## Recruiting periods defined

### QUIET PERIOD

A quiet period is that period of time when it is permissible to make in-person recruiting contacts only on the member institution's campus. No in-person, off-campus recruiting contacts or evaluations may be made during the quiet period.

### DEAD PERIOD

A dead period is that period of time when it is not permissible to make in-person recruiting contacts or evaluations on or off the member institution's campus or to permit official or unofficial visits by prospective student-athletes to the institution's campus.

### EVALUATION PERIOD

An evaluation period is that period of time when it is permissible for authorized athletics department staff members to be involved in off-campus activities designed to assess the academic qualifications and playing ability of prospective student-athletes. No in-person, off-campus recruiting contacts shall be made with the prospective student-athlete during an evaluation period.

### CONTACT PERIOD

A contact period is that period of time when it is permissible for authorized athletics department staff members to make in-person, off-campus recruiting contacts and evaluations.

### RECRUITING SHUTDOWN

A recruiting shutdown is a period of time when no form of recruiting (e.g., contacts, evaluations, official or unofficial visits, correspondence or making or receiving telephone calls) is permissible.

\* Dates are based on the Women's College World Series®. If the WCWS dates are delayed, the dead period continues through the day of the final championship game. If the WCWS ends after two games, the dead period concludes on the day of the final game and the contact period begins the next day.
