

**REPORT OF THE
NCAA DIVISION I STUDENT-ATHLETE EXPERIENCE COMMITTEE
MARCH 22, 2021, VIDEOCONFERENCE**

ACTION ITEMS.

- **None.**

INFORMATIONAL ITEMS.

1. **COVID-19 continuation of delayed-enrollment policy.** The NCAA Division I Student-Athlete Experience Committee received an update from staff regarding the NCAA Eligibility Center's 2020-21 COVID-19 delayed-enrollment policy. The committee discussed the potential of extending the flexibility provided for the 2021-22 academic year and agreed to continue its review of the issue at a future meeting.
2. **COVID-19 recruiting dead period/recruiting calendars.** The committee continued its discussion regarding the development of recommendations for the return to recruiting following the conclusion of the temporary COVID-19 recruiting dead period. As part of the discussion, the committee received feedback from the March 17 NCAA Division I Council meeting and other oversight committees.
3. **2021 comprehensive recruiting review.** The committee provided feedback on several concepts included in the 2021 comprehensive recruiting review. The committee recommended a permanent legislative change be adopted to permit the provision of complimentary admissions using digital ticketing technology, to permit institutions to reimburse prospective student-athletes for cancelled visits, to permit an institution's coach to participate in virtual camps and clinics with nonprospective student-athletes and to permit a committed prospective student-athlete to engage in virtual team activities. The committee supported continued flexibility for the 2021-22 academic year to allow uncommitted prospective student-athletes to observe virtual team activities. The committee did not support allowing coaches to have contact with prospective student-athletes at an educational institution prior to the first permissible date of contact. The committee indicated a holistic review of recruiting calendars and a review of the recruiting and scouting service legislation should be considered as part of a long-term recruiting review.
4. **Report of the March 15 Student-Athlete Experience Committee videoconference.** The committee approved the report of its March 15 videoconference.
