NCAA Transfer Rules and Eligibility

Transferring is one of the biggest decisions of your college career. Understand the rules, know your options and protect your eligibility before you contact the athletics compliance office at your NCAA school.

Transfer Portal.

DIVISION III
DISCOVER | DEVELOP | DEDICATE

DIII Is *IN*!

- You **cannot** talk to another NCAA school's student-athlete unless they are in the Transfer Portal (or, if coming from another DIII, they issue a **self-release**).
- The Transfer Portal is not a recruiting tool, it's for **compliance**.
- DIII does **not** have transfer windows.
- The required **educational module** for student-athletes is available on the Transfer page of ncaa.org.

Age-Based Eligibility?!?!

DIVISION III
DISCOVER | DEVELOP | DEDICATE

Age-Based Eligibility.

DI and DII are *in!!*

- It's **not** 5-for-5.
- There are **no waiver** opportunities.
- August 6, 2026, educational column in LSDBi for application questions.
- Have interested SAs work with the DI or DII school.

DIVISION III

Age-Based Eligibility.

DIII is **not** in.

- Nothing has changed in DIII. Student-athletes still have **10 full-time semesters** or **15 full-time quarters** to complete **four** seasons.
- There **is** a legislative proposal for the 2027 Convention.
- If adopted, things would be effective for the **2027-28** year.
- Have the conversation on campus!

Are We Done?

No!

Remember:

- We have a **comment period!**
- September 15 is an alternate submission date!
 - Anything that comes in between now and then must have support from **four multisport conferences** or **20 institutions from across four conferences**.
