Educational Column:

Effective October 1, 2008, NCAA Division II institutions should note that the NCAA Division II Committee for Legislative Relief has the authority to review incidental expense waivers (NCAA Bylaw 16.12). These requests were previously processed by the NCAA Division II Management Council Administrative Committee.

Bylaw 16.12.1.1 permits institutions and conferences to process incidental expenses, without the need for a waiver, provided the specific fact pattern of the institution's or conference's expense request is identical to a request that has been previously approved. If there is no direct on-point precedent for approval of the expense, the institution or conference must submit a formal Committee for Legislative Relief waiver application to the NCAA national office. Division II institutions may access the waiver application on the NCAA website (www.ncaa.org).

Note: Incidental expense waivers are only available for student-athletes and do not apply to prospective student-athletes. If an institution or conference wishes to provide a benefit/expense to a prospective student-athlete that is normally impermissible under the legislation, the institution or conference may consider filing a Committee for Legislative Relief waiver request for Bylaw 13.2 (offers and inducements) or Bylaw 13.15 (precollege expenses).
