Mootnicity and Related Parliamentary Issues**

NCAA Division III Presidents Council Grouping – Proposal No. 1-4.

The NCAA Division III Presidents Council has identified four proposals of particular interest to Division III chancellors and presidents. These proposals are included in the Presidents Council grouping and will be considered by roll call vote. All motions and votes related to these proposals must be considered by roll call. Because the Presidents Council designated the proposals for roll call vote, only the Presidents Council may waive this designation and all other motions to change the voting method would be out of order.

Additional Notes.

- Effective date: A motion for an alternative effective date on the convention floor would violate the principle of "prior notice" and therefore would be out of order. Alternative effective dates must be noted with the submission of the proposal or offered as an amendment-to-amendment.
- Motion to divide: A properly moved proposal may be divided into two or more parts to be voted on separately only if the parts make sense as they stand alone and only if each part may be adopted without the others. A motion to divide must clearly state how the division is to be made. The motion to divide is undebateable and requires a simple majority for adoption. Any delegate intending to make a motion to divide is encouraged to contact a member of the NCAA academic and membership affairs staff for assistance with drafting of the motion before the Division III business session.
- Withdrawing proposals and proposals not moved: The NCAA practice permits sponsors of a proposal to announce their desire to withdraw their proposal from consideration; however, if a single voting delegate objects, the proposal will not be withdrawn. If a published proposal is not moved, the matter is simply passed. An eligible voting member, including the sponsor, may ask for permission later to introduce a proposal that has been passed.
