

**NCAA Division I Committee for Legislative Relief
No Participation Opportunity Form**

Student-Athlete:

Sport:

A signed NPO form will no longer be a basis for waiver relief from the transfer year in residence requirement for an undergraduate transfer student-athlete whose first championship season at their new institution will be conducted during the 2023-24 academic year.

DIRECTOR OF ATHLETICS (PREVIOUS INSTITUTION)

By signing this form, you certify that the student-athlete listed on this form:

1. Was no longer given an opportunity to participate (practice or compete per NCAA Bylaw 14.02.12) on the institution's team for reasons outside of the student-athlete's control.
2. Was not dismissed from the team or the institution for any reason within the student-athlete's control (e.g., violation of team or institutional rules).
3. Was athletically eligible and in good standing with the team at the time of transfer.
4. Was in good academic standing and academically eligible at the time of transfer.

Further, by signing this form, you certify that you:

1. Are not aware of any additional information concerning the student-athlete that would result in the student-athlete being ineligible under NCAA regulations or that indicates that the student-athlete or your institution has violated NCAA regulations.
2. Have read and understand the application of NCAA Bylaw 10.1 and the information provided is accurate and complete to the best of your knowledge.
