Amendment becomes effective.	August 1, 2025 ^

* If the legislative concept has a significant financial impact to the Division II budget and/or on Division II institutions and conferences, the NCAA Division II Management Council shall recommend sponsorship by the NCAA Division II Executive Board.

^ The standard effective date for all amendments is not earlier than the first day of August following adoption of the amendment at the 2025 NCAA Convention (August 1, 2025). However, a voting delegate may propose an immediate or alternate effective date to a proposal. This immediate or alternate effective date must be approved at the Convention by a two-thirds majority of all delegates present and eligible to vote on the proposal. Those amendments specified as effective immediately become effective after adjournment of the Convention.
