Sport(s)

This form has four parts: a statement concerning eligibility; a Buckley Amendment consent; results of drug tests; and NCAA Transfer Portal signature. You must sign Parts I, II and III in order to participate in intercollegiate competition.

Before you sign this form, you should read the Summary of NCAA Regulations, or another outline or summary of NCAA regulations, provided by your director of athletics or read the regulations of the NCAA Division III Manual that deal with your eligibility. You are responsible for knowing and understanding the application of all NCAA Division III regulations related to your eligibility. If you have any questions, you should discuss them with your director of athletics.

The conditions that you must meet to be eligible and the requirement that you sign this form are indicated in the following articles and regulations of the Division III Manual: NCAA Bylaws 10, 12, 13, 14, 15, 16, 18.4 and 31.2.3.

If you have questions you may contact the NCAA at 317-917-6222.

Part I. Statement Concerning Eligibility.

- By signing this part of the form, you affirm that, to the best of your knowledge, you are eligible to compete in intercollegiate competition.
- You affirm that your institution has provided a copy of the Summary of NCAA Regulations, or another outline or summary of NCAA regulations, or the relevant sections of the Division III Manual and that your director of athletics (or his or her designee) gave you the opportunity to ask questions about the regulations.
- You affirm that you have knowledge of and understand the application of Division III regulations related to your eligibility.
- You affirm that you meet the NCAA regulations for student-athletes regarding eligibility, recruitment, financial aid, amateur status and involvement in organized gambling.
- You affirm that you are aware of the NCAA drug-testing program and that you have signed the 2019-20 Drug-Testing Consent Form (Form 19-3f).
- You affirm that you have reported to the director of athletics of your institution any violations of NCAA regulations involving you and your institution.
- You affirm that you understand that if you sign this statement falsely or erroneously you violate NCAA regulations regarding ethical conduct, and you will further jeopardize your eligibility.

Part II. Buckley Amendment Consent.

By signing this part of the form, you certify that you agree to disclose your education records.

You understand that this entire form and the results of any NCAA-administered drug test you take are part of your education records. These records are protected by the Family Educational Rights and Privacy Act of 1974 and they may not be disclosed without your consent.

You give your consent to disclose only to authorized representatives of this institution, its athletics conference (if any) and the NCAA, the following documents:

- This form;
- Results of NCAA drug tests and related information and correspondence;
- Results of positive drug tests administered by a non-NCAA national and international sports governing body;
- Any transcript from your high school, this institution, or any junior college or any other four-year institutions you have attended;
- Pre-college test scores, appropriately related information and correspondence (e.g., testing sites and dates and letters of test-score certification or appeal) and where applicable, information relating to eligibility for or conduct of nonstandard testing;
- Graduation status;
- Your social security number and/or student identification number;
- Race and gender identification;
- Diagnosis of any education-impacting disabilities;
- Accommodations provided or approved and other information related to any education-impacting disabilities in all secondary and postsecondary schools;
- Records concerning your financial aid; and
- Any other papers or information pertaining to your NCAA eligibility.

You agree to disclose these records only to determine your eligibility for intercollegiate athletics, for evaluation of school and team success, for awards and recognition programs highlighting student-athlete academic success, for purposes of inclusion in summary institutional information reported to the NCAA (and which may be publicly released by it), for NCAA longitudinal research studies and for activities related to NCAA compliance reviews. You will not be identified by name by the NCAA in any such published or distributed information.

Further, you authorize the NCAA to disclose personally identifiable information from your educational records (including information regarding any NCAA violations in which you may become involved while you are a student-athlete) to a third party (including, but not limited to, the media) as necessary to correct inaccurate statements reported by the media or related to a student-athlete reinstatement case, infractions case or waiver request or to recognize your selection for an academic award (e.g., Elite 90). You also agree that necessary case information (i.e., information from your student-athlete reinstatement case, infractions case or waiver request) may be published or distributed to third parties as required by NCAA regulations, policies or procedures. You will not be identified by name by the NCAA in any such published or distributed information.

3. A student-athlete who tests positive has an opportunity to appeal the sanction;
4. A student-athlete who tests positive a second time for the use of any substance in a banned drug class other than cannabinoids and narcotics shall lose all remaining regular season and postseason eligibility in all sports. A student-athlete who tests positive a second time for the use of a substance in the drug classes cannabinoids or narcotics shall be withheld from competition for 365 days from the date of the test and shall lose a year of eligibility. A student-athlete who tests positive for the use of a substance in the drug classes cannabinoids and narcotics for the first time after having tested positive for the use of any substance in a banned drug other than cannabinoids and narcotics shall be ineligible for competition for 50 percent of a season in all sports (the first 50 percent of regular season contests or dates of competition in the season following the positive test);
5. The penalty for missing a scheduled drug test is the same as the penalty for testing positive for the use of a substance in a banned drug class other than cannabinoids and narcotics;
6. A student-athlete who is found to have tampered with an NCAA drug test sample shall be charged with the loss of a minimum of two seasons of competition in all sports and shall remain ineligible for all regular season and postseason competition during the time period ending two calendar years (i.e., 730 days) from the date of the test; and
7. If a student-athlete transfers to a non-NCAA institution while ineligible because of a positive NCAA drug test and competes in collegiate competition within the prescribed penalty at a non-NCAA institution, the student-athlete will be ineligible for all NCAA regular season and postseason competition until the student-athlete does not compete in collegiate competition for the entirety of the prescribed penalty.

Signatures.

By signing below, I consent:

1. To be tested by the NCAA in accordance with NCAA drug-testing policy, which provides among other things that:
 - a. I will be notified of selection to be tested;
 - b. I must appear for NCAA testing or be sanctioned for a positive drug test; and
 - c. My urine sample collection will be observed by a person of my same gender;
2. To accept the consequences of a positive drug test or a breach of drug testing protocol;
3. To allow my drug test sample to be used by the NCAA drug testing laboratories for research purposes to improve drug testing detection; and
4. To allow disclosure of my drug testing results only for purposes related to eligibility for participation in NCAA competition.

I understand that if I sign this statement falsely or erroneously, I violate NCAA legislation on ethical conduct and will jeopardize my eligibility.

2019-20 NCAA Banned Substances

It is the student-athlete's responsibility to check with the appropriate or designated athletics staff before using any substance.

The NCAA bans the following drug classes.

- a. Stimulants.
- b. Anabolic agents.
- c. Alcohol and beta blockers (banned for rifle only).
- d. Diuretics and masking agents.
- e. Narcotics.
- f. Cannabinoids.
- g. Peptide hormones, growth factors, related substances and mimetics.
- h. Hormone and metabolic modulators (anti-estrogens).
- i. Beta-2 agonists.

Note: Any substance chemically/pharmacologically related to all classes listed above and with no current approval by any governmental regulatory health authority for human therapeutic use (e.g., drugs under pre-clinical or clinical development or discontinued, designer drugs, substances approved only for veterinary use) is also banned. The institution and the student-athlete shall be held accountable for all drugs within the banned-drug class regardless of whether they have been specifically identified. Examples of substances under each class can be found at www.ncaa.org/drugtesting. There is no complete list of banned substances.

Substances and Methods Subject to Restrictions:

- a. Blood and gene doping.
- b. Local anesthetics (permitted under some conditions).
- c. Manipulation of urine samples.
- d. Beta-2 agonists (permitted only by inhalation with prescription).
- e. Tampering of urine samples.

NCAA Nutritional/Dietary Supplements:

Warning: Before consuming any nutritional/dietary supplement product, review the product and its label with your athletics department staff!

- a. Nutritional/Dietary supplements, including vitamins and minerals, are not well regulated and may cause a positive drug test.
- b. Student-athletes have tested positive and lost their eligibility using nutritional/dietary supplements.
- c. Many nutritional/dietary supplements are contaminated with banned substances not listed on the label.
- d. Any product containing a nutritional/dietary supplement ingredient is taken at your own risk.

Athletics department staff should provide guidance to student-athletes about supplement use, including a directive to have any product checked by qualified staff members before consuming. The NCAA subscribes only to Drug Free Sport AXIS™ for authoritative review of label ingredients in medications and nutritional/dietary supplements. Contact the Drug Free Sport AXIS at 877-202-0769 or www.dfsaxis.com (Organization: NCAA Division III; password: ncaa3).
