Qualification Statement:

I have been an acting Head Football Coach in the Rocky Mountain Athletic Conference since 2011. Our institution is in Super Region 4, and I have been on our Regional Advisory Committee for the last two years. I have enjoyed serving on the RAC and feel we have done excellent work the last two seasons. I would like to be involved in a much higher capacity if you see fit. I have been around this region for the last 18 years. Obviously, I am extremely familiar with RMAC football, but know quite a bit about the LSC who is also in our region. In addition, I have taken the time to learn more about the NSIC since serving on the RAC and it has made me more aware of that conference and how they operate. There are a lot of challenges in Super Region 4 with various conferences, but I have gained valuable experience over the last two years representing our region and I feel I can serve our region further by being a member of the National Committee.

Past or current Committee Service:

This is also why I would like this opportunity. I would like to serve our coaches/institutions in SR4.
