NCAA 2025-2026 Division I Legislative Processes

The two legislative processes below outline how amendments to current Division I legislation can occur. Committee members collaborate with NCAA staff, member conferences and institutions and student-athletes throughout the decision-making process. The following information summarizes the steps required for enacting changes.

All sport oversight committees have limited authority to introduce and approve legislative proposals in the following bylaws, subject to review by the Administrative Committee:

- 1. Sportsmanship and other ethical behaviors;
- Conduct of athletics personnel (NCAA Division I Bylaw 11);
- 3. Recruiting (Bylaw 13);
- 4. Playing and practice seasons (Bylaw 17); and
- 5. Processes and procedures related to the administration of the regular season and championship (Bylaw 31).

Proposal Requirements:

- Intent and rationale.
- · Effective date.
- · Budget impact.
- ·Student-athlete time impact.
- · Division I commitment alignment.
- · Legislative lenses.

Conferences may submit concepts to an oversight committee or the Administrative Committee to consider for introduction as proposals.

Amendments to Division I Legislation

»» LEVEL OF URGENCY »»			
Division Dominant Legislative Process	Standard Legislative Process	Expedited Legislative Process	Emergency Legislative Process
Proposals that would amend division dominant provisions, including changes to revenue distribution funds or formulas and proposals impacting championships access.	Proposals that are considered through the standard legislative process. Such proposals do not require immediate action and may be more complex and may require more time and opportunities for review and feedback. Most proposals fall under this category.	Proposals that do not meet the definition of emergency, but using the standard process would cause disruption in the efficient administration of the impacted activity or function.	Proposals where significant values are at stake and the use of the standard legislative process is likely to cause significant harm or hardship to the Association or the Division I membership.
Examples include the creation of new revenue distribution funds, such as the recently adopted women's basketball equal conference and performance funds.	Examples include changes to recruiting legislation or introducing an emerging sport.	Examples include amendments to playing season regulations.	Examples include immediate health and safety concerns or deregulation of rules.
