

**INFORMATION REGARDING 2019 NCAA DIVISION I WOMEN'S BASKETBALL
COACHES' ATTENDANCE AT ELITE AND JUNIOR LEVEL INTERNATIONAL
EVENTS AND NATIONAL TEAM EVENTS
(Revised 06/18/19)**

To assist the membership, the NCAA academic and membership affairs (AMA) staff has collaborated with USA Basketball to provide a list of events women's basketball coaches may or may not attend in the upcoming months. It is important to note the list is not exhaustive and even though NCAA bylaws may permit coaches to attend an event, the governing body may limit coaches' attendance due to the importance of proper national team preparations and gym space limitations.

As a reminder, women's basketball staff members shall not exceed 112 recruiting-person days each year (measured August 1 through July 31). A coach's involvement in off-campus recruiting activities during the July evaluation periods does not count toward the limitation.
