Dear Tom:

I am pleased to inform you that the NCAA Research Review Board (RRB) conducted a full board review of and approved the "Growth, Opportunities, Aspirations, and Learning of Students in college (GOALS) study."

The RRB also approved a waiver of documentation of consent for the study.

According to the RRB Standard Operating Procedures, a continuing review for this study must be scheduled within 12 months. Therefore, to ensure adherence to the protocol, please forward all required documentation to the RRB Administrator by November 7, 2019*. The RRB Administrator will issue a reminder for you closer to the deadline.

Please let me know if you have any questions.

Sincerely,
