

NCAA Division II Drug-Testing Consent

For: Student-athletes.
Action: Sign and return to your director of athletics.
Due date: At the time your intercollegiate squad first reports for practice or the first day of competition or before the Monday of the fourth week of classes, whichever is earlier.
Required by: NCAA Constitution 3.3.4.11 and NCAA Division II Bylaw 14.1.4.1.
Purpose: To assist in certifying eligibility.
Effective date: This consent form shall be in effect from the date this document is signed and shall remain in effect until a subsequent Drug-Testing Consent Form is executed.

Requirement to Sign Drug-Testing Consent Form.

Name of your institution: _____

Name of student-athlete: _____ Sport(s): _____

You must sign this form to participate (i.e., practice or compete) in intercollegiate athletics per NCAA Constitution 3.3.4.11 and NCAA Division II Bylaw 14.1.4.1 (content and purpose). If you have any questions, you should discuss them with your director of athletics.

Consent to Testing.

You agree to allow the NCAA to test you on a year-round basis and in relation to any participation by you in any NCAA championship and in any postseason football game certified by the NCAA for the banned drugs listed in Division II Bylaw 31.2.3.1 (banned drugs) (Attachment). Examples of drugs under each class can be found at www.ncaa.org/drugtesting. Note: There is no complete list of banned substances. Check Drug Free Sport AXIS at 877-202-0769 or www.drugfreesport.com/axis (Password: ncaa1, ncaa2, or ncaa3) for questions about supplements, medications and banned drugs.

Consequences for a Positive Drug Test.

By signing this form, you affirm that you are aware of the NCAA drug-testing program, which provides:

1. A student-athlete who tests positive for an NCAA banned drug will be declared ineligible for participation in postseason and regular-season competition (unless a medical exception is granted).
2. A student-athlete who tests positive for a banned drug other than cannabinoids and narcotics shall be ineligible for competition in all sports until he or she has been withheld

from the equivalent of one season of regular season competition. The student-athlete shall be charged with the loss of one season of competition in all sports, in addition to the use of a season if he or she participated in intercollegiate competition during the same academic year. The student-athlete shall be ineligible for intercollegiate competition for 365 consecutive days after the collection of the student-athlete's positive drug-test specimen and until he or she tests negative pursuant to the policies and procedures of the NCAA Drug-Testing Program.

3. A student-athlete who tests positive a second time for the use of any drug other than cannabinoids or narcotics shall lose all remaining regular season and postseason eligibility in all sports. A student-athlete who previously tested positive for the use of any drug other than cannabinoids or narcotics who tests positive for use of a substance in the banned drug class cannabinoids and narcotics shall be withheld from competition for 50 percent of a season in all sports (i.e., first 50 percent of all regular season contests or dates of competition in the season following the positive test). The student-athlete will remain ineligible until the prescribed penalty is fulfilled and he or she tests negative pursuant to the policies and procedures of the NCAA Drug-Testing Program.
4. A student-athlete who tests positive for use of a substance in the banned drug classes cannabinoids or narcotics shall be ineligible for competition during 50 percent of a season of competition in all sports (i.e., 50 percent of all contests or dates of competition in the season following the positive test) and remain ineligible until the prescribed penalty is fulfilled and he or she tests negative pursuant to the policies and procedures of the NCAA Drug-Testing Program.
5. A student-athlete who tests positive a second time for use of a substance in the banned drug classes of cannabinoids or narcotics shall be subject to the penalties set forth in Bylaw 18.4.1.4.1 (penalty – banned drug classes other than cannabinoids and narcotics).
6. A student-athlete found to have tampered with an NCAA drug-test sample shall be ineligible for competition in all sports until he or she has been withheld from the equivalent of two seasons of regular-season competition. A student-athlete involved in tampering during a year in which he or she did not use a season of competition, shall be charged with the loss of two seasons of competition in all sports. A student-athlete involved in tampering during a year in which he or she used a season of competition, shall be charged with the loss of two additional seasons of competition in all sports, in addition to the season used, unless he or she uses a season of competition in one of the next two academic years. If he or she used a season of competition in one of the next two academic years, he or she will only be charged one additional season of competition in all sports, in addition to the season used. The student-athlete shall be ineligible for intercollegiate competition for 730 consecutive days after the student-athlete was involved in tampering and until he or she tests negative pursuant to the policies and procedures of the NCAA Drug-Testing Program.
7. If a student-athlete transfers to a non-NCAA institution while ineligible because of a

positive NCAA drug test and competes in collegiate competition within the prescribed penalty at a non-NCAA institution, the student-athlete will be ineligible for all NCAA regular season and postseason competitions until the student-athlete does not compete in collegiate competition for the entirety of the prescribed penalty while enrolled and otherwise eligible for competition at an NCAA institution. The student-athlete shall be ineligible for intercollegiate competition for the applicable consecutive days (365 or 730) after his or her final non-NCAA competition and will remain ineligible until he or she tests negative pursuant to the policies and procedures of the NCAA Drug-Testing Program.

8. The penalty for missing a scheduled drug test is the same as the penalty for testing positive for the use of a banned drug other than a cannabinoid or narcotic.
9. A student-athlete who tests positive has an opportunity to appeal the sanctions resulting from the positive drug test.

Signatures.

By signing below, I consent:

1. To be tested by the NCAA in accordance with NCAA drug-testing policy, which provides among other things that:
 - a. I will be notified of selection to be tested;
 - b. I must appear for NCAA testing or be sanctioned for a positive drug test; and
 - c. My urine sample collection will be observed by a person of my same gender.
2. To accept the consequences of a positive drug test or a breach of drug testing protocol;
3. To allow my drug-test sample to be used by the NCAA drug-testing laboratories for research purposes to improve drug-testing detection; and
4. To allow disclosure of my drug-testing results only for purposes related to eligibility for participation in NCAA competition.

2020-21 NCAA Banned Drugs

It is your responsibility to check with the appropriate or designated athletics staff before using any substance.

The NCAA bans the following drug classes.

- a. Stimulants.
- b. Anabolic agents.
- c. Alcohol and beta blockers (banned for rifle only).
- d. Diuretics and masking agents.
- e. Narcotics.
- f. Cannabinoids.
- g. Peptide hormones, growth factors, related substances and mimetics.
- h. Hormone and metabolic modulators (anti-estrogens).
- i. Beta-2 agonists.

Note: Any substance chemically/pharmacologically related to all classes listed above and with no current approval by any governmental regulatory health authority for human therapeutic use (e.g., drugs under pre-clinical or clinical development or discontinued, designer drugs, substances approved only for veterinary use) is also banned. The institution and the student-athlete shall be held accountable for all drugs within the banned-drug class regardless of whether they have been specifically identified. Examples of substances under each class can be found at www.ncaa.org/drugtesting. There is no complete list of banned substances.

Substances and Methods Subject to Restrictions:

- Blood and gene doping.
- Local anesthetics (permitted under some conditions).
- Manipulation of urine samples.
- Beta-2 agonists (permitted only by inhalation with prescription).
- Tampering of urine samples.

NCAA Nutritional/Dietary Supplements:

Warning: Before consuming any nutritional/dietary supplement product, review the product and its label with your athletics department staff!

- Nutritional/Dietary supplements, including vitamins and minerals, are not well regulated and may cause a positive drug test.
- Student-athletes have tested positive and lost their eligibility using nutritional/dietary supplements.
- Many nutritional/dietary supplements are contaminated with banned substances not listed on the label.
- Any product containing a nutritional/dietary supplement ingredient is taken at your own risk.

Athletics department staff should provide guidance to student-athletes about supplement use, including a directive to have any product checked by qualified staff members before consuming. The NCAA subscribes only to Drug Free Sport AXIS™ for authoritative review of label ingredients in medications and nutritional/dietary supplements. Contact the Drug Free Sport AXIS at 877-202-0769 or www.dfsaxis.com (password ncaa1, ncaa2 or ncaa3).
