NCAA championship, the venue/competition site of any round of NCAA championships can be printed, in text-only, on any and all pertinent materials bearing NCAA marks (subject to NCAA approval of the graphics).

- The logo of a commercially-named venue cannot be used on any materials bearing NCAA logos or trademarks.
The venue’s name and information (without use of logos) will also be included on the dedicated website that the NCAA will provide to sell tickets.

**NCAA logo use by commercially-named venues**

For the purposes of providing information about and promoting the sale of NCAA tickets, the venue/competition site of any round of NCAA championships is permitted to display (subject to NCAA approval of the graphics) the championship site-specific logo as recognition of the event being held in its facility. The NCAA logo must be in the form of a link to a dedicated web page that will be established and/or assigned by the NCAA championship administrator to sell the NCAA tickets.

The following conditions apply to this NCAA logo use:

- The NCAA championship site-specific logo can be used by the venue to communicate the NCAA event as one of the variety of upcoming events at the facility. The NCAA logo must be used only once and only as a part of a group of other logos of events being held at the venue.
- The one-time logo use is limited to the site’s “home web page” or “event web page”.
- The NCAA logo must be placed in a location on the venue’s web page so that there is clear and defined separation between the NCAA logo and any other commercial logos (including that of the commercially-named venue). [This is because NCAA Corporate Champions/Corporate Partners and CBS/ESPN have graphic exclusivity in the use of NCAA logos and marks.] Logos of the venue’s or the website’s advertisers/sponsors may be used on the home/event web page even with the NCAA’s championship site-specific logo on the same page if those commercial entities are clearly separated from the NCAA logo (e.g., are on a different colored background and are located at the bottom of the website page).
- The venue is not permitted to claim to be “the home”, a host or co-host of any session of the NCAA championship.
- The logo provided by the NCAA championship staff cannot be modified in any way.
- ALL uses of NCAA logos must be submitted to the NCAA staff for approval.

**NCAA tradmarked protection language:**

NCAA trademarks benefit from consistent “source identification” to the public through basic legal language attributing ownership.

The legal statement should be used on “printed” materials of all types for all NCAA trademarks, except where there is agreement by key staff stakeholders that aesthetic or space limitations prevent legal language. The legal statement is NOT required when the NCAA blue disk or the word NCAA is used alone and part of NCAA-produced materials without any of the conditions below.
• Printed items that display logos of other business entities/organizations (i.e., corporate champions/corporate partners, network partners, official suppliers, official licensees, local organizing committees and NCAA members).

• Printed items that are produced to be “used” by other business entities/organizations including NCAA members and host institutions.

• Printed items produced for advertisement/promotional purposes (i.e., magazine and newspaper ads, NCAA souvenir publication ads, posters, newsletters.)

The NCAA requires protection language as outlined below. This does not have to be prominently displayed language and is expected to be included as some form of “mouse print”.

The examples below are written only to represent the most typical examples. If you are unsure of exact wording for a specific example, please contact Anne Clendenin at aclendenin@ncaa.org or 317-917-6643.

For blue disc and/or secondary (word) mark, please use:

• NCAA is a trademark of the National Collegiate Athletic Association.

For blue disc/secondary marks plus another NCAA trademark, please use (for example):

• NCAA and March Madness are trademarks of the National Collegiate Athletic Association.

• NCAA, NCAA Sweet Sixteen and Road to the Final Four are trademarks of the National Collegiate Athletic Association.

For Blue Disc/Secondary marks plus another NCAA trademark used with other authorized business entities, please use (for example):

• The NCAA, March Madness, Men’s Final Four and Women’s Final Four are trademarks owned by the National Collegiate Athletic Association. All other licenses or trademarks are property of their respective holders.

NCAA Licensed Trademarks:

College World Series and Women’s College World Series: The NCAA is the exclusive licensee of these marks, registered by Major League Baseball, in connection with the NCAA Division I Men’s Baseball Championship and the Division I Women’s Softball Championship.

All other licenses or trademarks are property of their respective holders.

Advertising/Signs/”Look and Décor.”

a. **Advertising/Banners/Signs/Displays.** The host shall not permit advertising, marketing identification, banners, signs or displays of any kind to be hung, posted or displayed anywhere within the general public seating/viewing area of the competition, practice and/or ancillary event venue(s) (i.e., any place that can be seen from the playing surface or seats), including the scoreboard and the playing surface prior to or during the conduct of the championships, other than NCAA, media partner or NCAA corporate champion/partner branding/recognition (e.g., signage, banners, scoreboards, LED scorer’s table, video board, ribbon board, PA announcements) approved by the NCAA. For more information on the NCAA Corporate Champions and Partners program, please see page 30). Any permanently-affixed (or previously leased) advertising banners, signs, cup holders, select equipment bearing corporate marks (e.g. TV’s, computer monitors, stats monitors or displays), product/exhibit displays (e.g. car displays, branding exhibits/kiosks, etc.) shall be covered with décor elements or other NCAA directed elements by the competition, practice and/or ancillary event venue(s) and at the expense of the venue(s) as specified by the NCAA, including costs of production and installation and strike. Similarly, for any surrounding areas/facilities that are to be used by the NCAA for official events, no advertising, marketing, identification, banners, signs, decals, sampling, distribution or displays of any kind shall be hung, posted or displayed anywhere within those areas unless authorized by the NCAA. All professional signage/marks/pennants/banners/retired numbers/etc. may continue to be displayed. NCAA staff representatives have the discretion, during their site visit or when on-site in advance of the tournament, to have the building staff remove a sign/banner. Collegiate championship banners or those with retired numbers of collegiate
performers can remain. All usage of marks must follow NCAA brand guidelines and must be approved by NCAA staff in advance.

b. **Alcohol/Tobacco/Gambling.** All tobacco and gambling advertisements/corporate identification on the concourse level competition, practice and/or ancillary event venue(s) must be covered as specified by the NCAA. All other advertisements/corporate identification in the noted areas must, at a minimum, not be backlit unless otherwise authorized by the NCAA. Alcohol advertising within broadcast view or viewable by game attendees in the competition venue must be covered at the expense of the host or venue. Any alcohol branding that is not viewable from within the bowl does not need to be covered, whether in the concourse or in ancillary venues.

c. **External Signs.** All exterior venue corporate signage, other than professional franchise identification, must be covered as specified by the NCAA and must be covered with décor elements as specified by the NCAA at the expense of the competition, practice and/or ancillary event venue(s).

d. **Commercially-Named Venues.** Commercially-named competition, practice and/or ancillary event venue(s) may display no more than two pre-existing interior signs consisting only of the competition, practice and/or ancillary event venue(s)’ name at the top of the venue, with placement designated by the NCAA. The competition, practice and ancillary event venue(s) signage design and placement must be approved by the NCAA. If the commercially-named competition, practice and/or ancillary event venue(s) is an existing NCAA Corporate Champion or Corporate Partner, the NCAA, in its sole discretion, may allow additional branding of the commercially-named venue(s).

e. **Covering existing signage/product branding.** In regard to any signage that is to be covered in accordance with these bid specifications, the practice, competition and/or ancillary event venue(s) shall not limit or prohibit the ability of the NCAA to use signage or other elements of its own third-party designees in covering such existing signage/product branding.

f. **NCAA Corporate Champion and Partner Branding/Recognition.** The NCAA shall have the right to display branding/recognition (e.g., signage, banners, scorer’s table, video board, ribbon board, PA announcements, inflatables, projections, kiosks, decals, window clings, lighting, street teams, logos, etc.) for the Association, its corporate champions & partners and media partners inside and outside of the competition, practice and/or ancillary event venue(s). These locations, include but are not limited to the concourse, within the competition bowl and venue exterior without limitation.

g. The NCAA shall provide the competition venue with the appropriate stickers/field stencils for the approved playing surface markings for the championship.

h. If facility approves, patrons are permitted to bring in small signs (signs which can easily be held by one person and cannot block the view of anyone seated around them), as long as any writing or slogans on them are in good taste. In addition, it is permissible for patrons to bring
in non-noise-making items (in compliance with NCAA and facility premium guidelines) as long as they do not include any (non-CCP) commercial identification.

i. At no charge, the NCAA will have full access to, and control of, any and all LED and other digital signage inventory, both internal and external to the competition venue. This includes TV monitors, video screens, video walls, LED fascia, and all external signage, digital or otherwise. This includes any and all digital inventory to be made available at the time of the championship, inclusive of any inventory that may be added by the venue after this bid document is signed.

**SECTION 8 – COVID-19/Drug Testing**

The NCAA is dedicated to fair and equitable competition throughout each round of NCAA championships and strongly supports the drug-testing program established by its membership, to safeguard the health and safety of the participating student-athletes.

**Drug-Testing Expenses.**

The NCAA Championship Drug Testing Proposed Budget should be completed and submitted to Drug Free Sport, International (Drug Free Sport), before the start of competition, if drug testing will occur at the site. The host institution shall submit the NCAA Drug-Testing Invoice upon completion of the championship for expenses related to drug testing. Receipts must accompany the invoice to receive reimbursement. The proposed budget and invoice are in the championship site coordinator manual.

NEW: Any collection, administrative and laboratory fees for drug tests (as requested by institutions or championship officials) that are not included in the approved championships drug testing plan will be invoiced to the institution.

**COVID-19 Testing.**

The host shall secure a space of at least 1,000 square feet to be used to conduct COVID-19 testing. The space must be large enough to accommodate 10 testing stations that are socially distanced with at least 8” between each station.

**Facility Specifications.**

Hosts must identify a room where drug testing will be conducted. The area must have controlled access. Only those authorized by the DCO will be allowed in the area. The room must accommodate the drug-testing crew and selected student-athletes. Fully equipped restrooms must be adjacent to or in close proximity to the testing room. Separate restroom facilities are required if the championship includes both genders. These restrooms must be secure and only available for drug-testing use.
Host Notification.

Drug-testing information must be kept confidential and provided only on a “need-to-know” basis. If testing is to be conducted at the site, the tournament manager and site coordinator will be contacted by Drug Free Sport.

The tournament manager and site coordinator will be notified no earlier than 30 days before the start of the competition as to whether testing will be conducted.

Media Obligations.

At individual/team championships, student-athletes who are selected for drug testing must fulfill all media obligations before reporting to the drug-testing venue.

Participant Notification.

Championship management staff is not permitted to make any announcement in advance or otherwise as to whether or not drug testing will be conducted at its championship site. All coaches and student-athletes should presume that post-event NCAA drug testing will occur at the championship event.

Couriers will notify student-athletes of selection for drug testing.

Seating.

At championships, escorts and the drug-testing crew shall sit in the non-playing participant or overflow media seating areas on the days when testing occurs.

Site Coordinator’s Responsibilities (Host).

The tournament manager is responsible for designating an individual, who has no other responsibilities in conjunction with the championship, to serve as the site coordinator for drug testing. This individual will work closely with Drug Free Sport and the DCO. The site coordinator’s responsibilities are outlined completely in the site coordinator’s manual.

- **Confidentiality.** Keep testing information confidential at all times.

- **Contact Information (team championships).** The site coordinator will provide official travel party roster and the team drug-testing representative’s contact information to the DCO.

- **Couriers (individual-team championship).** The host will provide couriers to notify student-athletes of their selection for drug testing immediately after the event for which they were selected. The courier must stay with and accompany the student-athlete to the drug-testing area within 60 minutes of notification, unless directed otherwise by the DCO.
• **Championships Drug-Testing Site Coordinator Manual.** The Championship Drug-Testing Site Coordinator Manual is available on the NCAA website at www.ncaa.org/drugtesting.

• **Escorts (team championships).** Two individuals (one per team) shall be assigned to serve as escorts for each game in which drug testing will occur. These individuals shall escort selected student-athletes and an institutional representative from the locker room to the drug-testing area.

• **Fluids.** A sufficient supply of individual cans or bottles of non-alcoholic and non-caffeinated fluids (e.g., bottled water, fluid replacement drinks) shall be available for distribution in the drug-testing area to student-athletes, as designated in the site coordinator’s manual. These supplies should be obtained from the supply of beverages provided by the NCAA.

• **Meeting with Tournament Manager.** The site coordinator will meet with the tournament manager to discuss duties and budget development.

• **Second Meeting.** A second meeting shall be scheduled with the tournament manager after the host receives confirmation that testing will take place at a site. If testing will be conducted at the site, the coordinator shall:

  - **Assistance.** Assist the DCO during testing as directed.
  - **Confirmation.** Confirm receipt of the NCAA drug-testing notification memorandum.
  - **Credentials.** Ensure that the host issues All Access credentials and parking passes for the drug-testing crew and other necessary drug-testing personnel. Credentials should not reference drug-testing, doping control, etc. If an affiliation must be listed on the credential, “Games Management” is preferred.
  - **Doping Control Officer.** Contact the Doping Control Officer (DCO) assigned to the site to discuss logistics.
  - **Meet with Doping Control Officer.** Meet with the Doping Control Officer the day prior to the scheduled testing date.
  - **Plans.** Meet with the tournament manager to finalize plans.
  - **Invoice.** Submit drug-testing invoice (with receipts) to Drug Free Sport within 45 days after the championship.
  - **Transportation.** Pre-arrange for transportation for student-athletes to and from the competition venue to the drug-testing area and back to the sports venue or team hotel, should transportation become necessary.

• **Transportation/Lodging (drug-testing crew).** The drug-testing crew is responsible for arranging their own transportation and lodging, but may request the assistance of the site coordinator.
SECTION 9 – Equipment

**Equipment Information.**

The NCAA will provide certain championships relevant equipment (sidelines hydration, competition playing equipment, etc.) on a sport-by-sport basis that must be used in all championship activity. The purpose of the equipment is to hydrate student-athletes for competition. Each championship will receive information from the NCAA pertaining to any equipment that will be provided. Following the championships, each host site will be required to provide the NCAA with a completed inventory sheet (template provided by the NCAA) and pictures for proof of performance.

**Cups, Coolers and Water Bottles.**

Drinking cups, water coolers, ice chests, cooler carts and water bottles should be provided for each scheduled practice or competition of any round of an NCAA championship. Participating teams shall place any premix fluid replacement in the NCAA-issued coolers and water bottles when applicable. Only cups, cans, coolers or water bottles may be used during championships that are provided by the NCAA. If applicable, the host may retain the coolers, cooler carts and ice chests after the competition. Reoccurring host sites are strongly encouraged to use the same equipment the following year unless otherwise notified by the NCAA. Participating teams may retain the water bottles and bottle carriers after the competition.

**Hydration Program**

Coca-Cola will provide a bottled water product (e.g., Dasani), POWERADE powder, and when applicable, POWERADE in bottles. Participating teams and student-athletes in NCAA championships continue to be free to use/consume permissible hydration beverage(s) of their own choice in the NCAA-provided equipment. Equipment carrying any branding other than POWERADE, however, will not be permitted on the sidelines during NCAA championships.

If a championship also receives POWERADE-branded squeeze bottles, they should be provided to student-athletes. Non-POWERADE-branded squeeze bottles brought by teams/student-athletes will not be allowed.

If the host has to provide and/or purchase product for any NCAA championship use (e.g., student-athlete banquet, committee tent/suite, hospitality areas, media areas, etc.), the host must purchase and provide only Coca-Cola products (e.g., Dasani, POWERADE, Coca-Cola, Sprite).

Competitors of NCAA Corporate Champion Coca-Cola may not provide product (beverages, water, isotonic) for any NCAA championship, even if the competition offers product for free or at a reduced cost. The championship budget will cover the purchase of Coca-Cola beverage products.
**Use of NCAA-Provided Coolers from Previous Years**

The host may use previously supplied equipment from the NCAA, specifically POWERADE equipment with approval from the NCAA; however, unless approved by the NCAA (which is often possible) they must be used in areas not within television or photographer view [they may not be used on the sidelines or within the competition area(s)].

If you have any questions regarding any of this information, please contact Anthony Holman (317-917-6929; aholman@ncaa.org).

---

**Mats.**

Arrangements to secure eight 42’ x 42’ wrestling mats will be made by the national office with copies of all correspondence sent to the host institution/conference. The host institution/conference or sponsoring agency should deal directly with the mat company to confirm drop-off/pick-up. These mats will be supplied by Resilite, the official NCAA mat company. The NCAA staff, in consultation with the hosts, will determine the color schematic layout of the various mats.

Please note that Resilite, at its discretion, may supply mats at the warm-up areas for the championships and the Fan Fest (if applicable) or padding for any columns. A conversation must take place with Resilite officials regarding this matter. Other mats for the workout and warm up areas or Fan Fest area can be borrowed from local high schools, if needed. These arrangements are to be made by the host institution/conference. It would be ideal if these were also Resilite mats.

The mats should arrive not later than the Monday prior to the championships and be available for use on Tuesday morning. Individuals from the host institution/conference and sponsoring agency must be available to unload and load the mats.

---

**Table Set-Up.**

The floor must be set according to guidelines determined by the NCAA Wrestling Committee (See Appendix C) and also must meet all specifications as outlined in the 2019-20 and 2020-21 NCAA Wrestling Rules and Interpretations. Each mat must have the following items:

a. Skirted table;
b. Chairs (six per table, three chairs per corner – three red, three green);
c. Towels for wiping down wrestlers;
d. Ankle bands – three red, three green;
e. Pencils/pens;
f. Green and red challenge bricks, red, green and white flags or equivalent;
g. Towels for cleaning mats;
h. Mat tape;
i. Biohazard waste cans;
j. Proper materials (disinfectants, wipes, rubber gloves) for dealing with blood situations (uniforms, skin and surfaces);
k. One emergency stop watches for each table;
l. Main scoreboard clock on corner of each mat with power leading to the clock (NCAA provides);
m. Mat numbers to sit atop each scoreboard, one per table and one per mat (NCAA provides);
n. Mat protectors for corners (red and green) and for all score clocks (48” square padded platform), and;
o. Space for videographer, announcer and medical personnel;
p. Telephone at each mat side table that has direct dial capability to the head table;
q. For the championship matches a 54’ x 54’ two-foot riser shall be secured.

**Control Center.**

Telephone or hand radios must be provided for the members of the games committee, national office representatives and local organizing committee members, as well as communication with each mat and the head table.

It is suggested plans be made in the early stages to ensure the traffic flow and communications. Plans must be submitted to the championships manager not later than three months prior to the championships.

**Championship Brackets.**

The brackets will be supplied by Resilite. The NCAA will coordinate arrangements with Resilite. These brackets will be sent to the champions in each weight class after the championships.

**Carpeting.**

The facility shall provide blue PMS 300, or black, carpeting over the entire floor surface.

**Scales.**

The NCAA has entered into an agreement with Tanita Scales to provide scales for the championships. There will be 14 digital scales provided for the championships, and 10 scales must be used for each weigh-in. The host institution/conference or sponsoring agency will need to work with the NCAA championships manager(s) and Tanita to obtain a technician from the local area to certify the scales on or prior to Tuesday of championships week. Arrangements to secure scales will be made by the national office with copies of all correspondence sent to the hosts. The host institution/conference or sponsoring agency should deal directly with the scale company to confirm drop off/pick up. There is no charge for the use of the scales. If any scale(s) are not returned to Tanita following the event, the host institution/conference or sponsoring agency will be financially responsible for reimbursing Tanita for any missing scales.
Score clocks.

1. **Mat Score Clocks.** Eight mat score clocks are required for the Division I Championships plus one backup, in case of mechanical failure. These score clocks should arrive by Monday the week of the championships. The hosts must have personnel available to assist in unloading and loading of the score clocks. Sufficient electrical power must be available at each mat to operate the score clocks. TrackWrestling, the company providing the score clocks, will assign personnel to remain at the championships to demonstrate operation of the score clock and perform repairs if needed. Please note that the host institution/conference or sponsoring agency must build eight padded platforms (48” square) in which these score clocks can be placed on the mats. The host institution/conference or sponsoring agency should also secure black tablecloth, skirting, or duvetyn to cover the base of the score clock stands and padded platforms.

2. **Team Scoreboards.** The team scores of the top 10 or 20 teams (and possibly even the scores for all teams) should be made visible throughout the championships for the spectators, coaches and participants. This may be displayed on a large scoreboard with rotating information and scores or using an overhead electrical scoreboard. It is important that the team score be visible and attractive. This information also has been displayed in the past on the arena ribbon boards.

---

**Spec Seats, Inc.**

The NCAA will provide 65 chairs with the championships logo for the mat corner areas. The LOC/Host shall be permitted to retain up to 10 chairs. The LOC/Host may also work with the NCAA to sell championship chairs. Any unsold chairs should be sent back to the NCAA office. The boxes should be retained so that the chairs can be placed back in the boxes for shipping.

---

**SECTION 10 – Financial Administration**

**Audit.**

Sites will be randomly selected for financial and box office audits following the championship.

The NCAA will make every effort to notify sites selected for audits within 30 days after the submission of financial reports, but reserves the right to audit a site up to one year after the championship. Receipts for tickets and F&B including alcohol, facility settlements, expense reimbursements and honorariums are subject to change until the audits are reviewed and accepted by the NCAA. If selected for audit, the following documentation will be requested: box office audit reports or sales summaries; ticket purchase invoices or statements; unsold tickets; invoices, contracts or timesheets supporting all expenses; general ledger; bank statements; check
copies and reconciliations; and competition venue rental agreement. The documentation should support all information reported on the host financial report.

**Approval of the Budget.**

As part of the site-selection process, each prospective host must submit a proposed budget for approval by the NCAA. All receipts and expenses associated with the conduct of the championship competition shall be included in the proposed budget. This includes lodging expenses for officials and site representatives, if applicable. The proposed budget must be submitted and approved by the NCAA prior to the first date of competition of the championship. Additionally, best efforts should be made by the host to reasonably forecast expected ticket sales from the given championship.

The host institution is responsible for adhering to championship expenses as approved by the NCAA, including (but not limited to) competition site rental, maintenance, insurance, printing of tickets, ushers, maintenance personnel, ticket sellers, ticket takers, officials, police and security, promotion, publicity, advertising, meetings, banquets, medical staff. Other expenses not included in the original proposed budget must be approved in advance by the NCAA.

It is also incumbent upon the host to understand and remit all necessary taxes related to the sale of tickets to the given championship for sales made by both the NCAA and the host at their given state and locality. All consideration must be given by the host for certain relief of taxes with respect to the NCAA’s not for profit status under 501(c)3 of the Internal Revenue Code. Additionally, certain championships may be required to provide an outside letter of attestation speaking to their tax status provided by an outside CPA/accounting firm.

**Financial Report.**

Host institutions must complete the online financial report, which includes accurately reporting all revenues and expense, and must include payment of the amount due to the NCAA, within 60 days after the final date of competition at the site (if applicable). If requested, the host may be required to provide all supporting documentation to validate the revenues and expenses of their site. As a best practice, hosts are encouraged to upload all appropriate receipts, ticket audits and other supporting documentation to their host report on the “documents” tab as documentation supporting their revenue and expense figures.

Financial reports showing net receipts are not considered complete until payment is received at the national office. Host/LOC that fail to meet the 60-day reporting period will be assessed the following penalties: 60-90 days past due (25 percent reduction in honorarium), 91-120 days (50 percent reduction in honorarium) and 121 days or more (100 percent reduction in honorarium). If there is a shortfall in the funds available to reimburse approved expenses and honorariums, the NCAA will make best efforts to reimburse the host within 5 business days of the report being approved by the NCAA finance and accounting department.

**Drug Testing Expenses**

The budget for drug testing expenses should only be completed and returned to Drug Free

Sport if the host has been notified that drug testing will occur. The drug-testing budget and expenses are separate from the financial report form. The drug-testing budget form is an appendix in the [drug testing manual](http://NCAA.org/Student-Athlete Programs/Health and Safety).  

**Participants**  
The NCAA will reimburse the competing institutions for transportation and per diem expenses in accordance with the appropriate NCAA policies. The competing teams shall be responsible for their local transportation, unless otherwise allowed under NCAA policy. Once the championship is completed, participating institutions should submit online expense forms via the Travel Expense System (TES) to the travel group at the NCAA national office within 30 days of the competition. Please note, that if you host a championship, the submission of per diem and/or transportation reimbursement is a separate process and submission from completing the host budgeting and approval process defined above.

**Transportation**

Transportation. The NCAA shall pay for the rental of cars for a predetermined number of game officials and the NCAA committee representative(s). The championships staff will approve the individual to get a rental car and the individual will need to call Short’s Travel to book.

Local Transportation. The host institution can assist each team in arranging for local transportation. Please reference the NCAA travel policies [here](http://). The Host/LOC shall provide local transportation from the hotel to the HQ hotel as well as back and forth transportation between the HQ hotel and competition venue for officials, NCAA staff, Committee, and VIP’s.

Air Transportation for Teams. If a school is eligible for air transportation, all air travel must be booked through Short’s Travel.

**SECTION 11 – Game/Meet Management**

**Schedule of Events.**

The schedule of events for the Division I Wrestling Championships must be followed. Please contact the championships manager with any questions regarding the schedule. Various meetings must be planned and the National Wrestling Coaches Association (NWCA) also holds functions in conjunction with the NCAA championships.

**Games Committee.**

The games committee will consist of members of the NCAA wrestling committee and the tournament director.
Members of the games committee will be assigned responsibilities for the conduct of the championships. Games committee member’s responsibilities are determined by the NCAA championships manager(s) and/or the appropriate games committee chair.

Expenses for approved members of the games committee are paid by the NCAA.

**Coaches Packet.**

The host institution/conference or LOC is responsible for establishing an area for registration.

The confirmation requires each institution to indicate the student-athletes that are in attendance. The registration desk should tentatively be open noon to 9 p.m., Tuesday, and 8 a.m. to 5 p.m., Wednesday.

A list with all entrants (team roster) is to be made by the host institution/conference or sponsoring agency. On arrival at the site, the head coach or the appointed institutional representative must officially register and verify the entry of the student-athlete(s) of his institution for the NCAA Division I Wrestling Championships. The coach or team representative must verify the entries, and sign for the registration materials.

The coaches packet should include the following:
- Participant credentials (by formula);
- Coaches credentials. (Please see Appendix H for more information on credentials). Each institution is eligible to receive up to a maximum of four complimentary coaches’ credentials, regardless of the number of competing student-athletes. Teams may be eligible to purchase up to two additional credentials for non-coaching support staff for $200 and a maximum of two administrator credentials may be purchased for $200 each.
- Parking passes (if necessary);
- Grocery gift certificates and/or food (in lieu of the student-athlete banquet – maximum of $30 limit per qualifier);
- Medical check/weigh-in information;
- Schedule of events;
- Locker room and or team space assignments and/or directions;
- Information about individual photos of awards ceremonies (awards order form);
- Area and facility maps;
- Other information a host feels is necessary for smooth administration of the championships;
- Meals. Each participating institution is responsible for their meal arrangements; however, the tournament material should include a restaurant list. In the event there is not an adequate number of eating facilities in the immediate vicinity where teams are lodged, consideration should be given for special arrangements through the campus or hotel restaurants. Arrangements should be made to accommodate large groups for late dining.
- Practices. The times the venue will be open for practice is listed in the schedule of events.

**Appeals.**
The NCAA Division I Competition Oversight Committee will not consider any appeal from the decision of a governing sports committee, or a subcommittee designated by it, during the conduct of an NCAA championship or 48 hours immediately preceding the beginning of a championship. During such a period, the governing sports committee or a subcommittee designated by it shall be the final authority in acting on protests concerning the conduct of the championships, subject to the provisions of Bylaw 31.1.1.2 pertaining to individual eligibility questions.

In addition, the Division I Competition Oversight Committee will not consider an appeal of the decision from a governing sports committee, or a subcommittee designated by it, concerning selection of teams or individuals or their assignment in championships competition.

**Video (Matside) Camera Operation Tips.**

The host institution/conference or LOC shall secure matside video camera operators for each competition mat. Quality matside video camera operation is essential for several reasons. The video may be used by the referee to review wrestling action to confirm or overturn calls, as well as correct scoring and/or timing errors. The video will serve as an archive for the competing student-athletes to share their memories for generations to come. Additionally, the video may be used for future rules review and referee training. The following recording tips are very important for the video camera operators to follow.

- Be sure to take footage of the scoreboard prior to the start of the match to include bout number.
- Keep the zoom on the camera adjusted to be able to comfortably keep all wrestling action in view and the bodies of both wrestlers in the frame. If the wrestling action is near the cameras and moving across the mat, the zoom should be pulled back to a wider view. If the action is more stationary the zoom should be pushed in closer to frame the wrestlers as close as possible, but all wrestlers’ bodies should still be able to be seen in the frame.
- It is critical that the camera moves right and left as wrestling moves right and left. The camera operator cannot lose concentration and fail to move the camera to keep all wrestling action properly framed always.
- In-between periods and during some other breaks in action the camera should pan to the scoreboard to record a short amount of footage of the score and time. At no time should this interfere with the recording of the actual live wrestling action. The video camera operator should also record some short footage of the scoreboard after the match prior to the wrestlers being cleared from the mat and prior to the scoreboard being cleared. This footage would also include the bout number.
- Start the video tape recording well prior to the start of the first whistle. Do not turn the camera off except during long time outs. If the camera is turned off during a timeout in a match, the camera operator must remember to turn the camera recording on well prior to the official blowing the whistle to restart the match. This assures that the beginning of any starts is part of the recording.
- When turning the video recording off during long time outs or after the match, be sure to continue to record for approximately five seconds after the last segment you wish to record. After the match, be sure and record the wrestlers shaking hands and record the referee
raising the hand of the winning wrestler. Continue to record at least five seconds after that time. This assures that the important segments and memories are not recorded over in subsequent video recordings. During the later rounds (semifinals and finals) the camera operator may even consider keeping the recording live after the match to capture some of the celebration with the wrestler and coach.

• Again, the video operator should also be sure to record some footage of the scoreboard after the match to reflect the final score.
• Stay alert.
• The scoreboard operators need to be sure to not clear the scoreboard too soon after the match so that video footage can be taken of the scoreboard after the match. Someone from the table can communicate directly with the camera operator to “clear” the scoreboard.
• The assistant referee must remember to keep from blocking the line of sight of the camera if possible. Marking an “X” on the mat near the boundary line may help this.

Video Review Communicator/Crew Chief/Camera Operator.

All championships must have an adequate number of knowledgeable individuals to assist in the conduct of the championships. It is the tournament director’s responsibility to seek out these individuals to assist in the conduct of the championships.

A video review communicator must be assigned for each mat. These individuals will communicate between the head table and the mats and handle any official challenges. This individual will record the official challenge request information and communicate with the head table. These individuals must have wrestling knowledge.

A crew chief to supervise the table, ensure that the bout number, score, match time, riding time, injury time and number of injury timeouts are correct. Serve as a runner and back up scorer, communicator, or timer if needed.

Camera operator to operate the matside camera to record each match. Ensure the camera is synched to the mat side computer and score clock. Ensure that all live action is recorded and include the score clock at the end of each period.

The tournament director or volunteer coordinator should arrange a meeting with the above personnel to review their responsibilities (proper method of scorekeeping and instructions in the use of the clocks). The meeting should be held the Wednesday prior to the start of competition. A subsequent meeting of all the workers should be held Thursday prior to the first session. At this meeting, the head referee or national coordinator of officials will review various officiating procedures and methods. This will also give the timers additional practice in the operation of the clocks prior to the first session.

A shirt may be given to all workers for floor identification.

Medical Care.
1. **Pre-event participation clearance.** The skin examination and weigh-in area shall be a private, secure area. Only official institutional representatives, NCAA Wrestling Committee members, NCAA staff and participants will be admitted to the skin check and weigh-in area. Provisions should be made for appropriate lighting and the necessary facilities to confirm and diagnose skin infections. Media are not permitted at the weigh-ins or medical examinations. All participants must report to all weigh-ins clean shaven, nails trimmed and hair at proper length. A student-athlete may not weigh-in without skin check clearance verification. Failure to complete the pre-event participation clearance requirements during the designated time may result in disqualification. The medical check time will occur in conjunction with weigh-ins (exact time TBD), which are scheduled for each day of competition.

   a. Skin Infection Check: All student-athletes shall be examined by knowledgeable physicians (one of which shall be a dermatologist) and certified athletic trainers for communicable diseases before the competition. The skin check component shall be conducted each day of competition and shall take place at the site of competition at weigh-ins.

      (1) Male student-athletes are required to wear shorts and female student-athletes are required to wear shorts and a sports bra during examinations.

      (2) Guidelines for the disposition of skin infections are located in the [NCAA Wrestling Rules and Interpretations](#) book.

      (3) Medical examiners should examine the skin and hair of all wrestlers.

      (4) All competitors in a single weight class need to be examined prior to moving on to the next weight class. When all student-athletes for a weight class have been examined and the next class is called, that weight class is closed.

      (5) Infectious skin conditions are considered cause for medical disqualification. The decision made by the physician and/or certified athletic trainer “on site” shall be considered FINAL. Please refer to Section three below for more details.

      (6) Skin infection checks end precisely after the last student-athlete has been checked.

b. Games committee members must assign individuals to check for conformance with the grooming rules and fingernail rule.

c. Weight verification: An area must be available all three days, to stage student-athlete weigh-ins. Student-athletes should gather by weight class in the assigned area. Weight classes will then be escorted from the gathering area to the private secure scale area by host institution personnel.

   (1) Equipment. The provision of the following equipment is required.

      • Certified Scales (minimum of 14). Arrangements for the championships finals scales will be made by the national office;
• Weigh-in forms;
• Clip boards (minimum of 20);
• Pens (minimum of 24);
• Public address system with portable microphone;
• Two hand radios;
• Two digital wall clocks (synchronized – one for arena and one for weigh-in area);
• Disposable razors (70);
• Fingernail clippers (minimum of 24).

(2) Personnel.

• One member of the NCAA Wrestling Committee or designee for each scale;
• Weigh-in chairperson from the NCAA Wrestling Committee;
• Scale technician appointed by weigh-in chairperson;
• One volunteer for each scale to record actual weights on weigh-in forms; and
• Dermatologist (present the day prior to competition for a 3 p.m. Eastern time screening and during weigh-ins on all scheduled days of competition for medical/skin checks and weigh-ins).

(3) All personnel other than NCAA Wrestling Committee members, NCAA staff, authorized personnel and the wrestler weighing in must remain outside of the secured area.

(4) Certified scales will be available for unofficial weight checks during the skin checks and up to 10 minutes prior to beginning of the official weigh-in process.

(5) No student-athlete may weigh-in unless he has passed the medical check and the weigh-in sheet has been signed.

(6) Procedure.

• Weigh-ins will begin two hours prior to the first official match on the first day of competition, and an hour prior to the competition for the subsequent day (if applicable).
• Student-athletes should line up by order of competition beginning with 125 pounds. They will be called to the scale one at a time and weighed in by games committee members.
• Student-athletes should line up alphabetically by last name in weight class groups and stand behind a roped-off scale area.
• Once a student-athlete reports to the weigh-in area and is positioned in line at the designated time, they must remain in the area and in line.
• Names must be checked off or initialed on an official weigh-in sheet.
• If a contestant fails to make weight on one of the designated scales, the contestant may step on each additional official scale one time to make weight
immediately after the heavyweight class. The contestant may not leave the weigh-in area. Now, weigh-ins are concluded.

- Weigh-ins will end after the heavyweight weight class.
- Weigh-in results are to be reported as soon as possible for verification.

(7) Duties of host institution/conference or sponsoring agency in conjunction with Weigh-in Coordinator.

- Contact arena personnel and make sure scales are available beginning on Monday.
- Contact approved scale manufacturer to make certain scales are certified and a scale technician will be on hand.
- Contact committee members when they arrive to give assignments for skin check and weigh-in process.
- Contact medical personnel (tournament physician, dermatologist, athletic trainers) at the host institution to ensure they will be on hand for the weigh-ins.
- Make sure all supplies are secured for weigh-ins.
- Keep in contact with bracket chairperson for updated brackets immediately following weigh-ins.

(8) Hospitality. A hospitality area should be set up for the student-athletes from the start of weigh-ins for a one-hour period. This area should accommodate the necessary wrestlers competing in the competition. The following items should be provided: bagels with several different varieties, (no poppy seed bagels); margarine; regular cream cheese; peanut butter; and jelly with plenty of plastic utensils, plates and napkins. In addition, a variety of fruit should be provided (apples and bananas are recommended), granola bars, cereal; and electrolyte replacements (e.g., Coca-Cola products, PowerAde). This area should be equipped with multiple toasters and shall be monitored by volunteer/event staff and is to be used only by the student-athletes competing in the championships. All items should be individually wrapped for single serve and grab and go service.

(9) Research. The NCAA may conduct research on weight management issues in conjunction with the weigh-ins.

(10) Personnel.

- One weigh-in coordinator (NCAA Secretary Rules Editor or sports committee member).
- One certified athletic trainer for each weight class.
- One member of the NCAA sports committee or designee for each scale.
- Scale technician.
- Physician and dermatologist (each scheduled day of competition for medical/skin checks and weigh-ins).
2. **Care and Coverage**: Each scheduled practice or contest of any round of an NCAA championship shall require:

   a. Medical and Treatment Room. An area for medical services (i.e., physician, athletic training, first aid) must be made available to all student-athletes with staff supervision.

   b. Concussion assessment room. A quiet, dark room that can be used to assess student-athletes that potentially sustain a concussion.

   b. The onsite presence of a person qualified and delegated to render emergency care to a stricken participant. *All competitions require the on-site presence of a tournament physician and assignment of a certified athletic trainer to each mat.*

   c. The presence or planned access to a physician for prompt medical evaluation of the situation, when warranted.

   d. Planned access to a medical facility, including a plan for communication and transportation between the athletics site and the medical facility for prompt medical services. *All competitions require the on-site presence of an ambulance.*

   e. Access to a working telephone or other telecommunications device, whether fixed or mobile.

   f. All necessary emergency equipment to be at the site or quickly accessible, including an automated external defibrillator (AED).

   g. Equipment to be in good operating condition, and personnel trained in advance to use it properly.

   h. A thorough understanding by all parties, including the leadership of visiting teams, of the personnel and procedures associated with the medical plan.

   i. The practice of disease transmission prevention techniques (as outlined by OSHA guidelines). The hosts must provide standard procedures and equipment for handling injuries involving blood.

   j. The recording of injury incidence.

3. **Procedure to medically disqualify a student-athlete during an NCAA Championship.** As the event sponsor, the NCAA has valid authority to ensure that all student-athletes are physically fit to participate in its championships and that a student-athlete’s participation will not expose other participants to a significantly enhanced risk of harm.

   a. The NCAA tournament physician, as designated by the host school, has the unchallengeable authority to determine whether a student-athlete with an injury, illness, or other medical condition (e.g., skin infection) may expose others to a significantly enhanced risk of harm and, if so, to disqualify the student-athlete from continued participation.

   b. For all other incidences, the student-athlete’s onsite team physician can determine whether a student-athlete with an injury or illness should continue to participate or is disqualified. In the absence of a team physician, the NCAA tournament physician will examine the student-athlete and has valid medical authority to disqualify him or her if the student-athlete’s injury, illness or medical condition poses a potentially life-threatening risk to himself or herself.

   c. For all incidences, the examining physician should make a recommendation to the student-athlete, the coach and the chair of the governing sports committee, or a
designated representative, as to the advisability of continued participation or disqualification of the student-athlete.

d. The chair of the governing sports committee, or a designated representative, shall be responsible for administrative enforcement of the medical judgment if it involves disqualification.

4. **Medical Forms.** Please see APPENDIX E for various medical forms.

SECTION 13 – Lodging

For all NCAA predetermined championships, Anthony Travel, acting on NCAA’s behalf shall contract hotel accommodations for the participating institutions/student-athlete(s). The contracted hotel properties shall be within 30 miles (30 minutes) of the competition site and be priced at a fair and reasonable market room rate. The selection of a competition site may be dependent on availability and quality of rooms for participating institutions/student-athlete(s). Teams must stay at an NCAA contracted hotel unless otherwise noted. Hosts are no longer required to secure the rooms. Anthony Travel, the official hotel management provider of the NCAA, will solicit, negotiate and contract all hotel rooms at these sites.

Championship participants are mandated to stay at the NCAA’s contracted hotel properties for the event. Any participants staying outside of the NCAA contracted hotel block(s) will not be reimbursed.

The participating institution may use the rooms for persons accompanying the official traveling party.

If an institution fails to make satisfactory arrangements for use of assigned rooms with the hotel, full charges for the rooms will be billed to the institution.

Merchandising
The hotel understands that the NCAA exclusively will have first right of refusal to sell products licensed by the NCAA for merchandising at the selected hotels. If the NCAA executes this right, the hotel agrees to provide space in its lobby, tables, electricity, dedicated phone line and a secure storage location for such sales at no charge to the NCAA merchandising agent. The NCAA guarantees that the merchandise will be displayed in a neat, professional manner.

In return, the NCAA merchandising agent will pay to the hotel a percentage of the net sales from the hotel location. Net sales are defined as gross sales minus sales tax and credit card fees. The percentage rate will be a pre-determined, non-negotiable rate included in the contract between the two parties, except as specified in the following sections.

SECTION 14 – Media Services

Broadcasting/Internet

Please log on to http://www.ncaa.com/media for information regarding broadcast/Internet rights.

Championship Records.

NCAA championship records are available in PDF format at NCAA.org. If you have trouble accessing the information, please contact a member of the NCAA Media Coordination and Statistics staff.
All media credentials are authorized and issued by the NCAA media coordinator. The NCAA provides credentials for all final championship sites and selected preliminary rounds sites.

The “Conditions Placed on Use of Credentials,” located at [NCAA.com/credentialterms](http://NCAA.com/credentialterms), should be visible at credential pickup.

The following is a sample of the types of credentials that can be produced, if applicable:

- **All Access** – For event management-type people who need access to every area, including game surface.

- **Event Management** – For event management staff who does not need all access (based on space and demand, it may not be necessary to produce an event management staff and an all access pass).

- **Medical** – For medical personnel including athletic trainers, doctors, EMT, etc.

- **Media** – For members of the media to provide them access to press areas (press box, media room, interview room, locker rooms (postgame only)).

- **Participant** – For student-athletes, coaches, equipment managers (essentially anyone in the official travel party).

- **Photo** – For still photographers and television camera operators (if the contest is not going to be televised) to allow them access to appropriate areas (playing surface, locker rooms (postgame only), press box and media room).

- **SID** – For sports information directors of the participating teams (may allow access to media areas and locker rooms as needed).

- **Television Network** – If the game is going to be televised by ESPN, Turner Sports, etc., those entities should have their own credential to allow them to specific places such as the truck compound.

It is up to the tournament director, NCAA championship manager and NCAA wrestling committee to determine which areas may be accessed with each credential type.

---

**Credential Qualification and Acceptance.**

Final-Round Site - Approximately six weeks before the start of final site competition, the site media coordinator should send credential application information to media representatives who regularly cover intercollegiate athletics in their markets. The information should direct
media to ncaa.com/media, which includes credential application instructions, credential criteria and links to the NCAA media policies. The NCAA media coordinator will approve or deny all credential requests in the online credentialing system (Sport Systems). The system will notify via email all media members who apply for credentials whether their request has been granted or denied. If a media member is granted a credential, the NCAA media coordinator is responsible for sending that member of the media information regarding times, press conference schedules, credential pickup times and location, parking and any other pertinent information.

** Working credentials will not be mailed. The media coordinator should issue credentials individually at an appropriate site at the venue or at the designated headquarters hotel. A government-issued photo ID is required to pick up credentials. Credentials are non-transferable and will only be issued to the person whose name appears on the credential. Credential pickup for others is not allowed.

** Credential Boards.

The NCAA will provide credential boards at all final sites. These are to advise security personnel at the competition venue which credentials are allowed into which parts of the venue. For credentials that are not allowed into a specific area, use a black marker to cross out the credentials not permitted.

** Final Results Books.

For individual/team championships, the media coordinator should include quotes from at least any individual champion(s) as well as from the head coach of the team champion, if applicable. It is preferred to also include quotes from a student-athlete of the team champion and the head coach of the second-place team. The final brackets and team scores also may include a cover sheet, recap, postgame notes, and/or a play-by-play summary.

The host institution shall provide complete statistics of all NCAA championships competition.

** Internet Policy.

The NCAA website, NCAA.com, serves as the official online resource for NCAA championships.

The NCAA and its partners owns the Internet rights to all its 90 championship events. Rights include live statistics, video and audio streaming, electronic commerce, and post-event footage use. The NCAA and its partners own all game action, practice footage, press conferences, one-on-one interviews or any other content on the NCAA website.

** Internet Live Statistics

The NCAA reserves the right to deny permission to produce live statistics for NCAA championship play. In the event the NCAA takes on the responsibility of producing a live statistical representation from an NCAA championship event, no other entity will be permitted to do so. Live statistics are considered a protected right as part of a bundled rights agreement, referenced
above. For clarification purposes, a live statistical representation includes play-by-play, score updates, shot charts, updated box scores, photos with captions, etc.

In the event the NCAA does not produce live statistics for a specific championship, the host institution is given priority to produce exclusive live statistics. The host institution will be given the same exclusivities the NCAA would reserve for its rights holder in such an instance.

Once it is determined that neither the NCAA or the host institution plan to exercise their exclusive rights, the ability to produce live statistics will be granted – on a non-exclusive basis – to each participating school. A “participating school” is defined as a school playing in the same event at a specific site.

In each case, no commercial advertising is permitted within the live statistics window, unless permission is specifically granted by the NCAA. Any questions pertaining to live statistics should be sent to Nate Flannery, NCAA director of digital and social media (nflannery@ncaa.org).

| Media Guides and Postseason Guides. |

The NCAA or host media coordinator should notify each school that qualifies for the championship how many media guides and/or postseason guides should be sent to the championship site. The media coordinator should provide an overnight address where the schools can send the information (their office or the facility) and a deadline as to when it should arrive. Consider security when selecting the location where these materials will be shipped.

| Media Accommodations. |

**Hotel.** If necessary, the media coordinator should arrange for a block of rooms to be set aside for media, preferably at the headquarters hotel. Media members should be given a contact at the hotel whom they can call to make reservations; this can be listed on the credential application form along with the room rate and deadline for making reservations.

**Meals.** Media meals are required at this championship. Disbursements should be guided by the budget which was originally submitted by the tournament manager and approved by the NCAA national office.

**Parking.** Media parking is desired at each site and required at most. The media coordinator, in consultation with the facility and host, should determine if it would be more effective to use parking passes or a parking list. If passes are used, the host institution must generate them. Media shuttle systems may also be used provided any costs are approved in advance by the specific sport committee and NCAA championships staff liaison.

**Work Room.** A media work room should be designated at each site, where media members can file stories, upload photos and video following competition. The work room should be equipped with high speed internet lines and/or wireless internet access. In addition, the room should have an adequate amount of seating and electrical outlets.
Each school’s media guides and/or postseason guides, along with any materials the host institution distributes (statistics, game notes, quotes, etc.), should be located in or near this area.

News Film and Mini-Cams.

Please visit NCAA.com/media for updated information related to television, video and ENG policies.

Officiating Questions.

If it is deemed necessary to get an interpretation from an official regarding a specific play or occurrence during a contest, a “pool reporter” shall be named by the NCAA media coordinator or championships staff member, or in the absence of one, the host media coordinator. Interpretations are not given if the situation in question is a judgment call.

The pool reporter shall accompany a member of the sport committee to the official’s locker room to receive an interpretation in order to enhance the public’s understanding of activities that occurred during the contest.

In most cases, the head official will provide the interpretation on behalf of the officiating crew. In the instances in which a playing-rules liaison, secretary-rules editor or the coordinator of officials is onsite, they are able to answer the questions instead.

The host or NCAA media coordinator will be responsible for disseminating the information to the rest of the media present. In most cases, the media coordinator should designate either the reporter from the Associated Press or the local newspaper as the pool reporter.

Personnel.

Each media coordinator is responsible for organizing workers to assist in the media operations of the championship. It is important to remind volunteers that they may see very little of the championship competition because of their responsibilities and the NCAA cannot pay any expenses. All volunteers should be a minimum of 18 years or older. It is preferred that media coordination volunteers have experience with media relations or championships.

The number of workers will depend upon the media demand at the site. Communication with the participating SIDs and the media coordinator’s knowledge of the area media will help with advance planning.

The following is a basic list of duties for volunteers (if applicable):

- Copy Machine Personnel – Photocopies materials (stats, notes, quotes, etc.).
• Credential Distribution – Pass out credentials to the media; check government-issued photo ID.

• Mixed Zone Coordinator – Coordinates interviews in the mixed zone in events such as wrestling, track and field and swimming and diving. Depending on the number of participants, this individual may need several assistants.

• Note Takers – Compiles worthy notes during and after the game or day.

• Photo Marshall – Makes sure photographers stay in appropriate places. Hands out photo armbands, if necessary.

• Press Conference Moderator – Introduces players and coach; directs questions from media.

• Quote Takers – Records postgame quotes from the press conference. A minimum of one person should be designated to take quotes for each team. They should get quotes from the head coaches and student-athletes.

• Results Disseminator – Transmits stats, notes, quotes, through appropriate delivery means (email).

• Runner(s) – Distributes photocopied materials (stats, notes, quotes, etc.).

• Team Escorts – People to escort the coaches and student-athletes to the postgame press conference.

• Video Crew – Record video of the press conferences and post them online for media and host institutions to access.

News Conferences.

The media coordinator, or a member of the coordinator’s staff, shall attend all press conferences, including any conducted before the start of championship play. A media coordinator can decide to have a pre-championship news conference if the number of media or interest in the championship warrants it. If a formal press conference will be held, the media coordinator should produce name (table) tents to place on the dais/riser to identify coaches and student-athletes. News conferences and interviews may be conducted virtually for the 2021 Championships.

ALL STUDENT-ATHLETES AND COACHES MUST BE MADE AVAILABLE FOR INTERVIEWS. Failure to do so may result in a misconduct finding, as determined by the respective sport committee.

(Note: In the event that a student-athlete has been selected for drug testing, all media obligations must be fulfilled before going to the drug-testing center.)

Individual Championships with a Formal News Conference. Student-athletes are allowed a maximum of a 10-minute cooling-off period following an event before meeting with the media. If ready before 10 minutes, the student-athlete can participate in interviews sooner. In individual championships, typically only the winner(s) needs to report to the press
conference. If media requests warrant having the runner-up participate in the news conference, that person should answer questions before the champion.

**Moderator Duties**  
1. The moderator should give pertinent notes (i.e., first-time national champion, etc.) to media while they wait for the athlete to arrive.

2. Sports information representatives should obtain the names of the student-athletes who will be attending the press conference and give them to the host or NCAA media coordinator, who then will provide them to the moderator so that they can be announced in advance.

3. The moderator should open the press conference by asking the head coach for his/her opening statement.

4. After the coach’s comments, the moderator should invite questions from media.

5. If necessary, the moderator should direct a question to student-athletes to get them involved, if the media do not do so.

6. The moderator should keep the flow of the press conference moving. If there is a gap of time between questions, limit questions to one more and then thank the head coach and/or student-athlete(s).

**Press Conference Setup.** Each host media coordinator should designate an interview room or area at the facility, and an individual to coordinate the activities in it. The interview area should have a public address system and an elevated head table.

Media coordinators should use an audio mixer (mix down unit) in the interview area to permit individuals using microphones to attach their equipment to it, eliminating the presence of audio equipment and/or operators in front of, or adjacent to, the speakers at the dais.

The following is a checklist of suggested minimum requirements for the interview room:

- Seating for a minimum number of media or VIPs (check with the previous host for an approximate number)
- Risers or an area with an unobstructed view for television cameras
- Table for a minimum of 4-6 interviewees
- Sufficient electrical outlets
- Sufficient lighting for dais and work spaces
- Mult box
- Wireless microphones
• Phone line and telephone

For selected NCAA championships, press conference backdrops will be sent to the institution, and microphone flags will be provided by the NCAA. Quotes shall be distributed to the media immediately following each press conference.

Photography.

NCAA Photos (also known as Clarkson-Creative/Clarkson) will be on site for the final day of competition, unless otherwise specified. Hosts institutions are not required to have a photographer when Clarkson is not on site. An additional photographer may be hired by NCAA staff to shoot additional days and ancillary events, if the staff so chooses. For those instances, it is necessary to have the hired photographer(s) complete the photography services agreement.

All photographers will agree to the NCAA Championship Photography Terms and Conditions upon requesting a credential. Photo sales on site are strictly prohibited.

Images for use by NCAA member institutions are available at a special rate and are bound by the following rights:

“For official NCAA member institution athletic department website and publications only. Other reproduction, distribution, and/or display print production is prohibited unless specified in writing.”

For internal member institution use, please contact Clarkson-Creative at info@ncaaphotos.com with the name of the image(s) you would like to purchase, and an online transaction will be set up to download the image(s). All images should be credited, where it appears, to: ©Photographer’s Name/NCAAPhotos. For all other uses, please contact Andy Krause (Andrew.Krause@gettyimages.com).

Any other entity, with the exception of the NCAA membership, seeking a championship event photo must license it through Getty Images. To license an NCAA championship event photo, please visit http://on.ncaa.com/NCAAonGetty.

For additional questions regarding championship photography, please see the NCAA Championships Photo Terms & Conditions.

Photography Area Policies.

The media coordinator shall be prepared to designate “photographer positions,” should media requests warrant it. “Prime” positions should be rotated among members of the media. All special requests (i.e., placing a remote camera on the backboard) must be approved by NCAA staff or site representatives.

Programs.
All digital programs can be located at [http://www.ncaa.com/gameprograms](http://www.ncaa.com/gameprograms).

**Radio/Internet Audio Coverage.**

Radio broadcast rights and made-for Internet audio at any NCAA championship may take place only through advance written request and permission of the NCAA media services group. (Refer to [http://www.ncaa.com/media](http://www.ncaa.com/media).)

All stations broadcasting any round of an NCAA championship shall be required to fill out the NCAA Championship Radio/Internet Streaming form online. To access the form, log onto NCAA.com/media then click “2020-21 Audio Policy.”

**Seat Assignments.**

Media coordinators should provide preferred seat locations for media agencies that regularly staff competition played by the participating and host institutions.

**Security.**

Security personnel should be instructed to protect the working media areas and interview area, especially before and after each round, and to limit access in all restricted areas to individuals wearing credentials.

**Social Media Guidelines.**

NCAA Social Media Guidelines for Championship Hosts
Updated 02/15/20

The official NCAA social media pages and official hashtags can be found here: bit.ly/NCAASocialAccounts

Host Promotion of Championships
Most hosts already have an established presence in social media. Examples are school, LOC, Sports Corporation, venue or city pages/accounts. These pages/accounts are all acceptable places to promote the hosting of an NCAA championship through the use of marketing messages and products supplied from the NCAA (links, web banners, flyers, etc.). The NCAA also promotes the championships (and the host involvement) on the appropriate NCAA social media pages/accounts. If the championship does not have an official NCAA page on a social media site, a host is not permitted to create a page for it. The NCAA will make efforts to promote this championship on the other established pages/accounts, as necessary. Collaboration is encouraged through the use of cross-posting on Facebook (@ linking within text to drive fans to each other’s pages) and mentions on Twitter (@ links to show coordination in posts). In addition to collaboration, idea-sharing is also encouraged and can be coordinated through the Championships Associate Director of Social Media, cdion@ncaa.org.
REMINDER:
A host should not create a social media account or page (Facebook page, Twitter feed, Instagram, Snapchat, Tumblr account, etc.) solely devoted to promoting an NCAA championship. These pages become outdated, distract fans from established pages and fracture the NCAA message.

Please send direct questions to Chris Dion, cdion@ncaa.org, or send ideas or news to the general box, socialmedia@ncaa.org.

**Strobe Lights.**

Strobe lights for photography are administered and pooled at the discretion of the NCAA or host media coordinator.

A maximum of three sets of strobe lights may be installed at an arena for media agencies requiring immediate news coverage. Strobe lights for a conventional arena must not exceed 2,400 watt-seconds for each power pack, and the flash duration should be less than 1/1,000-second. A typical approved installation consists of four power packs with tube heads on each pack.

All hanging or installed strobes must be as close to the playing surface as possible, depending on the physical structure of the arena, near the corners of the playing surface. All strobes must be installed and tested, if necessary, at the site 24 hours before the start of the event during which the strobes will be used. The committee representative or NCAA championships manager will grant final approval relative to the installation of strobes.

If the physical structure of an arena prevents a media agency from meeting these specifications, the agency may petition the specific sport committee for an exception.

No other strobes, including hand-carried units, are permitted in the arena, and no strobe or any other photography equipment may be placed on or attached to a goal standard.

**Internet.**

Wireless internet access must be available at all championship rounds for media use. The host institution may NOT assess an additional “hookup fee” to any media agency. Any wireless charges should be charged to the host or reflected in the proposed budget. Additional wired Internet may also be required both at press row locations and in the media work room(s).

**Television.**

If an NCAA championship is to be televised, the media coordinator will be notified by the NCAA championships liaison or NCAA media coordinator. This person will relay any needs specific to television, such as power, press row space, etc., to the host media coordinator. Information about NCAA broadcasts can be found online at NCAA.com/media.
Institutions and athletics health care providers should adhere to federal, state and local regulations; NCAA bylaws and sport playing rules; and the NCAA Sports Medicine Handbook. Athletics health care providers for the student-athlete should be appointed by and should report to institution administrators who are independent from coaches (e.g., health center, campus hospital/medical center, student affairs).

### Medical Facilities.

**Ambulance Service**
At the NCAA’s expense, an ambulance shall be provided for event participants on game days. The ambulance should be equipped with advanced life-support equipment (e.g., AED with EKG capabilities, cardio-conversion drugs, and emergency respiratory equipment).

**Biohazard Cleanup**
The athletic training staff shall prepare a biohazard kit to clean and manage all blood situations. Assemble and maintain supplies for cleaning and disinfection of hard surfaces contaminated by blood or OPIM. Items include personal protective equipment (PPE) (gloves, goggles, mask, fluid resistant gown if chance of splash or splatter); supply of absorbent paper towels or disposable cloths; red plastic bag with the biohazard symbol on it or other waste receptacle according to facility protocol; and properly diluted tuberculocidal disinfectant or freshly prepared bleach solution diluted (1:100 bleach/water ratio). These kits should be placed on each team’s cooler cart positioned at the end of the team benches.

**General Public**
The facility, at its expense, must provide certified medical personnel (independent of the competition medical staff) and a first-aid room for spectators on game days.

**Hospital**
The host athletic trainer shall identify a hospital, in close proximity, that will be available to participating teams and shall ensure that championship participants will be provided priority care and assistance.

**Participants**
Athletic training facilities should adhere to local, state and federal regulations pertaining to health care facilities. An athletic training room shall be open and a certified athletic trainer (the host institution’s athletic trainer) must be present for all practices and games at the facility. The training room must open a minimum of two hours before all practices and games, and remain open one hour after the conclusion of all practices and games. Two physicians (general practitioner and orthopedic surgeon) must be accessible by cell phone or pager during all practices and must be on-site during all games.

**Supplies**
All necessary emergency equipment should be at the site or quickly accessible. Equipment should be in good operating condition, and personnel must be trained in advance to use it properly. This equipment should include, but is not limited to:

- Automated external defibrillator (AED),
- A bag-valve mask, advanced airway tools
- A spine board and other stabilization supplies for the head and neck
- Splints
  - Immobilization splints
  - Immobilizer/knee stabilizer
  - Crutches
- Bleeding control materials, such as a tourniquet and large sterile dressings.
- Ice
- Blood-borne pathogen kit
- Moist hot packs
- Muscle stimulator
- Sharps kit/biohazard trash can
- Ultrasound unit
- X-Ray machine
- Gurney
- First-aid equipment/athletic training supplies
- Suture materials
- Emergency eye care and dental equipment
- Sports medicine providers should be trained to use emergency supplies.

**Locker Rooms**
The team locker rooms shall be equipped with hot hydroclusaters, biohazard trash cans and sharps containers. The sports medicine staff should be prepared to assist teams with cold baths, whirlpool tubs and exercise bikes. Each locker room or team bench should be equipped with similar equipment (if applicable).

**Communication**
The athletic trainer and physicians should be equipped with a means of radio communication.

**Teams’ Physicians**
Participating institutions may include team physicians on their gate list. If the physicians are not seated on the bench, the host athletic trainer should ascertain their seat locations, in case of emergency, and be prepared to escort the physician to the team locker room, if necessary. If the team physician has not been provided a credential from the team allotment, they will be provided a credential and escorted to the team locker room or athletic training room. (Refer to Section No. 15-3)

**X-Ray Technicians**
X-Ray equipment and technicians shall be on-site during the championship. Should the institution have equipment in close proximity to the facility (e.g., building next door), this equipment may be used with NCAA approval.
**Portable Baths**
Portable baths (hot or cold) must be used under the direction of the host sports medicine staff, athletic trainer or physician within the venue of the championship. If the host sports medicine staff permits the communal use of the baths, they must be properly disinfected between individual use, filtered and with proper circulation or otherwise maintained in a manner consistent with local public health codes. The NCAA permits ice baths in designated areas as directed by an athletic trainer or team physician when the bath is used as a component of the emergency care plan in the event of an exertional heat injury.

**Concussions.**

The NCAA has adopted legislation that requires each active member institution to have a concussion management plan for its student-athletes. Participating institutions shall follow their concussion management plan while participating in NCAA championships. If a participating team lacks appropriate medical staff to activate its concussion management plan, the host championship concussion management plan will be activated.

The legislation notes, in part, that a student-athlete who exhibits signs, symptoms or behaviors consistent with a concussion shall be removed from athletics activities (e.g., competition, practice, conditioning sessions) and evaluated by a medical staff member (e.g., sports medicine staff, team physician) with experience in the evaluation and management of concussions. A student-athlete diagnosed with a concussion is precluded from returning to athletics activity for at least the remainder of that calendar day; and medical clearance for return to athletics activity shall be determined by the team physician or the physician’s designee from the student-athlete’s institution. In the absence of a team physician or designee, the NCAA tournament physician will examine the student-athlete and will determine medical clearance.

**Medical Staffing.**

**Host Medical Staff.** It is the responsibility of the host institution/conference to provide medical coverage and care for participating student-athletes. In limited-access venues, the host medical staff will assess and remove from play student-athletes with injuries. Once removed, traveling medical staffs will have access to their student-athletes.

**Travel Party.** Medical personnel receive credentials for the championship as part of the normal institutional travel party. It is the responsibility of the participating institution to include medical personnel in their normal credential numbers. However, institutions may elect to pay for medical staff to travel in addition to the travel party limits though institutional funds. Competition site access can be secured by acquiring session tickets though purchase or an institutional pass list.

**Access.** Medical staff traveling with teams will have access to their team participants through the host medical staff, should an injury occur.

**Communication.** Contacting the host medical staff before arriving to the championship site is recommended. On arriving, understanding competition site access during the event will help
coordinate access to injured student-athletes. Typically, an access point from the stands supervised by security will allow access to student-athletes.

**SECTION 16 – Officials**

**Selection.**

The NCAA Wrestling Committee selects 20 referees to officiate the NCAA Division I Wrestling Championships. Referees that participate in the championships must meet the requirements approved by the NCAA Wrestling Committee to qualify as an NCAA wrestling championships referee.

Fees and expenses will be submitted through ArbiterPay.

### Hotel.

Officials’ hotel room and tax charges should be direct billed to the NCAA; the officials are responsible for incidental charges. The officials should be housed in a separate property from both the teams.

### Meetings.

All referees selected to officiate the national championships are required to attend a meeting given by the national coordinator of officials the evening prior to the opening session of the tournament.

### Tickets.

Each official is entitled to purchase a maximum of four tickets to the competition (e.g., for family members or friends); the championships manager(s) will administer this process. The officials themselves should be provided a credential for admittance.

### Transportation.

Officials who receive approval for air travel must make flight arrangements through Short’s Travel Management at 866-821-8547. The host shall coordinate local ground transportation for officials.

### Uniform.

The NCAA will provide a black jacket or wind shirt to the officials participating in the championships. This shall be used as part of their official uniform.
This championship will feature a printed program and bout sheets, which the NCAA and Learfield IMG College Publishing has the exclusive right to distribute at the competition venue during the championship. No competing publications, whether sold or free of charge, are permitted at NCAA events where printed programs are available. Any publications delivered to the venue are the property of Learfield IMG College before, during and after the event.

**Content/Editorial**

**Learfield IMG College Responsibilities**
Responsible for all program production, including editorial content, layout and design, advertising and printing.

**Host Responsibilities**
Media contact should provide Learfield IMG College with text and photos for editorial pages about host institution/venue/city, if requested by Learfield IMG College.

Any pages promoting the host institution/venue/city will not be display advertisements; those interested in purchasing advertising space for sponsors, etc., should contact Clerinda Queen (clerrinda.queen@learfieldimgcollege.com).

**Bout Sheets**
At the championship site, Learfield IMG College provides bout sheets to be made available throughout the event. Coupons for the bout sheets are enclosed in each program and can be presented to any program vendor for redemption. Bout sheets can also be sold individually, without a coupon. Further instructions for distribution will be communicated by Learfield IMG College prior to the championship.

**Program Vending and Complimentary Programs**
Learfield IMG College will enter into an agreement with the official program vendor of the host institution or sponsoring agency, and will supply programs and settlement sheets to the official vendor. The official vendor of the host institution or sponsoring agency at the site of the championship(s) is responsible for complete vending accountability, including full responsibility for inventory. When the requirements listed below (Program Vending Standards) are met, the host institution will receive a 20 percent commission of net sales for providing these services. Below are the program vending responsibilities of both Learfield IMG College and the host, or official program vendor.

**Learfield IMG College Responsibilities**
- Reserves the right to manage vending/fulfillment in-venue
- Will email a vending agreement and settlement sheet to the vending contact and tournament manager prior to championship
- Will ship and manage shipment of programs to arrive no later than the day prior to the start of the event, unless otherwise communicated by Learfield IMG College
- Within one week post-championship, will provide the host with instructions for returning or destroying the remaining programs (if applicable)
• Will pay sales tax to the proper taxing authority

Host Responsibilities
• Prior to the event, the program vending contact listed on the host’s online key contacts form will need to confirm they are the contact and that the shipping information is correct, when requested by Learfield IMG College
• The host venue will provide all vendors unless otherwise prearranged with Learfield IMG College
• Return a signed vending agreement to Learfield IMG College prior to the event
• If requested and approved by the NCAA, the tournament manager shall issue credentials and provide the necessary parking passes to administrative personnel representing Learfield IMG College. All program vendors shall receive standard facility credentials.
• Distribute the allotted amount of complimentary programs as specified below:
  o 860
• Meet the “Program Vending Standards” (listed below) to receive 20 percent commission of the net program sales
• After meeting the “Program Vending Standards,” Learfield IMG College will pay the vendor 20 percent commission of net sales. The vendor is to keep the commissions earned and cut a check to Learfield IMG College for the amount due listed on the Learfield IMG College provided settlement sheet within two weeks after the event.
• Email and mail the completed settlement sheet provided by Learfield IMG College after the event within the time frame specified in the vending agreement.

Program Vending Standards
• Receive and take inventory of the programs upon arrival. Notify Learfield IMG College of any discrepancies in the quantity received or damages to the programs within 24 hours.
• Provide total management, control and accountability of the programs. If programs are lost, stolen or damaged, the programs are the responsibility of the vendor.
• Keep programs in locked and supervised storage.
• Provide an appropriate number of sellers throughout the facility in order to meet the demands of the projected crowds. The appropriate number of sellers should ensure that every fan entering the event will pass one person actively and exclusively selling programs, as well as placing multiple sellers in high-traffic areas to provide a quick transaction for all fans.
• Sellers should be either at designated program stands and/or stationed in high-traffic areas of the facility that are easily located (such as ticketed entrances).
• Ensure program stands and/or sellers are prepared to sell prior to the gates being opened. If using program stands or tables, the programs should be neatly displayed at all times. If using tables, please make best effort to make table presentable.
• Ensure that sellers are neatly dressed and are customer-oriented.
• Keep selling areas clean and neat at all times.
• Programs can be available at merchandise stands (i.e., along with apparel) but should not be sold exclusively in this manner.
• Sell programs throughout the event for a mutually agreed upon time with Learfield IMG College.
• Display signage in a professional manner, if provided by Learfield IMG College.
• Make sure vendors have necessary materials for selling throughout the event, i.e., appropriate number of programs and change. Replenishing sellers with programs and providing change should be done in a fast and efficient manner. This may include transferring merchandise between the slower and higher volume selling areas to meet customer demands.
• Below are a few best practices for vending programs:
  o Designate individuals to sell programs and pay them a commission for each program they sell, or
  o Recruit volunteers to sell programs as a fundraiser for their non-profit organization and pay them commission for each program they sell
  o Encourage vendors to walk through the stands to sell programs during the event

Questions
If you have any questions, please feel free to contact your NCAA administrator or Chad Laytham (chad.laytham@learfieldimgcollege.com) at Learfield IMG College.

SECTION 18 – Safety and Security

The NCAA has established a Safety and Security Advisory Group (SSAG) to develop Best Practices for all NCAA championships. The SSAG developed these Best Practices based on a review of current and future championships competition venues, discussions with safety and security experts, and their own experience and knowledge. All hosts and competition venues are strongly encouraged to refer to the Best Practices when developing a safety and security program: http://www.ncaa.org/sites/default/files/Best_Practices_for_Venue_Safety_and_Security.pdf?division=d2.

The suggestions outlined in Best Practices for Venue Safety and Security are based on practices that are employed by competition venues across the nation. The need and ability to implement them at each facility and event will vary. Properly trained and equipped personnel constitute the primary element of implementing a successful safety and security program.

Best Practices for championships competition venue safety are intended for guidance purposes only; they are not a requirement under NCAA or other regulations or legislation. In addition, because of the wide variety of designs and sizes of competition venues; and composition and profile of particular events, not all Best Practices will be reasonable or applicable.

The Best Practices should not be viewed as a complete or primary source of information for developing or implementing the safety program for the competition venue hosting an NCAA championship. Rather, facility managers and local public safety personnel should consider the current national threat level, nature of specific threats and the full range of resources available when responding to changes in the threat condition levels.
Please submit your final safety and security plan, which would be inclusive of the NCAA Championships Safety and Security Team Contact Information form. Items must be submitted once the opportunity to host has been awarded. Additional COVID-19 mitigation plans will also be required for the 2021 Championships. Refer to the Return to Sport Guidelines for Wrestling at [http://www.ncaa.org/championships/division-i-wrestling](http://www.ncaa.org/championships/division-i-wrestling).

Unless otherwise expressly authorized by applicable law, no firearms or weapons are permitted on these premises for NCAA championships and events, excluding authorized law enforcement officers. Failure to abide may subject you to ejection as well as other applicable discipline or action. The foregoing shall not limit the applicable equipment used in and for fencing and rifle competitions in accordance with NCAA rules, at the venues for such competitions.

### SECTION 19 – Ticketing

1. **Ticket Design/Printing.** The NCAA will manage the design and printing for championship tickets, assigning specific duties to the LOC/host and competition venue as needed. The NCAA will forward artwork of the proposed ticket design to the LOC/host and competition venue for review and input. The NCAA logo shall be the only logo used on the front or back of the tickets unless specifically authorized by the NCAA. The name of the host institution/conference may be printed on the front of the ticket(s) and/or on the cover of the ticket booklet. The NCAA’s standard ticket back language can be found at [www.NCAA.com/ticket-terms](http://www.NCAA.com/ticket-terms).

2. **Ticket Pricing.** With input and a recommendation from the LOC/host, the NCAA shall establish all ticket prices, including tickets for suites and standing room only. One hundred percent (100%) of the revenues from ticket sales shall be included in the championships receipts to help offset the NCAA guarantee (if applicable), championship expenses, and further revenue sharing opportunities. Revenue from the sale of championship tickets and championship-related event tickets will be exempt from sales, amusement, entertainment taxes and other surcharge obligations to the extent possible. The NCAA is a 501c(3) tax exempt organization. If a tax exemption is not applicable, then all applicable taxes and rates shall be disclosed (disclose in the sport-specific facility questionnaire) and any increases in the tax rates from the time the bid was submitted shall be absorbed by the bid respondent or rebated back to the NCAA.

The NCAA does not allow complimentary tickets to its championships. However, the NCAA will permit the purchase of tickets to use for championship promotional efforts. All ticket promotions must be approved in advance by the NCAA.

3. **Control of Ticket Sales.** The NCAA shall control all ticket sales for the championship. The LOC/host and competition venue shall cooperate fully with the NCAA’s official ticketing vendors and/or ticketing partners (e.g., primary ticket sales system provider, official ticket and hospitality package provider, official ticket exchange). The NCAA shall not be responsible for securing an exemption to any exclusive contracts the LOC/host, competition
venue or surrounding areas/facilities might have, nor will the NCAA be responsible for any buyout or other means necessary to secure such an exemption.

Admittance to the competition venue on game days will be by ticket or NCAA-issued credential only. Every individual, regardless of age, must have a game ticket for admission, unless specified by the NCAA or venue policy. Unless specifically granted an exception, the NCAA requires that the competition venue utilize a ticket scanning system at all general public access points into the competition venue. The host venue system will be used for access control, box office walk-up sales and day-of event issue resolution in the box office.

4. **Control of Venue Seating.** The NCAA shall control all seating assignments within the competition venue, including club seating, press boxes, hospitality clubs and restaurants.

The NCAA shall be responsible for determining the allocation and the location of all ticket allotments.

The LOC/host or competition venue may not re-sell allotted championship game tickets at any price, nor may enter into a sponsorship agreement or hospitality/travel package agreement with any ticket broker, tour packager or other secondary ticket marketer to provide championship tickets in return for other considerations unless specifically authorized by the NCAA.

5. **Suites.**

   a. The competition venue shall stipulate a quantity of private viewing suites available for the sole use of the NCAA or its designees at the time of the bid. All revenue from such suites will belong to the NCAA.

   b. The NCAA will provide tickets, as necessary to the LOC/host and/or competition venue for those suite holders displaced to fulfill the NCAA suite seat requirements.

   c. Subject to NCAA approval, suites not made available to the NCAA or its designees shall remain under the control of the competition venue, but the face value ticket revenue for such suite seats will belong to the NCAA.

   d. Suite holders will have the opportunity to purchase tickets for the suite to which they have purchased tenant rights. The venue’s box office staff shall solicit and confirm suite purchases by suite holders. At that time, suites not purchased by suite holders will be made available to the NCAA for additional use/sales opportunities in accordance with the agreed upon financial parameters.

6. **LOC/Host Ticket Policies.**

   a. **Allocation.** The NCAA shall allocate to the LOC/host a maximum of 10% of the saleable competition venue seats. These tickets shall be used to accommodate LOC/host guests, including but not limited to local contributors.

   b. **Budget Relief.** At its sole option, the NCAA shall notify the LOC/host of certain budget relief that may be provided in exchange for a reduction in the LOC/host ticket allotment.
b. **Ticket Allocation Limitation.** No more than 20 tickets shall be made available from the LOC/host or competition venue to any one entity without NCAA approval.

c. **Assignment Information.** The LOC/host shall provide the NCAA with the names of those individuals assigned to each seat within the LOC/host’s ticket allocation.

7. **Competition Venue Responsibilities.**

   a. **Seating Manifest.** The competition venue shall forward the NCAA a complete ticket manifest with a PDF or CAD drawing of the venue’s configuration and cooperate fully with any NCAA ticketing partners.

   b. **Broadcast Partner Site Survey.** The NCAA’s broadcast partner, in conjunction with the NCAA and the competition venue, may conduct a site survey approximately nine months in advance of the championship to determine the host set location, camera locations and determine the need for “seat kills”.

   c. **Final Manifest.** Upon completion of the site survey and determination of “kill” seats, the competition venue shall provide the NCAA with a final seating manifest, reflecting all saleable seats, available suites and available hospitality/party suites.

   d. **General Public Assignments.** Subject to NCAA approval, the assignment of general public seats is the competition venue box office’s responsibility, unless directed otherwise by the NCAA. The seat locations shall be designated by the NCAA. The competition venue must comply with all applicable city, state or federal laws and regulations including those concerning access and seating for the disabled and assist with inquiries from ticket holders in need of disabled tickets. Additionally, the box office shall assist with all lost, stolen, or misdirected ticket issues. The competition venue shall be responsible for the labor necessary, as well as costs incurred, to process and distribute lost, stolen, or misdirected tickets.

   e. **Participating Institutions’ Shipments.** The NCAA will send the tickets allocated to the participating institutions directly to the respective institutions.

   f. **Sales Reports.** The competition venue’s box office shall be responsible for providing the NCAA with timely and accurate sales reports. Reports should be provided on a regular basis, as directed by the NCAA. The competition venue’s box office shall cooperate fully with the NCAA’s official ticketing vendors and/or ticketing partners in providing the reports.

   g. **Final Ticket Database.** Each host conference, institution and/or venue must provide ticket purchaser information to the NCAA upon request, as well as, at the conclusion of the competition. Collecting purchaser information is essential for marketing efforts and post-event purchaser surveys which allow the NCAA to improve the championships experience.
All relevant purchaser information must be submitted in an Excel or CSV file. The information should include, but not be limited to: Last Name, First Name, Address, City, State, Zip Code, Email, Phone Number and purchase information such as Total Seats Purchased and Total Purchase Price.

**Email Databases.**

The NCAA owns, and Turner Sports retains the exclusive right to any NCAA email databases. A championship host (including venue operators) may collect email addresses as a part of its efforts to market/promote and sell tickets to an NCAA championship. Any email addresses collected by a host must be sent to the NCAA within seven business days of a request or within 30 days following the conclusion of the championship if no request has been made. The NCAA retains the right to withhold any honorarium associated with hosting the championship until it has received all email addresses collected as part of marketing/promoting or selling tickets to the championship.

Any email marketing should include opt-in language for receiving more information from the NCAA.

A host institution/conference is permitted to merge any collected email addresses into its own database at the conclusion of the championship. However, a host may not use or create a specific database from email addresses collected as part of its championship hosting obligations.

**Promotions.**

**Use of Promotional Tickets.** When tickets are used in radio giveaways, the following guidelines apply:

- There may be no implied sponsorship of the championship or contest by the radio station or another corporate entity, with the exception of official NCAA Corporate Champions/Partners.

- Use wording like this when there is no NCAA Corporate Champion/Partner involved: “Be the fifth caller to the radio station and win two tickets to the NCAA championship hosted by the Big 12 Conference March 30 and April 1.”

- Use wording like this when there is an NCAA Corporate Champion/Partner involved: “Enter the (Corporate Champion/Partner Name) Women’s Basketball Ticket Challenge. Tune into WXYZ for a chance to win tickets to the NCAA championship hosted by the University of Washington March 19 and 21.”

- Wording like this is unacceptable: “WXYZ offers you a chance to win tickets to the NCAA championship in the WXYZ morning trivia contest.”

**Ticket Donation.** Host institutions/conferences should distribute a mailing to the local parks and recreation department(s) soliciting donations for the purchase of tickets for children who participate in recreational programs.
Ticket Mailings. Host institutions/conferences should send ticket information to the following groups:

- Booster club members
- Season ticket holders
- Previous year’s ticket holders of postseason competition, if applicable
- High school coaches in the area
- Local chamber of commerce and merchants
- Host institution’s faculty, staff and students
- Local youth-group leagues

If a host plans to distribute flyers, in addition to those produced by the NCAA, or to transmit ticket information via an email blast, the material must be approved in advance by the NCAA staff.

SECTION 20 – Transportation

Participating Institutions.

All NCAA Championship travel information can be found at: http://www.ncaa.org/championships/travel/championships-travel-information.

Parking.

The host institution/conference or sponsoring agency is responsible for securing complimentary parking at team hotels for team buses and any courtesy vehicles provided, if possible. The competition venue shall provide a designated complimentary parking area for team buses and courtesy cars at the competition venue.

SECTION 21 – Volunteers

Goal and Recruitment.

A volunteer program for the championship should be implemented to accomplish the following goals:

- Provide an enthusiastic and warm welcome to participants and guests;
- Answer questions and provide information to visitors; and
- Contribute to the general excitement surrounding the championship.
• Assist the LOC with championship operations.

Volunteers must be 18 years of age or older and must sign a volunteer release waiver. Individuals with driving responsibilities MUST be 25 years of age or older.

Student-athletes or prospect-aged individuals MAY NOT be recruited in any way different than general public volunteers. The Local Organizing Committee (LOC) cannot make a specific volunteer presentation to student-athletes of the host institution/conference. Student-athletes and prospect-aged individuals may apply to volunteer in the same manner as individuals from the general public. Student-athletes and prospect-aged individuals must be selected by the same criteria as the general public applicants.

The NCAA may request additional volunteers from the LOC as necessary.

**Apparel.**

The NCAA will coordinate ordering and production of the apparel through the NCAA volunteer apparel program. Main Gate has been selected as the official NCAA volunteer apparel providers for all 2020-21 championships. The NCAA will offer its Corporate Champions/Partners the opportunity to help offset the cost. The champion/partner would be permitted to place one logo on each apparel item, if a separate apparel item is provided for these volunteers.

The championship logo and the licensee’s mark will be placed on the apparel. The licensee’s logo may appear on the right chest or sleeve. The licensee’s logo may be no larger than 2 ¼ inches square.

The LOC will distribute uniforms during the required volunteer training sessions to ensure each volunteer’s commitment. When ordering uniforms, the LOC will ensure that apparel includes women’s styles and sizes.

The games management staff, media coordination staff and host media operations staff should be included in overall volunteer numbers and should receive volunteer apparel.

*Note: Hosts shall work in collaboration with the championship administrator on the selection, ordering and distribution of volunteer apparel.*

**Waivers.**

Each volunteer must sign a waiver of liability before the start of the championship *(APPENDIX G).* If there is a written agreement governing volunteer service, a release component must be added if one does not already exist. After the championship, all waivers shall be collected and kept on file, in case requested.

Credential Formula

Each institution will be awarded four (4) coaches credentials, if requested, regardless of the number of competing student-athletes. Coaches credentials will be issued to only those coaches listed via the registration portal. Each coach must be a recognized member of the coaching staff authorized by the institution.

- Regardless of the number of qualifiers, each institution will have the opportunity to purchase one (1) additional Support Staff/Team Personnel (e.g., director of operations, strength coach, nutritionist, team manager, etc.) credentials for $200 per credential. The support staff credentials will not have competition floor access during competition. Each institution must verify the members of its coaching and support staff. Support personnel does not include athletic trainers, doctors, administrators or sports information, see below for additional information on credentialing those staff members.
- One complimentary administrator credential will be provided to each institution that has a qualifier. This credential must be for your director of athletics or person who has oversight for the wrestling program at your institution. One additional hotel room (subject to availability and may not be at the team hotel) from the NCAA room block, separate from the qualifier formula used to allocate hotel rooms, will be made available to the institution administrator.
- Administrator credentials will allow access to the facility and back-of-house areas. Competition mats access is limited to before or after the round has concluded with no access during competition. This credential will be provided only to the appropriate person listed in the registration portal. The administrator credential does NOT guarantee a seat, however, provides seating opportunities within the participant seating section if seats are available.
- In lieu of requesting a credential, a ticket may be purchased through your institution's block, but will not be permitted in the back-of-house areas.
- Administrator credentials may be obtained at the team administration registration at the Enterprise Center. Administrators will need to show a business card and photo identification to prove identity.
- Credentials are also available for your institution’s authorized athletic trainer and/or physician accompanying the team. Please provide their names via the registration portal. Athletic trainers and physicians will need to show their appropriate certification credentials, in addition to a photo ID at medical registration.
- If purchasing additional credentials, be sure to include credit card information via the registration portal.
- Sports information contacts from your institution traveling with your team should obtain the necessary credential through the NCAA media credentialing system.
- Violators are subject to misconduct provisions as well as revocation of the credential.

The fee for replacement of credentials is $200.

Host Promotion of Championships
A lot of hosts already have an established presence in social media. Examples are school, LOC, Sports Corporation, venue or city pages/accounts. These pages/accounts are all acceptable places to promote hosting of an NCAA championship through the use of marketing messages and products supplied from the NCAA (links, web banners, flyers, etc.). The NCAA also promotes the championships (and the host involvement) on the appropriate NCAA social media pages/accounts. If the championship does not have an official NCAA page on a social media site, a host is still not permitted to create a page for it. The NCAA will make efforts to promote this championship on the other established pages/accounts, as necessary. Collaboration is encouraged through the use of cross-posting on Facebook (@ linking within text to drive fans to each other’s pages) and mentions on Twitter and Instagram (@ links to show coordination in posts). In addition to collaboration, idea-sharing is also encouraged and can be coordinated with the NCAA digital team through the championships marketing contact.

A host should not create a social media account or page (Facebook page, Twitter feed, Instagram, Snapchat, TikTok account, etc.) solely devoted to promoting an NCAA championship. These pages become outdated, distract fans from established pages and fracture the NCAA message.

Top considerations when planning for social media event marketing:

1. **Know your social media audience.** Utilize account analytics to learn about your fan demographics and monitor the engagement levels on your posts. Figure out what engages your fans.
2. **Encourage community.** Ask for feedback and opinion. This helps engage the user and may provide you with some good input. Also, reply to user questions with correct and helpful answers.
3. **Cross-post.** Cross-posting or mentioning others will help increase your visibility and spread credit throughout social media platforms.
4. **Use images.** Pictures are necessary to grab attention and interest. Users are more likely to engage versus text only.
5. **Be concise.** This is required on Twitter (140 characters) but should also be used on Facebook and other platforms without this limit. Get to the point within two sentences. Less than that, if possible.
6. **Lead your video.** You have mere seconds to garner a user’s attention on social media. Make sure your videos have an immediate point of interest to keep users engaged.
7. **Like or Follow people to help you.** Networking with members of the media, partner organizations and constituents on Twitter and Facebook is just as beneficial as in real life. On Facebook, like their pages, cross-post to them when you mention them or make them one of your favorites. On Twitter, retweet, join in on hashtags (#NCAA) and mention feeds in your posts.

8. **Keep it light.** While it is important to stay on message and deliver the facts, this is social media, after all. Have fun with it.

9. **If you hesitate about posting something, you probably shouldn’t.** There are no re-dos in social media. A “delete” doesn’t mean you can delete someone seeing it.
