

# Checking Eligibility Center Status

All teams required to participate in June Scholastic events are required to have an acceptable status with the NCAA Eligibility Center (EC); [i.e., cleared, extended evaluation or in review]. Below are instructions for checking teams and identifying their status with the EC.

1. Go to <https://web3.ncaa.org/ecwr3/>
2. Click "High School Administrators" link in the upper right-hand corner of the page.

3. Click "List of NCAA Courses" button.

4. Search for the school with the fields in the blue box.

The form is titled 'High School Selection' and contains a section for searching for a high school's list of NCAA courses. It includes instructions and two search methods: by NCAA High School Code or CEEB/ACT Code. Below these, there is an 'OR' section with fields for 'State' (a dropdown menu set to 'ALL'), 'City', and 'High School Name'. These three fields are grouped together and highlighted with a blue rectangular box. At the bottom of the form is a 'Search' button.

5. When the school(s) appears, click the hollow dot next to the correct school.

6. The high school's information will appear, and the EC status will be identified. The school MUST have a check in the Account Status box next to **CLEARED** to participate.

<input checked="" type="checkbox"/> (07/18/2016)	<b>Cleared</b>
<input type="checkbox"/>	Extended Evaluation
<input type="checkbox"/>	Not Cleared
<input type="checkbox"/>	In Review
<input type="checkbox"/>	Suspended
<input type="checkbox"/>	Closed

<input type="checkbox"/>	Withdrawn

**School Not Located Tips**

If the school does not appear, it either is not a school that has been cleared by the EC or the search terms you entered were insufficient. Try entering a portion of the school's name and search again. If there is a common abbreviation for part of the name, try using the alternate of what you entered the first time, either the abbreviation of the spelling of the word (e.g., Mt. or Mount; St. of Saint, etc.). If the school is not found, the team does not meet the EC requirements to participate.

Post-graduate school teams are NOT “high school” teams and cannot participate.
