

**REPORT OF THE  
NCAA PLAYING RULES OVERSIGHT PANEL  
JUNE 5, 2019, TELECONFERENCE**

**ACTION ITEMS.**

- None.

**INFORMATIONAL ITEMS.**

1. **Welcome and announcements.** The chair welcomed those on the call and thanked everyone for their time.
2. **Duties and conflict of interest.** The panel reviewed the panel duties and the Conflict of Interest Policy from the Playing Rules Oversight Panel Policies and Procedures Manual.
3. **Approval of April 22, 2019, teleconference report.** The panel approved the report as written.
4. **NCAA Men's Basketball Rules Committee annual meeting report and comment period report.** The panel reviewed and approved 21 rules proposals submitted by the Men's Basketball Rules Committee, including a major rules change that extends the three-point line by approximately 1' 5" (from 20' 9" to 22' 1 and 3/4" at the top of the key and to 21' 7 and 7/8" in the corners). The rule is effective for Division I men's basketball with the 2019-20 season, however, it is not effective for Divisions II and III men's basketball until the 2020-21 season. The panel also approved a rule to permit a coach to call a timeout when a player on that team has control of the ball in the last two minutes of the second half and all overtimes as well as a rule change to reset the shot clock to 20 seconds after an offensive rebound. The panel considered delaying implementation of this rule for Divisions II and III men's and women's basketball until the 2020-21 season since there is potential financial impact depending on the age of the institution's existing equipment. However, based on feedback from several equipment manufacturers, who noted that the vast majority of institutions have equipment that can accommodate this change and those that do not will have minimal costs to upgrade, and based on overall support provided in the annual rules survey, the panel agreed to make the rule effective for the 2019-20 season for all three divisions to keep the rule consistent for officiating purposes. Further, the panel approved a change to add to the Class A technical foul category a player, substitute or bench personnel using derogatory remarks or personal comments relating to race, ethnicity, national origin, religion, gender, gender expression, gender identity, sexual orientation, or disability during the game.
5. **NCAA Women's Basketball Rules Committee annual meeting report and comment period report.** The panel reviewed and approved 12 rules proposals submitted by the Women's Basketball Rules Committee, which included resetting the shot clock to 20 seconds after a field-goal attempt hits the rim and the offensive team rebounds the ball in the front court, permitting a substitute to enter the game during multiple free throws only before the first attempt in the sequence or after the final attempt has been successfully converted, adding to the penalty for an ejection to include when a player is assessed one technical foul and one

unsportsmanlike foul, and permitting instant replay review to determine if a foul occurred prior to a shot-clock violation.

**6. Future meeting dates and times.** The panel was reminded of the teleconference schedule for 2019.

**7. Other business.** The panel had no other business.
