

REPORT OF THE NCAA DIVISION I
WOMEN'S BASKETBALL OVERSIGHT COMMITTEE
MAY 20, 2024, VIA EMAIL

ACTION ITEMS.

- **Legislative Items.**
 - **Committees – Division I Committees – Women’s Basketball Committee – Addition of Committee Position to the Group of Seven Highest Ranked Conferences Based on Basketball Success.**
 - (1) Recommendation. That the NCAA Division I Council adopt expedited legislation to modify NCAA Bylaw 21.10.6.2.1 at its June 2024 meeting, to specify that the NCAA Division I Women’s Basketball Committee shall consist of 12 members, including one member from each of the conferences named in Bylaw 9.2.2.1.1 that is eligible for automatic qualification, four members selected from the seven highest ranked other conferences based on basketball success and the remaining members from the remaining conferences.
 - (2) Effective date. Immediate.
 - (3) Rationale. With the change to the number of autonomy conferences, there is a need to determine how the composition of the Women’s Basketball Committee should be adjusted. The Women’s Basketball Committee and the NCAA Division I Women's Basketball Oversight Committee endorsed a model that would allocate that open seat to the group made up of the seven highest ranked nonautonomy conferences based on basketball success. This will allocate four committee seats equally among the three groups, while still allowing each eligible conference to have the opportunity to be represented on the committee.
 - (4) Estimated budget impact. None.
 - (5) Student-athlete impact. None.
