

REPORT OF THE  
NCAA DIVISION I FOOTBALL BOWL SUBDIVISION OVERSIGHT COMMITTEE  
APRIL 11, 2024, VIDEOCONFERENCE

**ACTION ITEMS.**

- None.

**INFORMATIONAL ITEMS.**

1. **Football Recruiting Subgroup update.** The committee discussed feedback collected to date from the FBS conferences about possible revisions to the recruiting model and discussed potential FBS-specific revisions to the model. The committee anticipates receiving a final concept from the Football Recruiting Subgroup before the committee's May 16 videoconference. The subgroup will present its recruiting calendar concept to the FBSOC on May 16. During that meeting, the committee will determine whether to recommend that the NCAA Division I Council introduce and adopt its recommendation as expedited legislation during the Council's June 25-26 meeting.
2. **Review of NCAA Division I Proposal No. 2024-6.** The committee discussed membership feedback on NCAA Division I Proposal No. 2024-6 and associated question and answer educational document. During its May 16 videoconference, the FBSOC will consider feedback received during the initial 45-day feedback/comment period and vote on whether to adopt the legislation, subject to Council action on June 25-26.
3. **Feedback on football playing rules proposal.** The committee provided supportive feedback to the NCAA Football Rules Committee on a proposal to alter Rule 1-2-1-h-3, which deals with field markings, to align regular-season/home site rules with the allowances for postseason/neutral site games beginning with the 2024-25 academic year. This proposal would allow up to two commercial logos in the field. The proposal would also permit the use of a commercial mark at midfield, which institutions/conferences are already permitted to choose to do during postseason bowl games. Because the Football Rules Committee requested feedback from the respective football governance committees before considering a proposal, this item is required to be distributed for a two-week comment period.
4. **NCAA Football Rules Committee update.** The committee received an update on proposed rules changes. The proposed changes will be reviewed by the Playing Rules Oversight Panel at its April 18 meeting.
5. **NCAA Division I Football Student-Athlete Connection Group update.** The committee received an update about key items discussed during the March 17 FSACG meeting.
6. **NCAA Division I governance update.** The committee received an update on upcoming Division I governance meetings.
7. **Approve NCAA Division I Football Bowl Oversight Committee March 15, 2024, report.** The committee approved the March 15 report.
