

REPORT OF THE
NCAA INTERNATIONAL STUDENT RECORDS COMMITTEE
NOVEMBER 20, 2025, MEETING

ACTION ITEMS.

- None.

INFORMATIONAL ITEMS.

1. **Review committee report.** The committee reviewed and approved the report from its August 7, 2025, teleconference.
2. **Review of the WJEC Level 3 Applied Diploma in Criminology credential from the United Kingdom.** The committee reviewed and approved the WJEC Level 3 Applied Diploma in Criminology credential as a not acceptable form of proof of high school graduation for the United Kingdom. This will be published in the next available update to the Guide to International Academic Standards for Athletics Eligibility.
3. **Review of the Yrkesexamen credential (with a “GB” designation) from Sweden.** The committee reviewed and approved the Yrkesexamen credential (with a “GB” designation signifying “General Eligibility for higher education” listed under the “General Competence” boxed section on the vocational diploma) as acceptable proof of high school graduation for Sweden. The Yrkesexamen credential (with a “GB” designation) will have a 12-year timeline (four years or 8 semesters from initial enrollment in year nine). The credential will be considered category two for old model purposes. This will be published in the next available update to the Guide to International Academic Standards for Athletics Eligibility.
4. **Review of the Yrkesexamen credential (without a “GB” designation) from Sweden.** The committee reviewed and approved the modification of the current entry for the Yrkesexamen credential (without a “GB” designation) presently listed as a not acceptable form of proof of high school graduation for Sweden. Specifically, a note will be added clarifying that the lack of a “GB” designation (signifying “General Eligibility for higher education” when listed under the “General Competence” boxed section on the vocational diploma) is what renders the credential as a not acceptable form of proof of high school graduation. This will be published in the next available update to the Guide to International Academic Standards for Athletics Eligibility.
