***ACTION ITEMS*.**

- **None.**

***INFORMATIONAL ITEMS*.**

1. **Previous meeting reports**. The Men's Wrestling Oversight Committee reviewed and approved the Oct. 6 meeting report.

2. **Officiating update.** The committee received an update from Mike McCormick, the national coordinator of officials, who summarized an informational call with the Intercollegiate Wrestling Officials Association that included more than 170 current officials.

3. **Rules update.** The committee received an update from Jimmy Chung, the secretary-rules editor, which included a review of the season's second casebook update on RefQuest, in addition to the posting of all the officials who passed the eligibility standards for the 2026-27 season.

4. **Coach rank update.** The committee directed NCAA staff to organize a call with all 15 coaches who will rank weight classes this year to discuss the process and procedure.

5. **2029-31 site selection priorities.** The committee discussed its priorities for the upcoming site selection process, which included size and accessibility of an airport, weather, proximity of hotels to the arena for participants and fans, floor space, back of house space, affordability, proximity of bars and restaurants to the venue for fans between sessions.

6. **St. Louis site visit recap**. The committee chair gave a report of her recent site visit to St. Louis, the site of the 2027 NCAA Division I Wrestling Championships, which included a tour of the arena, hotels and practice areas.

7. **Oct. 6-7 DI Cabinet update.** The committee received a legislative update from the Division I Cabinet's Oct. 6-7 meeting, including the adoption of NCAA Division I Proposal 2026-45, which increases student-athlete representation on the Division I Men's Wrestling Oversight Committee to two. Nominations are currently open to fill the additional student-athlete seat and will close Nov. 16.

8. **Regional training center discussion.** The committee continued its review and discussion of regional training centers (RTC). NCAA staff confirmed the guidance issued in the Regional Training Center Educational Resource (DI) specific to the involvement of institutional staff members in RTCs during a dead period and permissible receipt of training and competition

expenses from an RTC to prospective student-athletes. The National Wrestling Coaches Association will gather feedback related to dead periods and training and competition expenses to PSAs to inform future committee discussions and potential legislative action.

9. Future meetings. This committee's next meeting will be Noon Eastern time, Dec. 1.
