Amendment becomes effective.	August 1 *

* The standard effective date for all amendments is not earlier than the first day of August following adoption of the amendment at the 2021 NCAA Convention (i.e., August 1, 2021). However, a voting delegate may propose an immediate or alternate effective date to a proposal. This immediate or alternate effective date must be approved at the Convention by a two-thirds majority of all delegates present and eligible to vote on the proposal. Those amendments specified as effective immediately become effective after adjournment of the Convention.
