Normally, would be the 3<sup>rd</sup> weekend of April, but per the recruiting calendar legislation, based on Easter falling on the 3<sup>rd</sup> weekend in April in 2019 and the ACT/SAT test dates, NCAA-certified events for girls will be on the 4<sup>th</sup> weekend in April for 2019.

Normally would have two weekends in April, but per recruiting calendar legislation, based on the spring signing date for the National Letter of Intent, Easter and the ACT/SAT test dates, there is only one eligible weekend for April events for boys in 2019.

As a result of proposals from the Commission on College Basketball, there is a reduction in evaluation periods for men's nonscholastic basketball events in 2019 from three weekends to one weekend in July. The other periods in July are reserved for Division I men's college basketball coaches to attend the [NCAA College Basketball Academy](#) from [July 23-28](#).
