

Division I Men's Basketball

Information regarding 2022 NCAA Division I Men's Basketball coaches' attendance at elite and junior level international events and national team events.

To assist the membership, the NCAA academic and membership affairs staff has collaborated with USA Basketball to provide a list of events men's basketball coaches may or may not attend in the upcoming months. It is important to note the list is not exhaustive and even though NCAA legislation may permit coaches to attend an event, the governing body may limit coaches' attendance due to the importance of proper national team preparations and gym space limitations.

Note: For coaches to attend and watch practices during FIBA Competitions, coaches need approval from the local organizing committee and each country's national team. USA Basketball training camp for U17 will be closed to college coaches.

Please note, attendance is subject to federal, state and local health and safety protocols.
