

NCAA Division I Proposal No. 2023-46 Men's Basketball Recruiting Calendar and International Recruiting Model

Updated January 10, 2024

In October 2023, the NCAA Division I Men's Basketball Oversight Committee introduced legislation to change the men's basketball recruiting calendar and adopted the new calendar, as amended, on January 9. The changes to the original proposal include:

- Moved the start time of the May evaluation period for NCAA certified events from 6 p.m. on Friday to 8 a.m. on Friday.
- Moved the evaluation period for the 2024 NCAA College Basketball Academy from Monday, July 22 – Wednesday, July 24 to Tuesday, July 23 – Thursday, July 25 due to facility availability.

The recruiting calendar changes are now effective. The new legislation also permits evaluations of international prospects participating on international teams at regularly scheduled international high school and club team practices, competition and leagues/cups/tournaments during the academic year recruiting period (September 1 through April 30). Evaluations count against the 100 recruiting-person day limit and seven recruiting opportunities per prospect.
