

**NCAA Division I Squad Lists and Instructions**

For:	NCAA Division I institutions; NCAA Division II and III institutions with Division I sports.
Action:	Complete appropriate squad list for each sport.
Due date:	First day of outside competition in the sport.
Required by:	NCAA Bylaw 15.5.11.2.
Purpose:	To qualify student-athletes for intercollegiate competition and assess compliance with NCAA financial aid rules.

TO: DIRECTOR OF ATHLETICS.

To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be included on the institution's squad list form. (NCAA Bylaw 15.5.11.1)

The institution must complete a squad list (Form 19-2) for each sport by the first day of outside competition. During the year, the list should be revised whenever a student-athlete joins the squad or a current squad member's status changes. All student-athletes listed on the squad lists must have signed a drug-testing consent form. (Bylaw 12.7.3)

Use the version of the squad list that is appropriate for your division and sport. This set of instructions explains how to fill out each version:

<u>Form</u>	<u>Division/Sport</u>	<u>Page(s)</u>
19-2a	Bowl Subdivision football (FBS).	6 - 8
19-2b	Championship Subdivision football (FCS).	8 - 10
19-2c	Head-count sports other than football (men's and women's basketball, women's gymnastics, women's tennis, women's volleyball).	11 - 12
19-2d	Equivalency sports other than baseball and ice hockey.	12 - 14
19-2e	Ice hockey.	14 - 15
19-2f	Baseball.	15 - 17

**Column on Squad
Lists:**

Instructions:

Name/ID Number:

Type or print the name and ID number of each student-athlete in the specified sport. Include nonqualifiers and student-athletes who are fulfilling a transfer residence requirement or an injury-hardship waiver. [Note: Any student-athlete who signs a drug-testing consent form must be included on the institution's squad-list form and any student-athlete who is included on the squad-list form must have signed a drug-testing consent form pursuant to Bylaw 12.7.3. See Bylaws 12.7.3.1, 12.7.3.2, 12.7.3.3, 15.5.11.3 and 15.5.11.3.1, except that a student-athlete who is "trying out" for a team is not required to be placed on the squad list for 14 days from the first date the student-athlete engages in countable athletically related activities or until the institution's first competition (whichever occurs earlier).]

Eligible to Compete:

Use this column to indicate whether a student-athlete is eligible (**Y**) or not eligible (**N**) to represent the institution in competition pursuant to all NCAA, conference and institutional eligibility requirements.

Status of Student:

Describe the status of the student-athlete in these five columns.

**Term first
enrolled at any
institution.**

Indicate the term and year of the regular academic year (excluding summer) that the student-athlete first enrolled at any collegiate institution full time. Use **F** for fall, **W** for winter and **S** for spring.

**Term first
enrolled at your
institution.**

Indicate the term and year of the regular academic year (excluding summer) that the student-athlete first enrolled at your institution full time. Use **F** for fall, **W** for winter and **S** for spring.

**Number of years
received financial
aid.**

Indicate the number of years the student-athlete has received institutional financial aid, not including this year. (See Bylaw 15.02.5.2 for applicable definition of "institutional financial aid.")

**Number of seasons
used.**

Indicate the number of seasons of competition the student-athlete has used, not including this year. [Note: For student-athletes who do not qualify for four years of competition (e.g., nonqualifiers), a notation may be used to indicate the total number of seasons of eligibility available.]

**Column on Squad
Lists:**

Instructions:

**Recruited per
Bylaw 15.02.9.**

Indicate whether your institution recruited the student-athlete as defined in Bylaw 15.02.9. Use **Y** for yes and **N** for no.

Financial Aid:

Describe the financial aid each student is receiving in these four columns.

Period of award.

For a one-year award, use **FY** if the award is for the full-academic year. For a multiyear award, indicate the term and year of the regular academic year (excluding summer) that the award expires. Use **F** for fall, **W** for winter and **S** for spring. For example, if the award expires at the conclusion of the 2019-20 academic year, enter **S-19**.

**One-year period
exception.**

Use (a), (b), (c), (d), (e) or (f) if the award is for less than the full-academic year. (See Bylaw 15.3.3.1.1 for exceptions to the one-year period requirement.)

**Amount of athletics
grant.**

Indicate the dollar amount your institution awarded the student-athlete in athletics grants-in-aid. To assist in calculations for revenue distribution on Forms 19-2a through 19-2f, calculate the dollar amount of all athletics grants-in-aid awarded in the sport and enter the total in the box provided.

**Amount of other
countable aid.**

Indicate the dollar amount of institutional financial aid (other than athletics grants-in-aid) as set forth in Bylaw 15.02.5.2. (See Bylaw 15.02.5.4.)

**Column on Squad
Lists:**

Instructions:

Total countable aid.

Indicate the dollar amount of the total countable financial aid by adding the amounts of any athletics grants-in-aid and other countable aid. To assist in monitoring the financial aid requirements for minimum awards (Bylaw 20.9.3.2) on Forms 19-2a through 19-2f, calculate the dollar amount of countable aid awarded in the sport. [Note: **Do not** include the countable aid awarded to **exempt** student-athletes (see “Exempt” below) **except** for student-athletes who have exhausted their eligibility in a sport during a previous academic year (Bylaw 15.5.1.5) or have a medical exception per Bylaw 15.5.1.2.] Enter the total in the box provided.

[Note: A worksheet is available for use by institutions that elect to count on-campus employment earnings in order to meet minimum financial aid requirements (Bylaw 20.9.3.2.8). Please contact the NCAA academic and membership affairs staff.]

Exempt:

Indicate whether the student-athlete is exempt from counting against your team limits on financial aid awards. Use **Y** for yes. A student-athlete is exempt if he or she meets one of the following conditions:

1. Regardless of whether he or she was recruited per Bylaw 15.02.9, he or she is not receiving institutional financial aid as set forth in Bylaw 15.02.5.2;
2. He or she was not recruited per Bylaw 15.02.9 and is not receiving athletically related financial aid as set forth in Bylaw 15.02.5.1;
3. He or she was recruited per Bylaw 15.02.9, is not participating in Division I football or basketball and is not receiving athletically related financial aid as set forth in Bylaw 15.02.5.1; or

**Column on Squad
Lists:**

Instructions:

4. He or she was recruited per Bylaw 15.02.9, is participating in Division I football or basketball, has not yet engaged in varsity intercollegiate competition and is not receiving athletically related financial aid as set forth in Bylaw 15.02.5.1.

A multiple-sport student-athlete must be listed on the squad-list form for each sport in which the student-athlete participates. For purposes of counting against your team limits, however, the student-athlete shall be counted in one sport only. (See Bylaw 15.5.9 to determine which sports take precedence in counting against team limits.)

**Countable
SA/Equivalency:**

Fill in the columns for each student-athlete who is not exempt. Use the applicable squad list for your division and sport. The instructions that follow for the “Countable Student-Athlete” section are different depending on the version.

Change in Status:

Indicate a student-athlete’s change in status during the academic year. Use the applicable version of the squad list for your division and sport. The instructions that follow for the “Change in Status” section are different depending on the version.

**Grant-in-Aid Revenue
Distribution:**

(Division I only)

Optional: This column may be used to determine the equivalency value on which your institution’s dollar amount for revenue distribution is calculated. Indicate the figure by dividing each student-athlete’s amount of athletics grant-in-aid (total countable aid column) by his or her cost for tuition and fees, room and board and required course-related books, (full grant amount column or total cost column) rounded off to two decimal places (e.g., .75), not to exceed 1.00. Add the figures and enter the total.

Instructions for Use With Form 19-2a -- Bowl Subdivision Football

Countable Student-Athletes:

**Total cost for
tuition and fees,
room and board,
and books.**

Indicate the total of each student-athlete's cost for tuition and fees, room and board and required course-related books, based on the actual cost or average cost of a full grant-in-aid for all students at your institution. [Note: If you use the average-cost method, do not combine in-state and out-of-state tuition to arrive at a single average cost for tuition. Calculate separate average educational costs for in-state and out-of-state students.]

This column is to be completed to assist in monitoring the financial aid requirements for minimum awards (Bylaw 20.9.3.2) and in determining equivalent awards for revenue distribution.

Initial.

Place a mark in this box for each student-athlete you are counting against the limit on awarding financial aid for the first time. You must include:

1. All student-athletes (including transfer residents) who are receiving, for the first time, institutional financial aid that is countable against the maximum squad limits, except that a student-athlete who has been in residence at the certifying institution for at least two academic years may receive athletically related financial aid for the first time without such aid counting as an initial award, provided the aid falls within the overall grant limit (Bylaws 15.02.3.1 and 15.5.6.3.5);
2. Student-athletes who are recruited per Bylaw 15.02.9 and entered after the first term of the previous academic year, who immediately received athletically related aid and who were not initial counters in the previous year (Bylaw 15.5.6.3.2);

3. Student-athletes not recruited per Bylaw 15.02.9 who received institutional financial aid (based in any degree on athletics ability) after beginning football practice who were not initial counters in the previous year (Bylaw 15.5.6.3.3); and
4. Student-athletes recruited per Bylaw 15.02.9 who enter in the fall term of the current academic year and compete on the varsity level and receive institutional financial aid (Bylaw 15.5.1.1).

Overall.

Place a mark in this box for each student-athlete (including each initial-award recipient) who is a counter (per Bylaw 15.5.1).

How to calculate your total countable student-athletes:

Initial.

Add the number of initial marks and compare this total to the limit specified in Bylaw 15.5.6.1.

Overall.

Add the number of overall marks and compare this total to the limit specified in Bylaw 15.5.6.1.

Change in Status:

Indicate a student-athlete's change in status during the academic year (student-athlete is no longer an active participant in the sport). [Note: A student-athlete who is a counter at the time of the change in status remains a counter for the remainder of the academic year unless the student-athlete qualifies for an exception (Bylaw 15.5.1.2.1, incapacitating injury or illness prior to initial practice).]

Reason.

Indicate the reason for a change in status as follows:

1. Cut or dismissed from team. (C)
2. Exhausted eligibility in the sport. (E)

3. Graduated. (G)
4. Medical exception resulting from career-ending injury or condition. (M)
5. Quit the team. (Q)
6. Withdrew from the institution. (W)

Date. Indicate the effective date of the change in status.

Revenue Distribution: See instructions on Page No. 5.

[Note: If you use the average-cost method, do not combine in-state and out-of-state tuition to arrive at a single average cost for tuition. Overall.

Place a mark in this box for each student-athlete (including each initial-award recipient) who is receiving, or who has received, any institutional financial aid that is countable against the maximum aid limits in this academic year.

Equivalent award.

Depending on institutional equivalency designation for the student-athlete, indicate a figure by dividing each student-athlete's total countable aid by either total cost (A) or total cost (O) as determined by the institution for each student-athlete rounded off to two decimal places (e.g., .75) and place in the appropriate equivalency column. [Note: If you use the **actual** cost for tuition and fees, room and board and books, the equivalent award is calculated by dividing the **actual** amount of institutional financial aid received by the student-athlete (numerator) by the **actual** value of a full grant-in-aid (denominator). If you use the **average** cost for tuition and fees, room and board and books, the equivalent award is calculated by dividing the **average** amount of institutional financial aid received by the student-athlete (numerator) by the **average** value of a full grant-in-aid for all students at your institution (denominator).] (See Bylaw 15.5.3.2)
