

NCAA DIVISION III COMMITTEE ON STUDENT-ATHLETE REINSTATEMENT AMATEURISM CERTIFICATION PROCESS GUIDELINES

(Updated June 2024)

- Certification conditions are assessed for each violation that occurs, so if an individual is in violation of agent legislation and competition legislation, both certification conditions may be imposed.
- Prospective student-athlete (PSA) includes any individual who is subject to review by the NCAA amateurism certification staff.
- The NCAA Division III Committee on Student-Athlete Reinstatement noted that a prospective student-athlete may complete community service hours in lieu of repayment.
- The committee noted that the NCAA student-athlete reinstatement staff should continue to review factors (e.g., PSA culpability) that may increase or decrease the certification conditions.
