Unless otherwise stated, NCAA applications (e.g., LSDBi, RSRO, etc.) were designed and are intended for use by NCAA members. The NCAA provides administrators the ability to determine and assign access to NCAA applications through Single Source Sign On at prescribed access levels. Administrators should take care to protect data by providing only the access levels needed for each individual that has access to the system. Administrators are ultimately responsible for any access to information that is provided to an unintended user.

Sexual Violence Prevention

You said there were **28** student-athletes on your team.

Based on national averages, **more than five** of the student-athletes on your team will experience sexual violence while in college, usually during their first two years.

At least 5% of males experience sexual violence.

Attestation of Compliance

The screenshot displays the NCAA Division III user interface. At the top left is the NCAA Division III logo. The top right shows the user is logged in as 'Absorb Div3'. The main content area is titled 'My Courses' and includes a search bar with the text 'Search 'My Courses'' and a 'Show Complete' toggle set to 'ON'. Below the search bar is a 'Membership' section with a count of 3. Two course entries are visible, each with a 'Launch' button. A red circle highlights the 'Launch' buttons, and a red arrow points to the circle.
