NCAA Division I Former Student-Athlete Undergraduate Degree Completion Funding Opportunities

Former Student-Athlete Degree Achievement Program

- Former men's basketball and women's basketball student-athlete.
- Must meet criteria for funding established by student-athlete degree completion legislation (Bylaw 15.01.5.2.1).
- Must submit completed application for funding by specified deadline.

Student-Athlete Degree Completion Assistance

- Former men's basketball and women's basketball student-athlete.
- · Division I membership requirement.
- Must meet criteria for funding established by the student-athlete degree completion legislation (Bylaw 15.01.5.2.1).

NCAA Degree Completion Program

- · Sports other than basketball.*
- Tuition, fees, allowance for books.
- · Fewer than 30 hours remaining.
- Must be entering at least sixth year of postsecondary education.
- Must submit completed application for funding.

The former student-athlete is eligible to receive funding if the criteria above are satisfied.

Division I institutions that provide athletics aid are required, as a condition and obligation of membership, to fund a degree completion program. The NCAA will provide funding for former student-athletes who meet the criteria above.

Please visit ncaa.org/former-student-athlete-degree-achievement for additional information.

- * Former basketball student-athletes who do not meet the criteria specified in Bylaw 15.01.5.2.1 may apply for the NCAA Degree Completion Program.
- * Former student-athletes seeking degree completion funding should contact an institutional staff member (e.g., Senior Woman Administrator, compliance and/or academics).
