Use this form so that you may contact another NCAA Division III college's or university's athletics staff members (including coaches) about a possible transfer. This form does not allow you to contact athletics department staff members at NCAA Division I or II institutions.

Bylaw 13.1.1.2 states that:

An athletics staff member or other representative of the institution's athletics interests shall not make contact in any manner (e.g., in-person contact, telephone calls, electronic communication, written correspondence) with the student-athlete of another NCAA four-year collegiate institution, directly or indirectly, without first obtaining written permission to do so, regardless of who makes the initial contact. If permission is not granted, the second institution shall not encourage the transfer. If permission is granted, all applicable NCAA recruiting rules apply. If an institution receives a written request from a student-athlete to permit another institution to contact the student-athlete about transferring, the institution shall grant or deny the request within seven business days (see Bylaw [13.02.1](#)) of receipt of the request. If the institution fails to respond to the student-athlete's written request within seven business days, permission shall be granted by default and the institution shall provide written permission to the student-athlete. Written permission may be granted by:

- The first institution's athletics director (or an athletics administrator designated by the athletics director); or
 - The student-athlete if the student-athlete attends a Division III institution.

1. Completing this form gives you permission to have contact with the athletics staff at another NCAA Division III college or university to discuss a potential transfer. It also gives another college or university permission to contact you. This form does not include any

information about your academic or athletics eligibility; however, in order to be immediately eligible to compete at the new institution, you must have been academically eligible for athletics had you stayed at your current institution.

2. This form is effective for 30 days from the date of signature. While the form is effective, the new institution may contact you, or you may contact the new institution. If this is the first time you have sent this form to a particular institution, then that institution must preserve the privacy of this contact and any further communication. If you desire, this privacy can be waived by checking the box at the bottom of this form. At the end of the 30-day period, if you decide to transfer, your new institution must notify your current institution within a seven-day period of the form's expiration date.
3. If you decide not to pursue the transfer, the college or university you contacted is not allowed to notify your current institution of the contact at any time. If you are undecided at the end of the 30-day period, you must send a new copy of this form to have additional contact with the college or university. Further, because this second release is beyond the first 30-day period, the new college or university must notify your current institution within seven days of the issuance of the second release.
4. By signing this form, you agree that you permit the named college or university to contact you for a 30-day period from the date this document is signed. You also agree that if you decide to transfer, or if you send a second self-release, the new college or university will notify your current institution of these facts. **Institutions in receipt of this form are not allowed to notify your current institution of this release, unless:**
 - a. You have granted permission for that notification to occur by checking the box on the bottom of this form;
 - b. You notify the institution in receipt of the form that you have decided to transfer to that institution; or
 - c. You have issued a second self-release.
