Institutions may self-apply on campus, any previously approved scenario specifically listed below without filing a formal request through Requests/Self-Reports Online. An institution is only permitted to approve a request if the institution’s circumstances appear on the list of designated previously approved requests, and the circumstances satisfy the specified criteria established for the particular previously approved request. If an institution’s circumstances do not appear on the list of previously approved requests, or if the circumstances do not satisfy all of the established criteria for a particular previously approved request, the institution must submit a formal request to the NCAA national office through RSRO for consideration.

Institutions are encouraged to call the student-athlete reinstatement staff at 317-917-6102 with any questions related to the administration of the student-athlete reinstatement previously approved request list process. This list of previously approved requests will be reviewed and updated on a bi-annual basis by the NCAA Division III Committee on Student-Athlete Reinstatement.

Previously Approved Waiver Requests:

An institution that applies relief of NCAA legislation based on the specific previously approved waiver requests must inform its conference office of the self-applied relief.

Previously Approved Reinstatement Requests:

For eligibility-impacting violations, this list does not absolve the institution of the requirement that it file the violation with the NCAA enforcement staff. Additionally, this list is not intended to suggest that a particular violation no longer impacts a student-athlete’s eligibility. Rather, this list allows an institution to itself reinstate a student-athlete based on the specific previously approved requests listed below. In its violation self-report (submitted through RSRO) the institution must indicate that the student-athlete has been reinstated pursuant to the circumstances outlined in this list.

Violations of Bylaw 12.5.1 Promotional Activities--Permissible.

If all of the following are satisfied, the institution may immediately reinstate the student-athlete for competition:

1. The student-athlete permitted the use of his or her name or picture to endorse, advertise, recommend or promote directly the sale or use of a commercial product or service of any
kind (e.g., provides testimonial, posts promotional item on his or her personal social media account);

2. The certifying institution verifies the student-athlete did not receive payment or material benefit (e.g., apparel) of any kind in exchange for the use of his or her name or picture; and

3. The impermissible endorsement, advertisement, recommendation or promotion has been deleted or removed.

Notes:

1. The certifying institution must report the violation to the NCAA enforcement staff through the RSRO system and indicate the student-athlete was reinstated via the student-athlete reinstatement previously approved request list.
